Faith-based Grants Beverly A. Browning, 2005 Both church or ministry leaders and their members are under the impression that the President and Congress have allocated millions and millions of public funds for faithbased organizations?for any purpose, religious or non-religious and that the faithbased grant tree is full of unrestricted, no strings attached ?ready to pick? fruits?also known as grant awards. In this book, my goal is to help churches and ministries across the United States?large and small, denominational and non-denominational?understand how to align institutions and congregations to receive the abundance intended under the Federal government?s faithbased grants initiative.

Winning Grants to Strengthen Your Ministry Joy Skjegstad, 2007-05-28 Ministry leaders possess the compassion, creativity, and knowledge about community needs that grant funders appreciate. Yet ministry groups are often less experienced than other types of nonprofit organizations in discerning which funding to seek, understanding how to build relationships with funders, and putting together proposals. This book offers a pathway to strengthening new and existing ministries. Joy Skjegstad is an experienced grant-proposal writer who has successfully raised money for a variety of nonprofits over the past 20 years, including a number of ministry organizations. She shows how fundraising can be an integral part of ministry--forcing us into deeper conversation with God, expanding our relationships with others, and building both our faith and our discipline. Providing detailed guidance on the practical aspects of seeking grants from foundation and corporate funders, Skjegstad describes approaches for researching potential funders, developing a case statement, putting together an effective grant proposal, and following up with grant makers. She explains the types of grants available and how to determine which are a good fit with your ministry. For faith-based ministries, faith is the groundwork for fundraising--the most important thing to consider while developing fundraising values and strategies. Skjegstad helps faith communities identify their own cultural beliefs, follow spiritual disciplines, and cultivate generous hearts as they work toward integrating their faith and their fundraising.

Church Philanthropy for Native Americans and Other Minorities Phyllis A. Meiners,Greg Sanford,1995

How to Increase Giving in Your Church George Barna, One of the most difficult tasks facing any church leader is the issue of raising funds. It's not that we don't realize that tithing and giving are biblical issues: God's Word is full of strong statements about the stewardship of money. But how does a pastor convey God's heart for stewardship? Literally, what's the best way to raise the money your church needs to survive? Obviously, God is the one who builds the church-He is the ultimate provider. But what's the best process of shepherding the funds He has for your church? This step-by-step guide will give you tools you need to raise funds in your church-scripturally and successfully-without compromising biblical integrity. After all, it's God's church and His money-but our responsibility to manage it.

Church Funding Resource Guide Mary Eileen Paul,Linda Clements,1993

Funding Ministry with Five Loaves and Two Fishes Rosario Picardo,2016-10-04 Clergy are trained to preach, teach, and lead a congregation in spiritual matters. However, there is very little training for clergy when it comes to the “business” matters of the church-finances, debt reduction, fundraising, and building maintenance. The added and sometimes unexpected load for clergy can become cumbersome and extremely stressful. In addition, the decline of the church and the passing of key funders of churches leave many pastors with dying churches and few resources to do anything about it. Author Rosario Picardo has been in this very position. As a pastor, Picardo launched a church in a movie theater with no people and very little financial support. He also revitalized a dying congregation in a deteriorating physical structure. Through trials and failures, innovation and entrepreneurial thinking, God provided, and Picardo learned new ways for reaching the least and lost, and for growing disciples. In Funding Ministry with Five Loaves and Two Fish, Picardo shares the lessons he’s learned with confidence that other leaders can do the same. He demonstrates how, step by faithful step.

Fearless Church Fundraising Charles LaFond,2013-02-01 Considering how essential fundraising is to ministry, many church leaders remain terrified of asking for or talking about money. Fearless Church Fundraising removes the terror from stewardship, urging leaders to focus on deep spiritual conversion and a clear, compelling mission before they design the pledge cards. In this rich resource part handbook, part workbook, part spiritual guidebook former monk and popular consultant Charles LaFond combines road-tested strategies and sample campaign documents with a spiritual director's sensitivity. The result is an irresistible, user-friendly text that promises to transform your ministry's fundraising and its spiritual life.

Listen to the Heartbeat of the Church, Revised Edition Dorothy Hill Baroch M.A.,2015-08-04 Listen to the Heartbeat of the Church resurrects the concept of episcopal visitation, an age-old and rarely used practice in Catholic parishes and dioceses. Using information gleaned from a survey of one hundred Benedictine monasteries along with a nine-month experience of facilitating a parish goal-setting process, Baroch describes how visitation can strengthen parishes and dioceses by closing the communication gap that sometimes exists between the laity and the hierarchy. Her fictional account of St.

Anonymous Catholic Church, the heart of the book, shows how a struggling congregation can accomplish its goals when parishioners, the pastor, and their bishop engage in shared ministry. It can happen--one parish, one diocese at a time.

ChurchMoney Michael White, Tom Corcoran, 2019-09-13 There is a secret formula to help convince parishioners to give financially to your church. It's pretty simple: Just ask them. And when you do, make sure it's not about the money. In **ChurchMoney**, Rev. Michael White and Tom Corcoran—award-winning authors of the bestselling book *Rebuilt*—will help you learn the basic skills you need to discover that true success in raising funds comes from the incredibly freeing approach that connects giving to discipleship. The two share stories of success and failure during their twenty years leading the Church of the Nativity in Timonium, Maryland. They tell you what they learned to meet the real financial challenges of their mission. And they offer the practical wisdom and inspiration you need to tackle the thorny matter of raising money in your Catholic parish. So if giving isn't about the money, what is it about? Giving is about: loving God and serving him; loving others and helping them fall in love with their Savior; transforming the world little by little through love; and the eternal impact we can and need to make with money. White and Corcoran contend that giving actually glorifies God and attracts others to the Church. Over and over again in scripture, they point out, you'll find the same, simple point: Giving gladly serves as a key ingredient to the Church's growth from its very beginning. White and Corcoran share the lessons, facts, habits, and great ideas they've implemented from some of the most successful and vibrant churches in the United States. **ChurchMoney** offers a proven plan for raising money in parishes. It's readily adaptable, firmly rooted in the reality of leading a Catholic parish, based on the Bible, and finessed with the best advice of communication professionals. You will read stories of embarrassing failure and exhilarating success in tripling a budget and running three extraordinarily successful capital campaigns over a ten-year period including a recent campaign leading to the construction of \$16 million sanctuary built debt-free. White and Corcoran have increased staff fourfold and significantly raised salaries and increased staff benefits while expanding mission outreach both locally and internationally.
