

Empires Of The Atlantic World Britain And Spain I

John Huxtable Elliott

Empires of the Atlantic World J. H. Elliott, 2006-01-01 This epic history compares the empires built by Spain and Britain in the Americas, from Columbus's arrival in the New World to the end of Spanish colonial rule in the early nineteenth century. J. H. Elliott, one of the most distinguished and versatile historians working today, offers us history on a grand scale, contrasting the worlds built by Britain and by Spain on the ruins of the civilizations they encountered and destroyed in North and South America. Elliott identifies and explains both the similarities and differences in the two empires' processes of colonization, the character of their colonial societies, their distinctive styles of imperial government, and the independence movements mounted against them. Based on wide reading in the history of the two great Atlantic civilizations, the book sets the Spanish and British colonial empires in the context of their own times and offers us insights into aspects of this dual history that still influence the Americas.

The Spanish Atlantic World in the Eighteenth Century Allan J. Kuethe, Kenneth J. Andrien, 2014-05-12 This book covers the evolution of royal policy in Spanish America as eighteenth-century Spain modernized its empire and transformed itself into a power of the first order. Tracing the interplay between war and reform, the analysis confronts the diverse realities of the Spanish Atlantic world, which stretched from the northern Mexican borderlands to Argentina and Chile. Unlike earlier studies on eighteenth-century Spain, this work incorporates the early Bourbon experience into the narrative and integrates the impressive reemergence of the Royal Armada into a fuller picture of administrative, commercial, fiscal, ecclesiastical, and military change.

Spain and Its World, 1500-1700 John Huxtable Elliott, 1989-01-01 It used to be said that the sun never set on the empire of the King of Spain. It was therefore appropriate that Emperor Charles V should have commissioned from Battista Agnese in 1543 a world map as a birthday present for his sixteen-year-old son, the future Philip II. This was the world as Charles V and his successors of the House of Austria knew it, a world crossed by the golden path of the treasure fleets that linked Spain to the riches of the Indies. It is this world, with Spain at its center, that forms the subject of this book. J.H. Elliott, the pre-eminent historian of early modern Spain and its world, originally published these essays in a variety of books and journals. They have here been grouped into four sections, each with an introduction outlining the circumstances in which they were written and offering additional reflections. The first section, on the American world, explores the links between Spain and its

American possessions. The second section, *The European World*, extends beyond the Castilian center of the Iberian peninsula and its Catalan periphery to embrace sixteenth- and seventeenth-century Europe as a whole. In *The World of the Court*, the author looks at the character of the court of the Spanish Habsburgs and the perennially uneasy relationship between the world of political power and the world of arts and letters. The final section is devoted to the great historical question of the decline of Spain, a question that continues to resonate in the Anglo-American world of today.

Entangled Empires Jorge Cañizares-Esguerra, 2018-03-15 The Anglo-Iberian Atlantic as a hemispheric system? : English merchants navigating the Iberian Atlantic / Mark Sheaves -- Agents of empire : Africans and the origins of English colonialism in the Americas / Michael Guasco -- Empires on drugs : pharmaceutical go-betweens and the Anglo-Portuguese alliance / Benjamin Breen -- Marrying utopia : Mary and Philip, Richard Eden, and the English alchemy of Spanish Peru / Christopher Heaney -- The pegs of a wider frame : Jewish merchants in Anglo-Iberian trade / Holly Snyder -- Entangled Irishman : George Dawson Flinter and Anglo-Spanish imperial rivalry / Christopher Schmidt-Nowara -- Planters and powerbrokers : George J.F. Clarke, Interracial Love, and allegiance in the revolutionary circum-Caribbean / Cameron B. Strang -- The Iberian justifications of territorial possession by pilgrims and Puritans in the colonization of America / Jorge Cañizares-Esguerra -- As the Spaniards have always done : the legacy of Florida's missions for Carolina Indian relations and the origins of the Yamasee War / Bradley Dixon -- Reluctant petitioners : English officials and the Spanish Caribbean / April Hatfield -- Enabling, implementing, experiencing entanglement : empires, sailors, and coastal peoples in the British-Spanish Caribbean / Ernesto Bassi -- The Seven Years' War and the globalization of Anglo-Iberian imperial entanglement : the view from Manila / Kristie Flannery

Slavery and Antislavery in Spain's Atlantic Empire Josep M. Fradera, Christopher Schmidt-Nowara, 2013-06-01 African slavery was pervasive in Spain's Atlantic empire yet remained in the margins of the imperial economy until the end of the eighteenth century when the plantation revolution in the Caribbean colonies put the slave traffic and the plantation at the center of colonial exploitation and conflict. The international group of scholars brought together in this volume explain Spain's role as a colonial pioneer in the Atlantic world and its latecomer status as a slave-trading, plantation-based empire. These contributors map the broad contours and transformations of slave-trafficking, the plantation, and antislavery in the Hispanic Atlantic while also delving into specific topics that include: the institutional and economic foundations of colonial slavery; the law and religion; the influences of the Haitian Revolution and British abolitionism; antislavery and proslavery movements in Spain; race and citizenship; and the business of the illegal slave trade.

Britain's Oceanic Empire H. V. Bowen, Elizabeth Mancke, John G. Reid, 2012-05-31 A comparative study of how the British managed the expansion of empire in the Atlantic and Indian Ocean.

A Concise History of Spain William D. Phillips, Jr, Carla Rahn Phillips, 2010-07 Engaging history of the rich cultural, social

and political life of Spain from prehistoric times to the present.

Protestant Empire Carla Gardina Pestana, 2011-06 The imperial expansion of Europe across the globe was one of the most significant events to shape the modern world. Among the many effects of this cataclysmic movement of people and institutions was the intermixture of cultures in the colonies that Europeans created. *Protestant Empire* is the first comprehensive survey of the dramatic clash of peoples and beliefs that emerged in the diverse religious world of the British Atlantic, including England, Scotland, Ireland, parts of North and South America, the Caribbean, and Africa. Beginning with the role religion played in the lives of believers in West Africa, eastern North America, and western Europe around 1500, Carla Gardina Pestana shows how the Protestant Reformation helped to fuel colonial expansion as bitter rivalries prompted a fierce competition for souls. The English—who were latecomers to the contest for colonies in the Atlantic—joined the competition well armed with a newly formulated and heartfelt anti-Catholicism. Despite officially promoting religious homogeneity, the English found it impossible to prevent the conflicts in their homeland from infecting their new colonies. Diversity came early and grew inexorably, as English, Scottish, and Irish Catholics and Protestants confronted one another as well as Native Americans, West Africans, and an increasing variety of other Europeans. Pestana tells an original and compelling story of their interactions as they clung to their old faiths, learned of unfamiliar religions, and forged new ones. In an account that ranges widely through the Atlantic basin and across centuries, this book reveals the creation of a complicated, contested, and closely intertwined world of believers of many traditions.

Imperial Spain 1469-1716 J. H. Elliott, 1963

Spain, Europe, and the Atlantic World Richard L. Kagan, Geoffrey Parker, 1995 Essays on early modern Europe and America published as a tribute to Professor Sir John Elliott.

Rethinking Atlantic Empire Scott Eastman, Stephen Jacobson, 2021-06-11 In recent years, the historiography of nineteenth-century Spain and Latin America has been invigorated by interdisciplinary engagement with scholars working on topics such as empire, slavery, abolition, race, identity, and captivity. No scholar better exemplified these developments than Christopher Schmidt-Nowara, a specialist on Spain and its Caribbean colonies in Cuba and Puerto Rico. A brilliant career was cut short in 2015 when he died at the age of 48. *Rethinking Atlantic Empire* takes Schmidt-Nowara's work as a point of departure, charting scholarly paths that move past reductive national narratives and embrace transnational approaches to the entangled empires of the Atlantic world.

Iberian Atlantic World, 1600-1800: Oxford Bibliographies Online Research Guide Jane Landers, 2010-06 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the

ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. This ebook is just one of many articles from Oxford Bibliographies Online: Atlantic History, a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History, the study of the transnational interconnections between Europe, North America, South America, and Africa, particularly in the early modern and colonial period. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit www.oxfordbibliographies.com.

History in the Making J. H. Elliott, 2012-09-14 From the vantage point of nearly sixty years devoted to research and the writing of history, J. H. Elliott steps back from his work to consider the progress of historical scholarship. From his own experiences as a historian of Spain, Europe, and the Americas, he provides a deft and sharp analysis of the work that historians do and how the field has changed since the 1950s. The author begins by explaining the roots of his interest in Spain and its past, then analyzes the challenges of writing the history of a country other than one's own. In succeeding chapters he offers acute observations on such topics as the history of national and imperial decline, political history, biography, and art and cultural history. Elliott concludes with an assessment of changes in the approach to history over the past half-century, including the impact of digital technology, and argues that a comprehensive vision of the past remains essential. Professional historians, students of history, and those who read history for pleasure will find in Elliott's delightful book a new appreciation of what goes into the shaping of historical works and how those works in turn can shape the world of thought and action.

Global Goods and the Spanish Empire, 1492-1824 B. Aram, B. Yun-Casalilla, 2014-11-18 Drawing upon economic history, cultural studies, intellectual history and the history of science and medicine, this collection of case studies examines the transatlantic transfer and transformation of goods and ideas, with particular emphasis on their reception in Europe.

Spain, Europe and the Wider World, 1500-1800 John Huxtable Elliott, 2009-06-29 When J. H. Elliott published *Spain and Its World, 1500-1700* some twenty years ago, one of many enthusiasts declared, "For anyone interested in the history of empire, of Europe and of Spain, here is a book to keep within reach, to read, to study and to enjoy" (*Times Literary Supplement*). Since then Elliott has continued to explore the history of Spain and the Hispanic world with originality and insight, producing some of the most influential work in the field. In this new volume he gathers writings that reflect his recent research and thinking on politics, art, culture, and ideas in Europe and the colonial worlds between 1500 and 1800. The volume includes fourteen essays, lectures, and articles of remarkable breadth and freshness, written with Elliott's characteristic brio. It includes an unpublished lecture in honor of the late Hugh Trevor-Roper. Organized around three themes—early modern Europe, European overseas expansion, and the works and historical context of El Greco, Velázquez, Rubens, and Van Dyck—the book offers a rich survey of the themes at the heart of Elliott's interests throughout a career

distinguished by excellence and innovation.

The Temptations of Trade Adrian Finucane,2016-03-08 The British and the Spanish had long been in conflict, often clashing over politics, trade, and religion. But in the early decades of the eighteenth century, these empires signed an asiento agreement granting the British South Sea Company a monopoly on the slave trade in the Spanish Atlantic, opening up a world of uneasy collaboration. British agents of the Company moved to cities in the Caribbean and West Indies, where they braved the unforgiving tropical climate and hostile religious environment in order to trade slaves, manufactured goods, and contraband with Spanish colonists. In the process, British merchants developed relationships with the Spanish—both professional and, at times, personal. *The Temptations of Trade* traces the development of these complicated relationships in the context of the centuries-long imperial rivalry between Spain and Britain. Many British Merchants, in developing personal ties to the Spanish, were able to collect potentially damaging information about Spanish imperial trade, military defenses, and internal conflict. British agents juggled personal friendships with national affiliation—and, at the same time, developed a network of illicit trade, contraband, and piracy extending beyond the legal reach of the British South Sea Company and often at the Company's direct expense. Ultimately, the very smuggling through which these empires unwittingly supported each other led to the resumption of Anglo-Spanish conflict, as both empires cracked down on the actions of traders within the colonies. *The Temptations of Trade* reveals the difficulties of colonizing regions far from strict imperial control, where the actions of individuals could both connect empires and drive them to war.

The Oxford Handbook of the Atlantic World Nicholas Canny,Philip Morgan,2011-03-24 Thirty-seven essays providing a comprehensive overview, covering the most essential aspects of Atlantic history from c.1450 to c.1850, offering a wide-ranging and authoritative account of the movement of people, plants, pathogens, products, and cultural practices—to mention some of the key agents—around and within the Atlantic basin.

The Imperial Nation Josep M. Fradera,2021-06-08 How the legacy of monarchical empires shaped Britain, France, Spain, and the United States as they became liberal entities Historians view the late eighteenth and early nineteenth centuries as a turning point when imperial monarchies collapsed and modern nations emerged. Treating this pivotal moment as a bridge rather than a break, *The Imperial Nation* offers a sweeping examination of four of these modern powers—Great Britain, France, Spain, and the United States—and asks how, after the great revolutionary cycle in Europe and America, the history of monarchical empires shaped these new nations. Josep Fradera explores this transition, paying particular attention to the relations between imperial centers and their sovereign territories and the constant and changing distinctions placed between citizens and subjects. Fradera argues that the essential struggle that lasted from the Seven Years' War to the twentieth century was over the governance of dispersed and varied peoples: each empire tried to ensure domination through subordinate representation or by denying any representation at all. The most common approach echoed Napoleon's "special

laws," which allowed France to reinstate slavery in its Caribbean possessions. The Spanish and Portuguese constitutions adopted "specialness" in the 1830s; the United States used comparable guidelines to distinguish between states, territories, and Indian reservations; and the British similarly ruled their dominions and colonies. In all these empires, the mix of indigenous peoples, European-origin populations, slaves and indentured workers, immigrants, and unassimilated social groups led to unequal and hierarchical political relations. Fradera considers not only political and constitutional transformations but also their social underpinnings. Presenting a fresh perspective on the ways in which nations descended and evolved from and throughout empires, *The Imperial Nation* highlights the ramifications of this entangled history for the subjects who lived in its shadows.

The Atlantic World in the Age of Empire Thomas Benjamin, Timothy D. Hall, David Rutherford, 2001 This secondary source reader centers around the age of exploration and its resulting encounters between cultures, particularly around the Atlantic Ocean. It examines the varying historical viewpoints on the extent of European domination in the Atlantic World and includes chapter introductions, essay introductions, timelines, and an annotated bibliography.

The British Atlantic World, 1500-1800 David Armitage, Michael Braddick, 2009-01-15 This core textbook gathers an international team of historians to present a comprehensive account of the central themes in the histories of Britain, British America, and the British Caribbean seen in Atlantic perspective. This collection of individual essays provides an accessible overview of essential themes, such as the state, empire, migration, the economy, religion, race, class, gender, politics, and slavery. This new and revised edition brings this text up to date with recent work in the field of Atlantic history and extends its scope to cover themes not treated in the first edition, notably the history of science and global history. Placing the British Atlantic world in imperial and global contexts, this book offers an indispensable survey of one of the liveliest fields of current historical enquiry. This text is a primary resource for both undergraduate and postgraduate students of History, particularly those taking modules on Early Modern British History, Colonial American History, Early American History, Caribbean History, Atlantic History and World History. Together, the essays also provide a useful starting point for researchers in British, American, imperial and Atlantic history. New to this Edition: - Updated and expanded to take account of new research - Two new essays treating 'Science' and 'The British Atlantic World in Global Perspective' - Timeline of British Atlantic history - A revised Introduction and updated guides to further reading

Empires Of The Atlantic World Britain And Spain I Introduction

Empires Of The Atlantic World Britain And Spain I Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Empires Of The Atlantic World Britain And Spain I

Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Empires Of The Atlantic World Britain And Spain I : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Empires Of The Atlantic World Britain And Spain I : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Empires Of The Atlantic World Britain And Spain I Offers a diverse range of free eBooks across various genres. Empires Of The Atlantic World Britain And Spain I Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Empires Of The Atlantic World Britain And Spain I Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific

Empires Of The Atlantic World Britain And Spain I, especially related to Empires Of The Atlantic World Britain And Spain I, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Empires Of The Atlantic World Britain And Spain I, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Empires Of The Atlantic World Britain And Spain I books or magazines might include. Look for these in online stores or libraries. Remember that while Empires Of The Atlantic World Britain And Spain I, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Empires Of The Atlantic World Britain And Spain I eBooks for free, including popular

titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Empires Of The Atlantic World Britain And Spain I full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Empires Of The Atlantic World Britain And Spain I eBooks, including some popular titles.

FAQs About Empires Of The Atlantic World Britain And Spain I Books

1. Where can I buy Empires Of The Atlantic World Britain And Spain I books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent

local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Empires Of The Atlantic World Britain And Spain I book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Empires Of The Atlantic World Britain And Spain I books? Storage: Keep them away from direct sunlight

- and in a dry environment.
Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Empires Of The Atlantic World Britain And Spain I audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or

- multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Empires Of The Atlantic World Britain And Spain I books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
