Piano Lessons Anna Goldsworthy.2023-08-01 The award-winning, much-loved memoir of renowned author and musician Anna Goldsworthy about her first steps towards a life in music. In this remarkable story, Anna Goldsworthy recalls her journey from childhood piano lessons with a local jazz muso to a successful career as a concert pianist. As she discovers passion and ambition, and confronts doubt and disappointment, she learns about much more than technique. Piano Lessons captures the hopes and uncertainties of youth, the fear and exhilaration of performing, and the complex bonds between teacher and student. An unforgettable cast of characters joins her: her family; her friends and rivals; and her teacher, Mrs Sivan, who inspires and challenges her in equal measure, and who transforms what seems an impossible dream into something real and sustaining. This is a story of the getting of wisdom, tender and bittersweet. 'I loved this book. Anna Goldsworthy's memoir left me awed, inspired and humbled.' --Alice Pung 'Marvellous. Enlightenment and joy on every page' --Helen Garner 'An expertly spun narrative, told with wry, self-effacing charm, elegant economy and the genuine love of a student for her teacher' The Australian 'A brilliant memoir ... Goldsworthy is a fine writer.' Wildboy: To the Edge and Back Brando Yelavich.2017-08-14 Brando 'Wildboy' Yelavich stunned us all when he circumnavigated the entire coast of New Zealand completely on foot over 600 days. But he left out the hardest bit - Stewart Island. Over 31 days, Brando took on one of the hardest and most unforgiving parts of our wild country. And this time,

completely solo. Experiencing epic highs, the lows hit Brando just as hard. A notebook he carried along the way charts the brutality of the island's landscape. Caught in a biting wind, with hail and snow swirling around, one entry begins: 'Just in case this is the last thing I ever write, I want everybody to know how much I love them. This is my last hurrah - I enjoyed it all so much.' To the Edge and Back is an exhilarating, nail-biting account of the Brando's solo exploration of the Deep South. An adventure tale of grit and determination, practical survival guide and inspirational story about chasing your dreams, it's the perfect read for any armchair adrenalin junky.

Wildboy Brando Yelavich.2015-06-24 The full story of Brando 'Wildboy' Yelavich's whirlwind tour of the coastline of New Zealand: 8000km almost entirely on foot. Extreme adventure, near misses, good sorts, and one beautiful country - Wildboy has it all! Fast going off the rails and hanging out with the wrong crowd, Brando Yelavich, a plucky 20-year-old from Auckland's North Shore, decided he needed to change his life. He needed a mission. He was going to walk around New Zealand. Brando reached Cape Reinga on 23 August 2014 after a gruelling journey of over 8000 kilometres, traversed almost completely on foot over 600 days - the first time it had ever been done. It was an outlandish odyssey of physical and mental fortitude. He slept under the stars and lived off the land. He almost drowned on several occasions and experienced near-hypothermia. He gained 20 kilograms. But the transformation ran much deeper. As much for fans of Bear Grylls or Cheryl Strayed's Wild as it is for those of the off-the-grid outdoors Kiwi experience, Wildboy is a ripping adventure story with an inspiring life change at its heart.
