Kristie Cook

A Demon's Promise Kristie Cook, 2015 First book in the New Adult paranormal Soul Savers Series. College freshman Alexis Ames wants nothing more than to tuck away her freak flag and pretend it doesn't exist. Career, family, and true love. That's the normal future she yearns for. But when she falls for classmate Tristan Knight, everything changes. Behind his disguise of perfection, he's not exactly normal, either, and their secrets begin to unravel. She's the future leader of a matriarchal society that serves as the Angels' army on Earth, and he was created by the very Demons they fight. Legend says their souls were made for each other, but that doesn't mean love comes easily. While Tristan battles the darkness bred into him so he can be with her, she must conquer her own inner demons of past betrayals and learn to trust again. If their relationship can survive, their union will bring hope and promise to the world. But Hell's minions want the couple for themselves and will stop at nothing to have them. After all, Alexis and Tristan are a match made in Heaven-and in Hell. -- Back cover.

Purpose Kristie Cook, 2011-08 When Alexis Ames is attacked by creatures that can't be real, she decides it's time she learns who she really is, with or without the help of her mother, who guards their family's secrets closely. After meeting the inhumanly attractive, multi-talented Tristan Knight, however, Alexis retreats behind her facade of normalcy .. until she discovers he's not exactly normal either. Then their secrets begin to unravel. Their union brings hope and promise to her family's secret society, the Angels' army, and to the future of mankind. But it also incites a dangerous pursuit by the enemy - Satan's minions and Tristan's creators. After all, Alexis and Tristan are a match made in Heaven and in Hell.

Devotion Kristie Cook, 2012-01-31 With powerful abilities gained from the Ang'dora and Tristan back by her side, Alexis thinks she's ready for the next challenge--protecting her son from what appears to be the inevitable. But she has so much to learn about her powers, her new world and the people in it. Nothing is what it seems to be on the surface, including the Amadis. Power-hungry politicians comprise the council and make impossible demands. A traitor lurks among them all, inciting trouble that could destroy the Amadis and, ultimately, humanity. The Daemoni wreak havoc in the human world, with the ultimatum that they'll continue attacking innocents until Alexis and Tristan are expelled from the Amadis' protection. The couple's own society begins to shut them out. But that's not all. Someone's keeping a secret. A big one. Faith and hope in Alexis and Tristan will be restored if she can uncover the truth in time. But the search for answers leads only to the discovery

of more betrayals by those closest to Alexis. Her devotion is put to the test--devotion to her husband, to her family, to her people and to her beliefs--leaving her to question whom she's fighting for and why she should even bother. But if she won't fight ... who will?--Page 4 of cover.

Knights of Souls and Shadows Kristie Cook,2021-06-17 Never make a deal with a fae, they say. But sometimes there's no choice, consequences be damned. As daughters of the Amadis royal family, my twin Brielle and I should have been helping our people rebuild civilization after the War of Armageddon. Instead, our mother does the unthinkable, possibly sparking a new war, and we're whisked away to another realm to hide us from our enemies. When we return home, we discover our parents are missing, our people have scattered, and every faction hunts the Knight twins. Some are obsessed with claiming our formidable power for themselves. Others simply want us dead. Still, I can't believe we're home for less than a day when I end up as Winter Court's prisoner in Faery. And it only gets worse from there. To protect my sister, I've made a deal with a fae that shatters any hopes for my own future. A dark prince ignites something in me that feels all wrong and oh, so right. And then there's the enchanting princess I ache for . . . yet can never have. Foes become allies, friends become traitors, and one truth emerges with clarity: war is imminent. My only hope to protect everyone I love is to harness the dark power within me--a force that can save worlds or annihilate us all. If I fail to control it, someone else will. But to master it, I must face my most daunting opponent yet--myself. **Knights of Souls and Shadows** is the spinoff series of the internationally best-selling, award-winning **Soul Savers** series with over one million books read. Growing Up Keto Kristie Sullivan,2020-11-10 Bestselling author Kristie Sullivan teamed up with her teenage kids, Grace and Jonathan, to deliver the ultimate keto family cookbook, **Growing Up Keto**. This inspiring book stems from Kristie's personal struggles with growing up obese and then finally finding the right nutritional path for herself and, eventually, her family. The keto lifestyle proved to be the right fit for Kristie, who experienced dramatic weight loss and optimized health. Above and beyond being a success story, Kristie is a busy working mom who is devoted to the health of her two children. When she saw her own daughter begin to struggle with weight just as she had as a child, Kristie committed to supporting her by providing delicious low-carb options, focusing on health instead of weight, and setting an example. With her mother's guidance, Grace made the choice to adopt a keto lifestyle herself, and later on, Jonathan did as well. After years of success, the Sullivan family brings you a first-of-its-kind cookbook dedicated to young adults, teens, kids, and--you guessed it--their

parents! Growing Up Keto combines the Sullivans' heartwarming family narrative with a practical, safe, and kid-friendly approach to adopting a low-carb, ketogenic lifestyle. The recipes featured in the book were created with the health needs and tastes of kids and teens in mind. Some are so simple that youngsters can take over in the kitchen with little or no help from Mom or Dad. There are also recipes for celebrations with extended family and friends and meals that parents and kids can cook together, making even simple weeknight dinners more fun. Kristie also includes useful tools and information for parents of kids who eat keto, such as tips and tricks for surviving sleepovers, camp, and other social activities that involve food as well as a guide to helping kids make independent and informed choices for a lifetime of healthy eating. Growing Up Keto is complete with breakfasts, including quick morning meals; lunches, including handy tips on packing for school and overnight trips; main dishes, including celebratory meals; and, of course, classic desserts that kids love. With plenty of options for a wide range of palates, Kristie, Grace, and Jonathan leave nothing out. Kids and adults alike will feel satisfied, happy, and healthy! Sample recipes include: Sheet Pan Blueberry Pancakes Three Amigos Dip Roasted Marinated Cheese Pizza Soup Sheet Pan Fajitas Marinated Beef Kabobs Cashew Chicken Double-Stuffed Chocolate Waffle Dessert Pumpkin Spice Roll and many more!

The Space Beyond Kristie Cook,2014-05-19 New Adult Paranormal Romance **** Mature Content **** Recommended for ages 16+ due to sexual situations and language This book includes realistic scenes of domestic violence that are not gratuitously graphic, but may be disturbing to sensitive readers. Hearts break. Souls shatter. Love lies in The Space Beyond. As members of the Phoenix, Jeric and Leni are thrust into their new lives, expected to lead Earth's Guardians. But Leni struggles with trusting her own soul, and Jeric is more concerned about keeping Leni safe than meeting others' demands. When Darkness swarms Lake Haven, they embark on their first mission with little preparation and no idea which soul the Dark hunts. Born and raised in Lake Haven, Bex hopes to escape her small-town life, ideally in the arms of her soul mate. She knows he exists, and her heart aches with the need to find him. When her long-lost mama calls to announce she's knockin' on death's door, Bex reluctantly makes the trip to see the uncaring bitch (bless her heart), only to be knocked off her feet by the sexy and charming Dr. Mason Hayes. Is he really The One? Leni's soul felt an instant connection to Bex, but if Bex found her soul mate, she isn't their mission. So who is, and why does Leni instinctively feel drawn to her? Can Leni even trust her intuition? And will Jeric step up and lead when the time comes or continue to hold them back? Wrath Kristie Cook,2013-08-15 Will a mother's wrath make her cross the line? I didn't want to cry. For once in my life, tears evaded me. Perhaps because I refused to grieve this loss, because it wasn't a loss in my eyes, in my heart. It was a call for war, yes. But not a loss. I wouldn't allow it. Besides, I was too mad to cry, even in my exhaustion, and anger would get me much further. As I curled my body around Sasha's, though, I realized the anger within me had changed. I no longer felt irrational and blinding fury that dulled all other emotions. But that was okay. I really didn't want to be Psycho Alexis. This, what I now felt in every cell of my body down to the core, was better. My anger had condensed and solidified into a cold, hard stone settling within me. Something I could control and hold onto for the long term to keep me going and focused on the goal. Wrath. That's what I felt. And there was nothing worse than the wrath of a pissed-off mother.

Age of Angels Part I: Awakened Kristie Cook,2021-02-19 The first and last thing I remember about my entire life happened two seconds ago, when I woke up in the middle of the forest with a group of strangers who claim to be family and friends. I have no idea who they are. In fact, I have no idea who I am.They say I'm their leader, which makes me laugh, then the scary but sexy one sweeps me in his arms and takes me back to their home against my will. I kick and scream the whole way, though I can't deny how nice his arms feel around me. He says he's my second-in-command and my husband, but wouldn't I remember this man who takes my breath away? And the fact that I have twin babies? I mean, come on. How could I forget that?The more I learn about all of the challenges these people are facing, the more I question what kind of leader this Alexis person-supposedly me-is. Nobody knows what happened to me, but in a world destroyed by war and black magic, we realize I've been cursed. While they scramble to find an antidote, we're attacked, and it quickly becomes apparent that if I don't regain my memories and my power fast, everyone will suffer. Not just these people I've been getting to know, but the whole world. Because I'm supposed to lead this new Age of Angels-which just might end before it's really begun.
