Tuesdays with Morrie Mitch Albom, 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Parnassus on Wheels Christopher Morley, 2023-12-01 Christopher Morley's story *Parnassus on Wheels* is a joy. Helen McGill, a middle-aged spinster, has spent her life caring for her brother Andrew and their lucrative traveling bookshop known as *Parnassus*. This book is classified as historical fiction, and it is a brilliant collection of ideas compacted into a single draft for readers of all ages to read. With an eye-catching new cover and professionally typeset manuscript, this edition of *Parnassus on Wheels* is both current and legible. She, on the other hand, yearns for adventure and freedom. Helen's life takes an unexpected turn when Roger Mifflin, an interesting and strange story salesman, appears at her door with an offer to buy *Parnassus*. Fearing that her brother is wasting his life on the road, Helen decides to sell the bookstore and embark on

her own creative trip. As she meets new people and navigates the world of bookselling, she rapidly realizes that living on the road can be both exciting and challenging. Helen and Roger form an unusual and touching friendship as they travel together, discovering not only literary delights but additionally the joys of company.

Seven Seasons of the Man in the Mirror Patrick Morley,2010-05-11 In Patrick Morley's compelling follow-up to *The Man in the Mirror*, a man is taken beyond the day-to-day problems he faces and is confronted with seven major seasons of life that can make him or break him. Includes a leader's guide for small groups. In his phenomenally successful *The Man in the Mirror*, award-winning author Patrick Morley took men for a close-up on crucial aspects of their manhood and challenged them to establish wise priorities in life. In *Seven Seasons of the Man in the Mirror*, Morley shifts the focus to wide-angle. Looking at the broad sweep of life itself, he helps men determine where they are, where they're headed, and how to get there. Drawing on the lessons of his own life and wisdom from the Bible, Morley presents hard-won perspectives on the seven seasons of Reflection, Building, Crisis, Renewal, Rebuilding, Suffering, and Success--and in so doing, addresses men's deep longing for direction and purpose. With candor and passion, he speaks to issues every man must face. He illustrates them with true, modern-life stories. And he presents meaty questions for men to chew on and decisions for them to act on. This penetrating, richly encouraging book will help men turn from empty pursuits to the joy, passion, and eternal satisfaction of manhood's highest purpose. This book was previously titled *The Seven Seasons of a Man's Life*.

Wake Up, Color Pup ,2019-03-12 A beautiful picture book about a little pup's colorful journey through the range of his emotions! A bright yellow bird promises to bring adventure to sleepy Pup's gray world. As Pup follows his new friend on a walk, each discovery ignites a new feeling and corresponding color, until Pup is saturated with them. But when a storm comes, Pup's color is drained as fear sweeps through him. Only his curious yellow friend remains bright, and encourages him to keep his chin up, play, and carry on! This is a remarkably simple and resonant examination of exploration and resilience, and introduces the idea of abstract association.

I'll Never Write My Memoirs Grace Jones,Paul Morley,2016-06-14 Iconic music and film legend Grace Jones gives an in-depth account of her stellar career, professional and personal life, and the signature look that catapulted her into the stardom stratosphere. Grace Jones, a veritable "triple-threat" as acclaimed actress, singer, and model, has dominated the

entertainment industry since her emergence as a model in New York City in 1968. Quickly discovered for her obvious talent and cutting-edge style, Grace signed her first record deal in 1977 and became one of the more unforgettable characters to emerge from the Studio 54 disco scene, releasing the all-time favorite hits, “Pull Up to the Bumper,” “Slave to the Rhythm,” and “I’m Not Perfect (But I’m Perfect for You).” And with her sexually charged, outrageous live shows in the New York City nightclub circuit, Grace soon earned the title of “Queen of the Gay Discos.” But with the dawn of the ’80s came a massive anti-disco movement across the US, leading Grace to focus on experimental-based work and put her two-and-a-half-octave voice to good use. It was also around this time that she changed her look to suit the times with a detached, androgynous image. In this first-ever memoir, Grace gives an exclusive look into the transformation to her signature style and discusses how she expanded her musical triumph to success in the acting world, beginning in the 1984 fantasy-action film Conan the Destroyer alongside Arnold Schwarzenegger, then the James Bond movie A View to a Kill, and later in Eddie Murphy’s Boomerang. Featuring sixteen pages of stunning full-color photographs, Miss Grace Jones takes us on a journey from Grace’s religious upbringing in Jamaica to her heyday in Paris and New York in the ’70s and ’80s, all the way to present-day London, in what promises to be a no holds barred tell-all for the ages.

The Last Blue Isla Morley, 2020-05-05 In this luminous narrative inspired by the fascinating real case of “the Blue People of Kentucky,” Isla Morley probes questions of identity, love, and family in her breathtaking new novel. In 1937, there are recesses in Appalachia no outsiders have ever explored. Two government-sponsored documentarians from Cincinnati, Ohio—a writer and photographer—are dispatched to penetrate this wilderness and record what they find for President Roosevelt’s Works Progress Administration. For photographer Clay Havens, the assignment is his last chance to reboot his flagging career. So when he and his journalist partner are warned away from the remote Spooklight Holler outside of town, they set off eagerly in search of a headline story. What they see will haunt Clay into his old age: Jubilee Buford, a woman whose skin is a shocking and unmistakable shade of blue. From this happenstance meeting between a woman isolated from society and persecuted her whole life, and a man accustomed to keeping himself at lens distance from others, comes a mesmerizing story in which the dark shades of betrayal, prejudice, fear, and guilt, are refracted along with the incandescent hues of passion and courage. Panning across the rich rural aesthetic of eastern Kentucky, *The Last Blue* is a captivating love story and an intimate portrait of what it is like to be truly one of a kind.

The Age of Bowie Paul Morley,2017-01-03 Respected arts commentator and author Paul Morley, an artistic advisor to the curators of the highly successful retrospective exhibition 'David Bowie Is...' for the Victoria & Albert Museum in London, constructs a definitive story of Bowie that explores how he worked, played, aged, structured his ideas, influenced others, invented the future, and entered history as someone who could and would never be forgotten. Morley captures the greatest moments from across Bowie's life and career; how young Davie Jones of South London became the international David Bowie; his pioneering collaborations in the recording studio with the likes of Tony Visconti, Mick Ronson, and Brian Eno; to iconic live, film, theatre, and television performances from the 1970s, 80s, and 90s, as well as the various encounters and artistic relationships he developed with musicians from John Lennon, Lou Reed, and Iggy Pop to Trent Reznor and Arcade Fire. And of course, discusses in detail his much-heralded and critically acclaimed finale with the release of *Blackstar* just days before his shocking death in New York.
