This Is The Water Yannick Murphy, 2014-07-31 'Addictive... A delicious mix of sexual reawakening and moral entanglement' Telegraph 'A gifted storyteller with an unusual, hypnotic voice... truly original, it casts a spell that lingers in your mind' Daily Mail This is a novel about a woman. About a mother. About a marriage. About a murder. In the brightly lit public pool the killer swims and watches. Amongst the mothers cheering on their swim team daughters is Annie. Watching her two girls race, she's thinking of other things. Her husband's emotional distance. Her lost brother. The man she's drawn to. Then she learns a terrible secret. Now her everyday cares and concerns seem meaningless. Annie knows she has to act. Above all, she must protect her children. Compulsively readable, it takes readers on a journey where none could guess the final outcome.

P.S. Paul Simon, 1999 In this candid and sometimes controversial autobiography, the late former Senator Paul Simon sheares his insights into the activities of President Clinton and other politicians as well as his views on international affairs.

We Are Water Wally Lamb, 2013-10-22 "A mesmerizing novel about a family in crisis."— Miami Herald A disquieting and ultimately uplifting novel about a marriage, a family, and human resilience in the face of tragedy, from Wally Lamb, the New York Times bestselling author of *The Hour I First Believed* and *I Know This Much Is True*. After 27 years of marriage and three children, Anna Oh—wife, mother, outsider artist—has fallen in love with Viveca, the wealthy Manhattan art dealer who orchestrated her success. They plan to wed in the Oh family's hometown of Three Rivers in Connecticut. But the wedding provokes some very mixed reactions and opens a Pandora's Box of toxic secrets—dark and painful truths that have festered below the surface of the Ohs' lives. *We Are Water* is a layered portrait of marriage, family, and the inexorable need for understanding and connection, told in the alternating voices of the Ohs—nonconformist, Anna; her ex-husband, Orion, a psychologist; Ariane, the do-gooder daughter, and her twin, Andrew, the rebellious only son; and free-spirited Marissa, the youngest. It is also a portrait of modern America, exploring issues of class, changing social mores, the legacy of racial violence, and the nature of creativity and art. With humor and compassion, Wally Lamb brilliantly captures the essence of human experience and the ways in which we search for love and meaning in our lives.

Signs of Water Robert Boschman,Sonya L. Jakubec,2022-02-15 Water is more important than ever before. It is increasingly controversial in direct proportion to its scarcity, demand, neglect, and commodification. There is no place on the planet where water is not, or will not be, of critical concern. Signs of Water brings together scholars and experts from five continents in an interdisciplinary exploration of the theoretical approaches, social and political issues, and anthropogenic hazards surrounding water in the twenty-first century. From the kitchen taps of Detroit, Michigan to the water-harvesting infrastructure of Tokyo, from the Upper Xingu Basin of Brazil to the Sunda Deep of the Java Trench, these essays flow through time and place to uncover the many issues surrounding water today. Asking key theoretical questions, exposing threats to vital water systems, and proposing paths forward, Signs of Water brims with histories, ontologies, and political struggles. Bringing together local experiences to tell a global story, it centers water as history, as politics, and as a human right.
