[The Summer of Lost Letters](#) Hannah Reynolds,2022-07-19 Perfect for fans of Morgan Matson and Ruta Sepetys, this sweet, summery romance set in Nantucket follows seventeen-year-old Abby Schoenberg as she uncovers a secret about her grandmother's life during WWII. Seventeen-year-old Abby Schoenberg isn't exactly looking forward to the summer before her senior year. She's just broken up with her first boyfriend and her friends are all off in different, exciting directions for the next three months. Abby needs a plan—an adventure of her own. Enter: the letters. They show up one rainy day along with the rest of Abby's recently deceased grandmother's possessions. And these aren't any old letters; they're love letters. Love letters from a mystery man named Edward. Love letters from a mansion on Nantucket. Abby doesn't know much about her grandmother's past. She knows she was born in Germany and moved to the US when she was five, fleeing the Holocaust. But the details are either hazy or nonexistent, and these letters depict a life that is a bit different than the quiet one Abby knows about. So Abby heads to Nantucket for the summer to learn more about her grandmother and the secrets she kept. But when she meets Edward's handsome grandson, who wants to stop her from investigating, things get complicated. As Abby and Noah grow closer, the mysteries in their families deepen, and they discover that they both have to accept the burdens of their pasts if they want the kinds of futures they've always imagined. The Embassy of Cambodia Zadie Smith,2013-01-01 A rare and brilliant story from Zadie Smith, taking us deep into the life of a young woman, Fatou, domestic servant to the Derawals and escapee from one set of hardships to another. Beginning and ending outside the Embassy of Cambodia, which happens to be located in Willesden, NW London, Zadie Smith's absorbing, moving and wryly observed story suggests how the apparently small things in an ordinary life always raise larger, more extraordinary questions. 'It's scale is superficially small, but its range is lightly immense; in the first couple of pages, the world from Ghana to London to Cambodia enters. It is a fiction of consequences both global and heartrenchingly intimate. This voice is global, plural and local, with a delicate grip on historic consequences..... Works on an awesomely global scale, and the relations of slavery and mastership are traced in both personal and international scale.' Philip Hensher, The Guardian 'Reading it is a bit like having a starter in a restaurant that is so good you wish you had ordered a big portion as a main course, only to realise, as you finish it, that it was exactly the right amount.' 'A perfect stocking-filler of a book that shows that short-form fiction can be as vibrant and as healthy as any densely realised full-length novel.' Louise Doughty, The

Observer 'Smith serves up a smasher.' Leyla Sanai, The Independent On Sunday

White Teeth Zadie Smith,2001-01-25 An unforgettable portrait of London and one of the most talked about debuts of all time! 'The almost preposterous talent was clear from the first pages' Guardian On New Years Day 1975, the day of his almost-suicide, life said yes to Archie Jones. Not OK or 'You-might-as-well-carry-on-since-you've-started'. A resounding affirmative. Promptly seizing his second life by the horns, Archie meets and marries Clara Bowden, a Caribbean girl twenty-eight years his junior. Thus begins a tale of friendship, of love and war, of three culture and three families over three generations . . . ***** 'Street-smart and learned, sassy and philosophical all at the same time' New York Times 'Outstanding' Sunday Telegraph 'An astonishingly assured début, funny and serious . . . I was delighted' Salman Rushdie

The Clue of the Silver Key Edgar Wallace,2008-01-11 This thrilling murder mystery features some veritable characters: inventor and heir-at-law Dick Allenby, and banker and speculator Leo Moran. Add Dornford, Hennessey and the actress Mary Lane, and Washington Wirth who gives parties and loves flattery. Hervey Lyne, Binny and the indomitable Surefoot Smith. Of them all only Tickler is innocent. Leaving gala night at the Litigation Club, Dick and Surefoot are discussing guns...but there before them a cab has been left in the middle of the road. The man inside has been shot.

Between Heaven and Earth Robert Nurdén,2021-04-19 Stanley James, as a young man in the Canadian West, was by turns a cowboy, shepherd, navy, hobo and newspaper reporter, soldier in the Spanish-American war, poet, playwright and actor. Returning to his native England, he married and became a Nonconformist minister who both charmed and alienated his Walthamstow congregation with his socialism and pacifism and support for women's emancipation. In 1923 he converted and reinvented himself as one of the best-known Catholic writers of the English-speaking world, with nine books to his name. Widely respected for his knowledge, passion and insight, he worked alongside Bertrand Russell and counted G.K. Chesterton among his friends. Yet the chance discovery of hundreds of secret letters and diaries of three women - many quoted in this account - shattered the image. These documents show in intriguing and often explicit detail that, as a husband and father of seven, he had an affair and liaisons with members of his congregation. Just how much did his family and friends know?

A History of American Literature Since 1870 Fred Lewis Pattee, 1915

Parrot in the Oven Victor Martinez, 2013-06-11 Perico, or parrot, was what Dad called me sometimes. It was from a Mexican saying about a parrot that complains how hot it is in the shade, while all along he's sitting inside an oven and doesn't know it.... For Manuel Hernandez, the year leading up to his test of courage, his initiation into a gang, is a time filled with the pain and tension, awkwardness and excitement of growing up in a crazy world. His dad spends most of his time and money at the local pool hall; his brother flips through jobs like a thumb through a deck of cards; and his mom never stops cleaning the house, as though one day the rooms will be so spotless they'll disappear into a sparkle, and she'll be free. Manny's dad is always saying that people are like money--there are million- and thousand- and hundred-dollar people out there, and to him, Manny is just a penny. But Manny wants to be more than a penny, smarter than the parrot in the oven. He wants to find out what it means to be a vato firme, a guy to respect. In this beautifully written novel, Victor Martinez gives readers a vivid portrait of one Mexican-American boy's life. Manny's story is like a full-color home movie--sometimes funny, sometimes sad, but always intensely original. For Manuel Hernandez, the year leading up to his test of courage, his initiation into a gang, is a time filled with the pain and tension, awkwardness and excitement of growing up in a mixed-up, crazy world. Manny's dad is always calling him el perico, or parrot. It's from a Mexican saying about a parrot that complains how hot it is in the shade while all along he's sitting inside the oven and doesn't know it. But Manny wants to be smarter than the parrot in the oven—he wants to find out what it means to be a vato firme, a guy to respect. From an exciting new voice in Chicano literature, this is a beautifully written, vivid portrait of one Mexican-American boy's life. 1998 Pura Belpré Author Award 1996 Americas Award for Children's and Young Adult Literature 1997 Books for the Teen Age (NY Public Library) 1996 National Book Award for Young People's Literature

Screening the Hollywood rebels in 1950s Britain Anna Ariadne Knight, 2021-09-28 This book examines issues of censorship, publicity and teenage fandom in 1950s Britain surrounding a series of controversial Hollywood films: *The Wild*

One, Blackboard Jungle, Rebel Without a Cause, Rock Around the Clock and Jailhouse Rock. It also explores British cinema's commentary on juvenile delinquency through a re-examination of such British films as The Blue Lamp, Spare the Rod and Serious Charge. Taking a multi-dimensional approach, the book intersects with star studies and social history while reappraising the stardom of Marlon Brando, James Dean and Elvis Presley. By looking at the specific meanings, pleasures and uses British fans derived from these films, it provides a logical and sustained narrative for how Hollywood star images fed into and disrupted British cultural life during a period of unprecedented teenage consumerism.

Afterlife of Empire Jordanna Bailkin, 2012-11-15 This book investigates how decolonization transformed British society in the 1950s and 1960s, and examines the relationship between the postwar and the postimperial.

The Chequer Board Nevil Shute, 2023-03-24 The Chequer Board tells the story of five men who meet in a military hospital during World War II. The men are from different backgrounds and have had different life experiences, but they are brought together by their experiences of war and injury. The novel follows each man's personal journey, as they struggle to come to terms with their injuries and the impact of the war on their lives. The five men make a pact to meet again in ten years, to see how their lives have progressed. The novel then shifts to their individual stories, as each man faces his own challenges and obstacles in the years that follow. The novel explores themes of friendship, sacrifice, love, and the impact of war on individuals and society. Ultimately, the men's lives intersect again, and the novel shows the different paths they have taken and the lessons they have learned.
