How to Bowl Faster Paul Hoffmann, 2020-10-16 Fast bowling is a cricketing skill that now, more than ever, requires a mix of brains and brawn. Twenty20 cricket has resulted in fast bowlers being cannon-fodder for many batsmen. Batsmen are now dominating and are becoming more inventive, as cricket evolves into a game where high scores are the norm and bowlers are almost anonymous. Bigger bats, smaller grounds, flatter pitches and fielding restrictions all point towards one thing: runs. But, it's time for the fast bowler to fight back. In How to Bowl Faster...and take more wickets former international cricketer Paul Hoffmann provides a thorough guide to bowling that will help speedsters of all ages take back control. Hoffmann looks in depth at how bowlers can add pace, pinpointing specific physical drills and activities to help achieve this. He also goes into great detail about the technical side of the skill, such as the run-up, delivery, grip, field placements and tactics. This book of nearly 50 chapters is a fresh take on an old, proud and prestigious sporting art, with input from coaches such as Trent Woodhill, as well as advice from current and former international cricketing stars such as: Dougie Brown, Bob Cottam, Gavin Hamilton, Ed Cowan, John Blain, Yasir Arafat, Kyle Coetzer, Calum MacLeod, Sikandar

Raza, Shane Burger and George Munsey. Hoffmann also recounts hilarious anecdotes from his time on and off the cricket pitch, and tells the real story behind his infamous 2007 shoulder barge.

Bowling 200+ Mike Aulby, Dave Ferraro, Dan Herbst, 1989 On cover: Winning strategies to up your average and improve your game. Gives tips and advice for analyzing and correcting common bowling mistakes.

Blessed Kate Bowler, 2013-05-08 How have millions of American Christians come to measure spiritual progress in terms of their financial status and physical well-being? How has the movement variously called Word of Faith, Health and Wealth, Name It and Claim It, or simply prosperity gospel come to dominate much of our contemporary religious landscape? Kate Bowler's *Blessed* is the first book to fully explore the origins, unifying themes, and major figures of a burgeoning movement that now claims millions of followers in America. Bowler traces the roots of the prosperity gospel: from the touring mesmerists, metaphysical sages, pentecostal healers, business oracles, and princely prophets of the early 20th century; through mid-century positive thinkers like Norman Vincent Peale and revivalists like Oral Roberts and Kenneth Hagin; to today's hugely successful prosperity preachers. Bowler focuses on such contemporary figures as Creflo Dollar, pastor of Atlanta's 30,000-member World Changers Church International; Joel Osteen, known as the smiling preacher, with a weekly audience of seven million; T. D. Jakes, named by Time magazine one of America's most influential new religious leaders; Joyce Meyer, evangelist and women's empowerment guru; and many others. At almost any moment, day or night, the American public can tune in to these preachers-on TV, radio, podcasts, and in their megachurches-to hear the message that God desires to bless them with wealth and health. Bowler offers an interpretive framework for scholars and general readers alike to understand the diverse expressions of Christian abundance as a cohesive movement bound by shared understandings and common goals.

Everything Happens for a Reason Kate Bowler, 2018-02-06 NEW YORK TIMES BESTSELLER • “A meditation on sense-making when there’s no sense to be made, on letting go when we can’t hold on, and on being unafraid even when we’re terrified.”—Lucy Kalanithi “Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi’s *When Breath Becomes Air* and Atul Gawande’s *Being Mortal*.”—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God’s disapproval. At thirty-five, everything in her life seems to point toward “blessing.” She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with “a surge of determination.” Even as this type of Christianity celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure.

Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. Everything Happens for a Reason tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for Everything Happens for a Reason “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of Love Warrior and president of Together Rising

Why Christianity Must Change or Die John Shelby Spong, 2009-10-13 An important and respected voice for liberal American Christianity for the past twenty years, Bishop John Shelby Spong integrates his often controversial stands on the Bible, Jesus, theism, and morality into an intelligible creed that speaks to today's thinking Christian. In this compelling and heartfelt book, he sounds a rousing call for a Christianity based on critical thought rather than blind faith, on love rather than judgment, and that focuses on life more than religion.

Why I Trust the Bible William D. Mounce, 2021-09-14 A Clear Guide to Help Readers Understand Why They Can Trust the Bible We are often told we can no longer assume that the Bible is trustworthy. From social media memes to popular scholarship, so many attacks have been launched on the believability of Scripture that many have serious questions about the Bible, such as: Did Jesus actually live? Did the biblical writers invent their message? How can we trust the gospels since they were written so long after Jesus lived? How can we believe a Bible that is full of internal contradictions with itself and external contradictions with science? Aren't the biblical manuscripts we have just copies of copies that are so corrupted they don't represent what the original authors wrote? Why should we believe the books that are in the Bible, since many good ones were left out, like the Gospel of Thomas? Why trust the Bible when there are so many contradictory translations of it? If you find yourself unable to answer questions such as these, but wanting to, Why I Trust the Bible by eminent Bible scholar and translator William Mounce is for you. These questions and more are discussed and answered in a reasoned, definitive, and winsome way. The truth is that the Bible is better attested and more defensible today than it ever has been. Questions about the Bible are perhaps the most significant challenge confronting Christian faith today, but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the Bible.

God's Fast Bowler (eBook) Peter Pollock, 2001-08-13 GOD'S FAST BOWLER is an autobiography written by Peter Pollock, former South African fast bowler and convener of the national selection committee. The story starts in the early 1960s and covers four decades of South African cricket. GOD'S FAST BOWLER is a story that simply tells itself through South Africa's greatest cricketing family. But it is far more than just a cricket narrative. It is a story that speaks deeply on the issues of life itself. It is the story of a fast bowler of God: simple and true. From the very first test, when elder statesman Peter took nine wickets to ensure a thrilling win, the Pollock dynasty has massively impacted South African cricket. Read their story!

Half Truths Adam Hamilton, 2016-04-04 They are simple phrases. They sound Christian—like something you might find in the Bible. We've all heard these words. Maybe we've said them. They capture some element of truth, yet they miss the point in important ways. Join Adam Hamilton in this 5-week Bible study to search for the whole truth by comparing common

Christian clichés with the wisdom found in Scripture. The clichés include: Everything happens for a reason. God helps those who help themselves. God won't give you more than you can handle. God said it, I believe it, that settles it. Love the sinner, hate the sin.

The Life of Jesus Henrietta C. Mears, 2011-07-29 With Dr. Mears as teacher and mentor, readers will study the four accounts of Jesus Christ's life and ministry: the books of Matthew, Mark, Luke and John. They will gain a big-picture understanding of key events—Jesus' miraculous birth, His ministry, His teachings, and His crucifixion and resurrection—yet also see how each Gospel evangelist chose to emphasize particular themes for his reading audience. Twelve sessions of study give readers an opportunity to examine Jesus' life in depth, whether on their own or with a group, and discussion/reflection questions invite groups or individuals to go even deeper.
