Pink’s Next Big Idea Club We all want to be loved and to feel safe to express who we really are. In The Child in You, psychologist Stefanie Stahl guides you, step-by-step, through her therapeutic method that has helped millions to peel away these layers and reconnect with their inner child--both the shadow child, representing our deepest insecurities and the part of our self-esteem that is injured and unstable, and the sun child, representing our greatest joys and the part of our self-esteem that remains positive and intact. The many examples and exercises in this book will help you discover your shadow child and sun child, identify which of the shadow child's dozen self-protection strategies are at work in you, and put into practice the array of proven self-reflection strategies to overcome negative influences and beliefs. Because it's never too late to have a happy

*Troy* Alexandra Villing, Lesley Fitton, Andrew Shapland, Victoria Donnellan, 2019-11-21 Troy is familiar to us from the timeless and epic tales of Homer's *Iliad* and Virgil's *Aeneid*. These have been retold over the centuries by writers from Chaucer to Shakespeare to Madeline Miller and Rick Riordan, and enacted by stars such as Elizabeth Taylor and Brad Pitt. But how much do we really know about the city of Troy; its storytellers, myth, actual location or legacy? In this richly illustrated book, the story of Troy is told through a new lens. Published to accompany an exhibition at the British Museum, it introduces the storytellers and Classical artists inspired by the myths of Troy, then examines the tales themselves - from the Judgment of Paris to the return of Odysseus - through the Classical objects for which the museum is internationally known. The third section focuses on Heinrich Schliemann's excavations at Hissarlik, introducing the nineteenth-century search for the location of Troy that convinced the world that this city did once exist. Also explored is the possible Bronze Age background for the myth of the Trojan War, the historicity of which remains unresolved today. The final section delves into the legacy of Troy, and the different ways in which its story has been retold, both in literature and art, from Homer to the present day. Focusing on the major characters - Helen of Troy, Achilles and Hector, Aeneas and Odysseus - it illustrates how artists from Cranach and Rubens to Romare Bearden and Cy Twombly have been inspired by this archetypal tale to reflect on contemporary themes of war and heroism, love and beauty.
