180 Days of Geography for Sixth Grade Jennifer Edgerton,2018-03-01 Supplement your social studies curriculum with 180 days of daily geography practice! This essential classroom resource provides teachers with weekly geography units that build students' geography knowledge, and are easy to incorporate into the classroom. In a world that is becoming more connected and globalized, 21st century students must have the skills necessary to understand their world and how geography affects them and others. Students will develop their map and spatial skills, learn how to answer text- and photo-dependent questions, and study the 5 themes of geography. Each week covers a particular topic and introduces students to a new place or type of map. The first two weeks consist of a mini-unit that focuses entirely on map skills. For additional units, students will study various places, and how culture and geography are related. With a focus on the six populated continents, students will explore various types of maps including physical maps, political maps, topographic maps, thematic maps, climate maps, regional maps, and various topics including scale, legends, cardinal directions, latitude and longitude, and more. Aligned to state standards and National Geography Standards, this resource includes digital materials.

World Regional Geography Viola Haarmann,Douglas Johnson,Merrill Johnson,2014-01-10 NOTE: This edition features the exact same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value for your students--this format costs 35% less than a new textbook. Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. xxxxxxxxxxxxxxxxxxxxxxxx Praised for its scholarship and authoritative, comprehensive coverage of world regions, Johnson, Haarmann, and Johnson's World Regional Geography takes students on a unique, in-depth exploration of the world's regions. The new Eleventh Edition presents a leaner, student-friendly modernized look at geography that engages students in the course and challenges them to see the relevance of geography to their everyday lives. Now available with MasteringGeography(TM), the leading online homework, tutorial, and assessment platform, this learning solution results in

an unparalleled teaching and learning package that personalizes learning and coaches students toward understanding and mastery of geography topics. This program presents a better teaching and learning experience for you and your students by providing: Personalized learning with MasteringGeography: This leading online homework, tutorial, and assessment program is designed to improve results by helping students quickly master concepts. Students benefit from self-paced tutorials, featuring specific wrong-answer feedback and hints that emulate the office-hour experience. Content that makes geography interesting and relevant to students' lives: The Eleventh Edition provides a wealth of engaging and current new content focusing on sustainability, energy and development issues. A structured learning path has been created to provide a framework for student engagement. Outstanding pedagogical tools makes teaching and learning easier and more effective: The material refocuses on geography fundamentals and includes a sound thematic structure, chapter-opening vignettes, and concise, useful end-of-chapter review material. Dramatic updates to the already strong visual program and language: Updates to the visual program and language provide coverage of development issues of each world region, updated and new cartography, and new and re-sized photos.
