The Cracks In The Sidewalk Gordon Chisholm.2019-05-08 The cracks in the sidewalk that go on forever Are crazy and crumbling and snaking together. The Canadian tradition of illustrated children's humorous poetry collections begins with Dennis Lee's Alligator Pie. To that tradition is added this latest worthy contribution, The Cracks in the Sidewalk by Gordon Chisholm. Many of these 30 poems, accompanied by 32 black-and-white line-drawing illustrations, provide a humorous and playful view of common everyday experiences that children have, such as simply walking along on a sidewalk. Other poems are whimsical flights of fancy or observations of the natural world. All together, these fun verses aim at widening children's sense of curiosity and wonder, and promoting feelings of self assurance and confidence in their abilities. I wish I had an Artobot To draw the lines that I cannot, To choose the colours that fit the scene, So that my pictures look bright and clean. Complete Poems Claude McKay.2004-01-29 Containing more than three hundred poems, including nearly a hundred previously unpublished works, this unique collection showcases the intellectual range of Claude McKay (1889-1948), the Jamaican-born poet and novelist whose life and work were marked by restless travel and steadfast social protest. McKay's first poems were composed in rural Jamaican creole and launched his lifelong commitment to representing everyday black culture from the bottom up. Migrating to New York, he reinvigorated the English sonnet and helped spark the Harlem Renaissance with poems such as *If We Must Die*. After coming under scrutiny for his communism, he traveled throughout Europe and North Africa for twelve years and returned to Harlem in 1934, having denounced Stalin's Soviet Union. By then, McKay's pristine violent sonnets were giving way to confessional lyrics informed by his newfound Catholicism. McKay's verse eludes easy definition, yet this complete anthology, vividly introduced and carefully annotated by William J. Maxwell, acquaints readers with the full transnational evolution of a major voice in twentieth-century poetry.

From Tongue to Text: A New Reading of Children's Poetry Debbie Pullinger. 2017-05-04 The connection between childhood and poetry runs deep. And yet, poetry written for children has been neglected by criticism and resists prevailing theories of children's literature. Drawing on Walter Ong's theory of orality and on Iain McGilchrist's work on brain function, this book develops a new theoretical framework for the study of children's poetry. *From Tongue to Text* argues that the poem is a multimodal form that exists in the borderlands between the world of experience and the world of language and between orality and literacy - places that children themselves inhabit. Engaging with a wide range of poetry from nursery rhymes and Christina Rossetti to Michael Rosen and Carol Ann Duffy, Debbie Pullinger demonstrates how these 'tactful' works are shaped by the dynamics of orality and textuality.

How to Turn Poems, Lyrics, & Folklore into Salable Children's Books Anne Hart.2005-08-17 Do you want to adapt your poem to a storybook that tells a story in words, and pictures-or only amplify the images that you create with words? Would you rather turn your poem into a picture book that tells a story with pictures? Will words take second place to illustrations? Decide first whether you will write a story book or a picture book. Then use the images in your poem to clarify your writing. You won't be able to read a picture book into a tape recorder or turn it into an audio book or radio play. You will be able to narrate a word book for audio playing. Start with an inspirational poem, proverb, or song lyrics. Ask children what makes them laugh. You can make something out of nothing. You can make a story out of anything intangible, such as an idea with a plan still in your mind. Capture your children's dreams, proverbs, song lyrics, and the surprise elements that make them laugh. Record imagination, what-if talk, and personal history. A folktale or story is something that could come from any place in the past, from science, or from nothing that you can put your hands on. What children want in a book, poem, or folklore is a cave where they can go to be themselves. When suspending belief, children still want to be themselves as they navigate fantasy. The story book becomes a den or tree house where children can go inside, shut the door, and play. Introduce children to poetry by showing how you transform your poem into a children's book by expanding and emphasizing significant events in the life story of one child. Poems, memorable experiences, significant life events or turning points are all ways to make something out of nothing tangible. You begin re-working a concept, framework, or vision. Here's how to write, publish, and promote salable material from concept to framework to poem to children's book-step-by-step.

Joyful Noise Paul Fleischman.2013-09-24 From the Newbery Medal-winning author of Seedfolks, Paul Fleischman, Joyful Noise is a collection of irresistible poems that celebrates the insect world. Funny, sad, loud, and quiet, each of these poems resounds with a booming, boisterous, joyful noise. The poems resound with the pulse of the cicada and the drone of the honeybee. They can be fully appreciated by an individual reader, but they're particularly striking when read aloud by two voices, making this an ideal pick for classroom use. Eric Beddows's vibrant drawings send each insect soaring, spinning, or creeping off the page in its own unique way. With Joyful Noise, Paul Fleischman created not only a fascinating guide to the insect world but an exultant celebration of life.

Analysing Sign Language Poetry R. Sutton-Spence.2004-11-12 This new study is a major contribution to sign language study and to literature generally, looking at the complex grammatical, phonological and morphological systems of sign language linguistic structure and their role in sign language poetry and performance. Chapters deal with repetition and rhyme, symmetry and balance, neologisms, ambiguity, themes, metaphor and allusion, poem and performance, and blending English and sign language poetry. Major poetic performances in both BSL and ASL - with emphasis on the work of the deaf poet Dorothy Miles - are analysed using the tools provided in the book.
