En Avant! Bruce Anderson (French teacher), Annabelle Dolidon, 2024 Teaching the French language has always inspired my research in literature and film and vice versa as it brings me closer to my native language and helps me understand its beautiful intricacies. Literature and cinema give French a context and a body-a life. I am convinced that En avant! succeeds in giving life to the French language by taking students out into the French-speaking world beyond the four walls of the classroom through its use of authentic-language videos, texts, film clips, and songs--

Beautiful Bastard Christina Lauren, 2013-02-12 An ambitious intern. A perfectionist executive. And a whole lot of name calling. Discover the story that garnered more than two million reads online. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate—and completely irresistible. A Beautiful Bastard. Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative—completely infuriating—creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules—or outright smash them—if it means he can have her. All over the office. As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as The Office by tby789—and garnering over 2 million reads on fanfiction sites—Beautiful Bastard has been extensively updated for re-release.

Beautiful Christina Lauren, 2016-10-04 Featuring the entire BEAUTIFUL series cast for one final hurrah! A FREE-SPIRITED GIRL IN NEED OF A BREAK. A MAN WEIGHED DOWN BY RESPONSIBILITY. A ROAD TRIP VACATION WHERE ALL BETS ARE OFF. OH, AND A LOT OF WINE. After walking in on her boyfriend shagging another girl in their place, Pippa Bay Cox ditches London for the States to go on a drunken road trip with Ruby Miller and some of her Beautiful friends. Scaling the career ladder is the default way to deal with heartbreak—and to just deal—for Jensen Bergstrom. Absolutely buried by his drive and workload, he rarely takes time for himself. But when his sister Hanna convinces him to join the gang on a two-week wine tour, he has a rare moment of cutting loose. Of course, it's only once he's committed that he realizes the

strange girl he met briefly on the plane is coming along, too. She might be too much for him...or he might realize his life has become too small and needs her to make it bigger, crazier. With this circle of friends there's always something going on: from Chloe and Sara's unexpected personality swaps to Will's new domestic side to Bennett's text message barrage and George's own happily-ever-after. In short, their adventures in love, friendship, and hilarity are nothing short of Beautiful.

Stamped from the Beginning Ibram X. Kendi,2016-04-12 The National Book Award winning history of how racist ideas were created, spread, and deeply rooted in American society. Some Americans insist that we're living in a post-racial society. But racist thought is not just alive and well in America -- it is more sophisticated and more insidious than ever. And as award-winning historian Ibram X. Kendi argues, racist ideas have a long and lingering history, one in which nearly every great American thinker is complicit. In this deeply researched and fast-moving narrative, Kendi chronicles the entire story of anti-black racist ideas and their staggering power over the course of American history. He uses the life stories of five major American intellectuals to drive this history: Puritan minister Cotton Mather, Thomas Jefferson, abolitionist William Lloyd Garrison, W.E.B. Du Bois, and legendary activist Angela Davis. As Kendi shows, racist ideas did not arise from ignorance or hatred. They were created to justify and rationalize deeply entrenched discriminatory policies and the nation's racial inequities. In shedding light on this history, Stamped from the Beginning offers us the tools we need to expose racist thinking. In the process, he gives us reason to hope.

Contents of this study: (1) Erec et Enide: The Norms of the Narrative; The Rejection of the Marvellous; & The Problem of Narrative Continuity; (2) Cliges: The Technique of Alternation; The Technique of Displacement; & The Silence of Soredamors; (3) Lancelot: Le Chevalier de la Charrette: Internalizing the Narrative; The Manipulation of Obstacles; & The Adaptation of Roles; (3) Yvain: Le Chevalier au Lion: Externalizing the Narrative; The Delicate Balance; & The Disappearance of the Omniscient Narrator; (4) Conclusion; & (5) Bibliography.

Helmi's Shadow David Horgan,2021-08-17 Helmi's Shadow tells the sweeping true story of two Russian Jewish refugees, a mother (Rachel Koskin) and her daughter (Helmi). With determination and courage, they survived decades of hardship in the hidden corners of war-torn Asia and then journeyed across the Pacific at the end of the Second World War to become United States citizens after seeking safe harbor in the unlikely western desert town of Reno, Nevada. This compelling narrative is also a memoir, told lovingly by Helmi's son, David, of growing up under the wings of these strong women in an unusual American family. Rachel Koskin was a middle-class Russian Jew born in Odessa, Ukraine, in 1896. Ten years later, her family fled from the murderous pogroms against Jews in the Russian Empire eastward to Harbin, a Russian-controlled city within China's borders on the harsh plain of Manchuria. Full of lively detail and the struggles of being stateless in a time of war, the narrative follows Rachel through her life in Harbin, which became a center of Russian culture in the Far East; the birth of her daughter, Helmi, in Kobe, Japan; their life together in the slums of Shanghai and back in Japan during World War II, where they endured many more hardships; and their subsequent immigration to the United States. This remarkable account uncovers a history of refugees living in war-torn China and Japan, a history that to this day remains largely unknown. It is also a story of survival during a long period of upheaval and war—from the Russian Revolution to the Holocaust—and an intimate portrait of an American immigrant family. David reveals both the joys and tragedies he experienced growing up in a multicultural household in post-Second World War America with a Jewish mother, a live-in

Russian grandmother, and a devout Irish Catholic American father. As David develops a clearer awareness of the mysterious past lives of his mother and grandmother—and the impact of these events on his own understanding of the long-term effects of fear, trauma, and loss—he shows us that, even in times of peace and security, we are all shadows of our past, marked by our experiences, whether we choose to reveal them to others or not.
