**Arthur Honegger** Harry Halbreich,1999 Arthur Honegger (1892--1955), Swiss by nationality, French by education and residence, was a major composer of the 20th century. Although he earned popular acclaim early in his career, in his later years his consistently tonal musical language was considered outmoded. His most significant works include five symphonies, a large body of chamber music, and several large-scale oratorios that combine choral and instrumental writing with declaimed narrative in a uniquely effective way. **The Trumpet** John Wallace,Alexander McGrattan,2012-01-31 In the first major book devoted to the trumpet in more than two decades, John Wallace and Alexander McGrattan trace the surprising evolution and colorful performance history of one of the world's oldest instruments. They chart the introduction of the trumpet and its family into art music, and its rise to prominence as a solo instrument, from the Baroque golden age, through the advent of valved brass instruments in the nineteenth century, and the trumpet's renaissance in the jazz age. The authors offer abundant insights into the trumpet's repertoire, with detailed analyses of works by Haydn, Handel, and Bach, and fresh material on the importance of jazz and influential jazz trumpeters for the reemergence of the trumpet as a solo instrument in classical music today. Wallace and McGrattan draw on deep research, lifetimes of experience in performing and teaching the trumpet in its various forms, and numerous interviews to illuminate the trumpet's history, music, and players. Copiously illustrated with photographs, facsimiles, and music examples throughout, *The Trumpet* will enlighten and fascinate all performers and enthusiasts [Publisher description].

*From Farmboy to Fanfares* James May,2017-01-04 The author relates how the Lord took him on a career path from a farm kid in Pennsylvania to an army colonel. At critical junctures, the author sought divine guidance and found that the Lord did exceedingly abundantly above all he could ask or think. A unique panoply of pathsmusic, military, ministry, and marriagecome together in ways that only God could design. At the conclusion of thirty-five years of military service, the author finds unspeakable joy in reflecting on the goodness and guidance of the Lord.
