**Ritrovarsi e guarire** Antonio Ficarola, 2024-02-23T00:00:00+01:00 Come, quando e perché entriamo in un momento critico della nostra vita? Come trasformiamo la crisi in un nuovo e fecondo incontro con “parti” di noi sconosciute? Forse conserviamo perennemente il nostro stato di infelicità? Rispondere a queste domande ci aiuta a comprendere come, nella ricomparsa di piccoli o grandi traumi, stiamo intessendo il romanzo della nostra vita. In *Ritrovarsi e guarire*, Antonio Ficarola affronta questi interrogativi attingendo dalla psicologia del profondo, dai casi clinici della sua carriera professionale e dalle moderne neuroscienze. L'analisi, che il libro espone con efficacia, scruta le dinamiche psicologiche del cambiamento di vita e, nel fornire “chiavi di lettura” di sé stessi, conduce al ritrovamento di fattori che inducono l'essere umano a scegliere se mettersi in discussione, cambiare o rimanere indifferente a sé stesso.

*Un attimo prima di cadere* Giancarlo Dimaggio, 2020-09-30T00:00:00+02:00 Lacerato dal dolore, un uomo, la cui professione è curare le ferite psichiche, arriva sull'orlo del precipizio. Si sforza di rimettere insieme i pezzi, non cade. Il racconto di come riesce a tenersi in piedi si intreccia con quello della rivoluzione nella cura che lo salva come paziente e lo orienta come terapeuta. Nella psicoterapia, il primato della parola ha ceduto il campo: adesso è possibile lavorare anche su corpo, immaginazione e teatralizzazione, e le storie dei pazienti, casi clinici raccontati nello stile di una fiction, rendono conto della “svolta esperienziale” in atto. Nel libro i differenti fili della narrazione si intrecciano e si richiamano l'un l'altro, preparando una serie di colpi di scena finali. L'autore, come uomo e come psicoterapeuta, scioglie e riannoda le trame della scoperta scientifica e del dramma e ricorda che, per curare l'animo, bisogna tornare all'attimo prima della “caduta”. Cogliere le persone in quell'istante è la chiave di volta della psicoterapia.

**L'eredità emotiva** Galit Atlas, 2022-06-10T00:00:00+02:00 Le persone che amiamo e quelle che ci hanno cresciuto vivono dentro di noi. Proviamo il loro dolore emotivo, sogniamo i loro ricordi: questo dolore e questi ricordi plasmano la nostra vita in modi che non sempre riconosciamo. L'eredità emotiva racconta di segreti familiari che ci impediscono di esprimere appieno le nostre potenzialità: come fantasmi che continuano a tormentarci, quei segreti producono una discontinuità tra quello che desideriamo e quello che siamo in grado di raggiungere. Galit Atlas intreccia le storie dei pazienti

con la propria e con decenni di ricerca per aiutarci a identificare il nesso tra le difficoltà della nostra vita e l'“eredità emotiva” che portiamo dentro di noi. Solo seguendo le tracce lasciate da quei fantasmi potremo davvero imprimere un corso diverso al nostro destino.

Libertà, politica e religione in Spinoza Marco Iannucci, 2019-04-18T00:00:00+02:00 Il percorso delineato da Marco Iannucci inquadra il pensiero di Spinoza nel dibattito politico-religioso della sua Amsterdam, che nella seconda metà del '600 fu teatro di un forte sviluppo economico e di tumultuosi fermenti politico-religiosi. Dall'analisi dei due trattati politici emergono non solo l'interesse di Spinoza per le circostanze che determinarono lo sviluppo della società, ma anche, grazie a un serrato dialogo con religiosi e politici del suo tempo, la sua volontà di guidarne i mutamenti in corso, di contribuire a migliorarli e di partecipare al processo di democratizzazione delle istituzioni. Ciò al fine di condurre la maggioranza degli uomini ad acquisire la libertà, intesa come liberazione da ogni forma di schiavitù. Egli diviene un tassello necessario al processo di emancipazione della collettività in cui vive, provocando così una vera rivoluzione politica, religiosa e morale, tanto che il suo messaggio, a più di tre secoli dalla sua morte, conserva ancora una bruciante attualità.

**The Spinoza Problem** Irvin D. Yalom, 2012-03-06 A haunting portrait of Arthur Rosenberg, one of Nazism's chief architects, and his obsession with one of history's most influential Jewish thinkers In *The Spinoza Problem*, Irvin Yalom spins fact and fiction into an unforgettable psycho-philosophical drama. Yalom tells the story of the seventeenth-century thinker Baruch Spinoza, whose philosophy led to his own excommunication from the Jewish community, alongside that of the rise and fall of the Nazi ideologue Alfred Rosenberg, who two hundred years later during World War II ordered his task force to plunder Spinoza's ancient library in an effort to deal with the Nazis' Spinoza Problem. Seamlessly alternating between Golden Age Amsterdam and Nazi Germany, Yalom investigates the inner lives of these two enigmatic men in a tale of influence and anxiety, the origins of good and evil, and the philosophy of freedom and the tyranny of terror.

I'm Calling the Police Irvin D. Yalom, 2011-03-01 Something heavy is going on -- the past is erupting -- my two lives, night and day, are joining. I need to talk. Irv Yalom's old medical school friend was making a plea for help. In their fifty years of friendship, Bob Berger had never divulged his nocturnal terrors to his close comrade. Now, finally, he found himself forced to. In *I'm Calling the Police*, Berger recounts to Yalom the anguish of a war-torn past: By pretending he was a Christian, Berger survived the Holocaust. But after a life defined by expiation and repression, a dangerous encounter has jarred loose the painful memory of those years. Together, they interpret the fragments of the horrific past that haunt his dreams. *I'm Calling the Police* is a powerful exploration of Yalom's most vital themes -- memory, fear, love, and healing -- and a glimpse into the life of the man himself.

*The Gift of Therapy : Reflections on Being a Therapist* Irvin D. Yalom,2002 The Gift Of Therapy is the culmination of master psychiatrist Dr Irvin Yalom's thirty-five years' work as a therapist, illustrating through real case studies how patients and therapists alike can get the most out of therapy. Presented as eighty-five 'tips' for 'beginner therapists', Yalom shares his own fresh approach and the insights he has gained while treating his patients.

*Ordini dell'Amore* Bert Hellinger,2010-10-18T00:00:00+02:00 In questo libro si tratta degli ordini che sono preposti all'amore nelle relazioni umane: l'amore cieco non ha sapere, non conosce questi ordini e spesso ci porta fuori strada, ma se l'amore sa di questi ordini e li rispetta, allora ha un effetto benefico e salutare sia su di noi che sul nostro ambiente.È un manuale che tratta vari aspetti delle relazioni umane. Da un lato, vengono riprodotti alcuni corsi terapeutici selezionati, così che il lettore possa partecipare alla ricerca delle soluzioni come se egli stesso fosse presente e può magari anche scoprire, per quanto lo riguarda, come uscire dalle crisi o guarire dalle malattie condizionate dall'anima. In secondo luogo, vengono presentati e spiegati importanti procedimenti terapeutici, non solo per le rappresentazioni delle costellazioni familiari, ma anche per il recupero del movimento interrotto verso il padre o la madre. In questo modo vengono guariti o attenuati i danni e le paure, partendo dal modo in cui si sono instaurati a causa di una perdita o di una separazione avvenute nella prima infanzia. Infine, chi è interessato alla via della conoscenza può fare in prima persona l'esperienza di come, semplicemente guardando in uno stato di raccoglimento, la rivelazione risolutiva - come un fulmine nel buio - improvvisamente abbagli e colpisca. Ordini dell'amore è l'opera fondamentale di Bert Hellinger, intensa, viva, ricca di sorprendenti punti di vista; indispensabile per chi voglia conoscere più da vicino - il suo lavoro con le costellazioni familiari e sistemiche.

*A Matter of Death and Life* Irvin D. Yalom,Marilyn Yalom,2021-03-02 A year-long journey by the renowned psychiatrist and his writer wife after her terminal diagnosis, as they reflect on how to love and live without regret. Internationally acclaimed psychiatrist and author Irvin Yalom devoted his career to counseling those suffering from anxiety and grief. But never had he faced the need to counsel himself until his wife, esteemed feminist author Marilyn Yalom, was diagnosed with cancer. In *A Matter of Death and Life*, Marilyn and Irv share how they took on profound new struggles: Marilyn to die a good death, Irv to live on without her. In alternating accounts of their last months together and Irv's first months alone, they offer us a rare window into facing mortality and coping with the loss of one's beloved. The Yaloms had numerous blessings—a loving family, a Palo Alto home under a magnificent valley oak, a large circle of friends, avid readers around the world, and a long, fulfilling marriage—but they faced death as we all do. With the wisdom of those who have thought deeply, and the familiar warmth of teenage sweethearts who've grown up together, they investigate universal questions of intimacy, love, and grief. Informed by two lifetimes of experience, *A Matter of Death and Life* is an openhearted offering to anyone seeking

support, solace, and a meaningful life.

**Metaphors for Personal & Professional Evolution** Consuelo Casula,2021-03 The metaphor is a flexible, powerful tool to indirectly promote positive change. *Metaphors for Personal & Professional Evolution: Princesses, Porcupines and Gardenerers* is a literary gem, written by a teacher/psychotherapist who offers readers detailed sequential instructions. Readers learn to identify situations in which metaphors may offer options for introduction of change, and then work their way through the uses, ideas, construction, and delivery. As metaphors, by nature, allow the readers and listeners to reach their own conclusions, the problem-solving efforts are experiential by nature. This approach can be far more effective in bringing about cooperation and acceptance than a more straightforward or direct request could bring. This book is an instructional generously laden with examples. As the stories within are told, readers remember their own internal processes of problem - solving and how it has changed through personal growth, maturation and life circumstances. An Italian classic, this book has previously been translated in to four other languages. The two translators are psychotherapists, each known for their effective use of metaphors in therapy. Their own language skills, along with their own professional and personal experiences led to a commitment to be as true to the original manuscript as possible. The English translation reflects a careful commitment to remain true to the author's original message and manner of expression. Now it is brought to a wide group of English readers with the expectation that materials will be meaningful in both personal and professional applications. Whether you want change for yourself personally, whether you seek to be a more effective teacher and leader, or whether you are merely interested in reading a fascinating study on the potency of bringing about change from an indirect direction, this piece of literature will speak to you, and perhaps through you.

Seven Seconds Oscar Travino,2021-08-02 Even psychologists need to clear up their minds. How many people do you think you can talk to? How many people do you think would be willing to listen to you? Often, way too often, we tend to bottle up our outpourings, our thoughts, our problems because, at times, we can't seem to find someone that is really willing to help us to get out of a dark place. When you find yourself in such a situation, what is your solution? Do you keep everything in your mind, or do you try to let it out? *Seven Seconds* is a book of liberation. A journey to discover your true self by letting your breath flow between one break and another, as if you would want to let time take away an unpleasant feeling in your life. A motivational book for you, the reader, and for the writer himself, in times of distress. *Seven Seconds*, by Oscar Travino is the book you have been waiting for, to inspire you to a new beginning. If you have ever felt confused, then BUY NOW *Seven Seconds* and allow yourself to learn from someone who has already dealt with what you are going through.

**The Heart is Deceitful Above All Things** J.T. LeRoy, 2009-08-17 A series of loosely connected autobiographical stories, they describe the disturbing relationship between a mother and her adolescent son as she moves from lover to lover, dressing him as a girl and forcing him to shoplift. These are shocking stories of abusive love and dysfunctional sexuality, of heartbreak and of innocence lost. Once again, LeRoy's fantastical imagination and lyricism twists his haunted past into something utterly strange and magical.

**The Strategic Dialogue** Giorgio Nardone, 2018-03-29 The Strategic Dialogue is a fine strategy by which one can achieve maximum results with minimum effort. It was developed through a natural evolutionary process from previous treatments for particular pathologies, and composed of therapeutic stratagems and specific sequences of ad hoc manoeuvres constructed for different types of problems. This book represents both the starting and finishing line of all of the research, clinical practice, and managerial consulting performed by the authors over a fifteen year period at the Centro Terapia Strategica of Arezzo (Strategic Therapy Center). This work can be referred to as the finishing line because the Strategic Dialogue, an advanced therapeutic method of conducting a therapy session and inducing radical changes rapidly in the patient, represents the culmination of all that has been achieved so far in the field.

**Momma And The Meaning Of Life** Irvin D. Yalom, 2014-03-25 As the public grows disillusioned with therapeutic quick fixes, people are looking for a deeper psychotherapeutic experience to make life more meaningful and satisfying. What really happens in therapy? What promises and perils does it hold for them? No one writes about therapy - or indeed the dilemmas of the human condition - with more acuity, style, and heart than Irvin Yalom. Here he combines the storytelling skills so widely praised in *Love's Executioner* with the wisdom of the compassionate and fully engaged psychotherapist. In these six compelling tales of therapy, Yalom introduces us to an unforgettable cast of characters: Paula, who faces death and stares it down; Magnolia, into whose ample lap Yalom longs to pour his own sorrows; Irene, who learns to seek out anger and plunge into it. And there's Momma, old-fashioned, ill-tempered, who drifts into Yalom's dreams and tramples through his thoughts. At once wildly entertaining and deeply thoughtful, *Momma and the Meaning of Life* is a work of rare insight and imagination.
