## Christophe Pourny

*The Furniture Bible* Christophe Pourny, 2014-11-04 Christophe Pourny learned the art of furniture restoration in his father's atelier in the South of France. In this, his first book, he teaches readers everything they need to know about the provenance and history of furniture, as well as how to restore, update, and care for their furniture—from antiques to midcentury pieces, family heirlooms or funky flea-market finds. The heart of the book is an overview of Pourny's favorite techniques—ceruse, vernis anglais, and water gilding, among many others—with full-color step-by-step photographs to ensure that readers can easily replicate each refinishing technique at home. Pourny brings these techniques to life with a chapter devoted to real-world refinishing projects, from a veneered table to an ebonized desk, a gilt frame to a painted northern European hutch. Rounding out this comprehensive guide is care and maintenance information, including how to properly clean leather, polish hardware, fix a broken leg, and replace felt pads, as well as recipes to make your own wax, shellac, varnish, stain, and more.

*The Upholstery Bible* Cherry Dobson, 2020-10-30 A complete course in upholstering furniture, including tooling up, selecting stuffings and outer textiles, techniques, and cutting plans. Build your skills at your own pace, with advice on the basics such as choosing materials and tools for the job and estimating yardage, as well as more complex upholstering techniques. The Upholstery Bible features invaluable advice on what to look for when buying second hand furniture, teaching you what's fixable and what's not as well as how to avoid costly mistakes by choosing the right stitches, and techniques and textiles for the job. "Dobson breaks up the technical stuff with a more inspiring approach . . . If you're starting out, I'd say this would be a brilliant resource to have . . . offers plenty of answers to the most common gotchas." —Vintique Upholstery

Butler and Johnson have included some important information for the novice and the experienced collector: the sources of furniture used as models for the illustrations; lists of museums, art galleries, and special displays of outstanding collections of furniture; a selected bibliography and a glossary; the anatomy of a piece of furniture; and a brief history of the periods of furniture and furniture makers. It augments the study of art and architectural history by discussing the function and aesthetic purpose of furniture, pottery, glassware, lighting, textiles, mirrors, metalworking, clocks, and wallcoverings; as well as their integration into interior design. The author presents crucial contextual information on political and social events and the technological advances that influenced each period's design trends, and compares objects from different periods, demonstrating how ideas and concepts progress through their stylistic development. *Held* Abbey Wedgeworth, 2020-09-01 Using Psalm 139, Abbey Wedgeworth walks alongside women suffering the heartbreak of miscarriage. Having experienced the sorrow of miscarriage herself, she acknowledges the isolation commonly felt and the impact that such an experience can have on faith. The 31 biblical reflections in this beautiful and comforting book remind grieving women that God sees them, knows them, loves them, and is actively caring for them. These precious verses will show women that God can bring comfort, assurance, protection, and purpose in the very sorrow that they are experiencing. Includes personal stories of pregnancy loss from others, including Courtney Reissig, Kristie Anyabwile, and Eric Schumacher encouraging sufferers that they are not alone. *M Is for Mama* Abbie Halberstadt,2022-02-01 Mama of ten Abbie Halberstadt helps women humbly and gracefully rise to the high calling of motherhood without settling for mediocrity or losing their minds in the process. Motherhood is a challenge. Unfortunately, our worldly culture offers moms little in the way of real help. Mamas only connect to celebrate surviving another day and to share in their misery rather than rejoice in what God has done and to build each other up in hard times. There has to be a better way, a biblical way, for mamas to grow and thrive. As a daughter of Christ, you have been called to be more than an average mama. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. M is for Mama offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mama, you are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it.

All readers-not just entrepreneurs-will benefit from Jakes' insightful advice so that they can use the days God has blessed them with wisely and finish each day strong!
