

David Trueba Saber Perder

David García Cames

Learning to Lose David Trueba, 2010-06-22 It is Sylvia's sixteenth birthday, and her life as an adult is about to begin—not with the party she had been planning, but with a car accident and a broken leg. Behind the wheel is a talented young soccer player, just arrived from Buenos Aires and set for stardom on and off the field. As their destinies collide and a young romance is set in motion, across town, Sylvia's father and grandfather are finding their own lives suddenly derailed by a violent murder and a secret affair with a prostitute. Set against the maze of Madrid's congested and contested streets, *Learning to Lose* follows these four individuals as they swerve off course in unexpected directions. Each of them is dodging guilt and the fear of failure, but their shared search for happiness, love, purity, redemption, and, above all, a way to survive, forms a taut narrative web that binds the characters together. From one of Spain's most celebrated contemporary writers, *Learning to Lose* is a lucid and gripping view into the complexities of lives overturned and into the capriciousness of modern life, with its intoxicating highs and devastating lows.

Blitz David Trueba, 2015 *Blitz* podría ser una tragicomedia romántica. Pero como ese género no existe, estamos invitados a ignorar las etiquetas y centrarnos de manera apasionada en la peripecia de los personajes. En especial de Beto, un joven arquitecto paisajista que llega a las costas de Múnich en medio de un naufragio vital y sentimental. Invitado a participar en

un concurso que podría solucionar sus perspectivas de futuro, ha llegado acompañado por su novia. Pero, casi al instante, su estancia en Alemania se convertirá en una comedia humana. Bajo el destello de un relámpago, que es exactamente lo que significa la palabra blitz, tendrá que afrontar un cambio de vida y de ideales. Llena de emotivas instantáneas del amor perdido, bajo una escritura afilada por el sentido del humor, los personajes parecen deslizarse dentro de un reloj de arena. Porque será la reflexión sobre el discurrir del tiempo lo que conduzca al protagonista hacia una mujer de otra edad, Helga, en un encuentro intergeneracional que es el corazón del relato. Pegado a los pensamientos de Beto, el lector no dejará de preguntarse a cada momento por lo que le espera en la página siguiente. ¿Y ahora qué? La respuesta se esconde en esta narración destilada, la esperada nueva novela de David Trueba tras Saber perder, que se alzó con el Premio de la Crítica en 2008.

Blitz, 2011 Blitz es un asesino en serie de Londres que está matando a agentes de la policía. El inspector jefe Roberts y el sargento Brant, un duro, inflexible y políticamente incorrecto detective de la policía, se encargarán de intentar detener al psicópata. Al parecer, Blitz comete los crímenes para convertirse en una estrella de los tabloides, pues cuanto más mata más famoso se hace. (FILMAFFINITY).

Vivir es fácil con los ojos cerrados David Trueba, 2014-04-01 Mueren las luces y otra vida se enciende. ¿Qué hay en ese lienzo tan repentinamente activo? Según se mire: unas figuras ficticias, una vulgar radiación o, para los líricos, la materia con que se tejen los sueños. Ésa es la materia de esta obra: un sueño de carne y hueso. Aquí hallaremos la aproximación más física a las entrañas del oficio cinematográfico. También a quienes lo ejercen: los célebres, los anónimos, los artistas, los artesanos, los iluminados o los eclipsados por los focos... En el principio era un accidente que se transmutó en palabras, puro texto. Después, frente a la cámara, llega la hora de una acción aún discontinua y caótica que cobrará sentido sobre la mesa de montaje. Luego vendrá el espectador, juez supremo. ¿Qué ve en este caso? La España gris (y a veces negra) de los sesenta, un mundo cerrado que, sin embargo, se abre a dichas tenaces. Un profesor de inglés averigua que John Lennon está en Almería. Quiere conocerlo y hacia allí enfila su 850. Dos jóvenes le salen al paso: ambos huyen de algo, cada uno (como todos) con su propia huida a cuestas. El camino será, una vez más, destino. Así arranca la historia cuya historia nos cuenta este pequeño gran libro.

Queridos niños David Trueba, 2021-09-01 David Trueba nos invita a sumarnos a una caravana electoral: una novela vibrante sobre la política y los políticos. Esta es una novela divertida como una sobremesa con amigos, pero contundente como un gancho al hígado. Algo de esa contradicción contiene su protagonista, Basilio, al que sus enemigos apodan el Hipopótamo. Un mote que a él, con sus 119 kilos de peso, le provoca regocijo: puede que aspire a la callada quietud de ese animal, que sabe esperar su ocasión, pero también le atrae su naturaleza feroz, su instinto agresivo, su inteligencia criminal. Así que cuando le ofrecen abandonar por unas semanas su retiro plácido para acompañar a Amelia Tomás, una candidata a

presidenta, en su gira electoral, la bestia que lleva dentro se despereza y actúa. A lo largo de un periplo que lo llevará a recorrer toda clase de ciudades y pueblos de España, su misión será cargar los discursos de la candidata de dinamita, rociar con gasolina dialéctica a sus rivales y prenderle fuego a todo a su paso. Y es que en este juego competir es lo de menos: lo único aceptable es ganar. Ganar, ganar y ganar. David Trueba ha escrito una novela inclasificable, que retrata el mundo de la política y su trastienda con un gran ojo para la sátira y la observación desprejuiciada. En un viaje entre la comedia y el retrato del natural por las entretelas de una campaña política, afloran ambiciones inconfesables, engaños, medias verdades, mentiras flagrantes, tensiones soterradas y conflictos de la vida privada que acaso sea mejor que no vean la luz; al frente de todo ello, un protagonista más grande que la vida, odiado por unos y odiado por otros, y que en lugar de preguntarse con angustia si el vaso de la vida está medio vacío o medio lleno ha decidido hace tiempo bebérselo de un trago. Desbordante y atrevida, vibrante y directa, Queridos niños es una autobiografía del rencor que supone otro paso adelante en una de las trayectorias novelísticas más exitosas de nuestra literatura.

Soccer in Spain Timothy J. Ashton, 2013-09-12 Soccer has the unique ability to represent and strengthen different cultural identities and ideologies throughout the world. Perhaps nowhere can this be seen more prominently than in Spain, which has surged to the forefront of the world's most popular sport. The national team has won the last two European Championships and the 2010 World Cup, while the two preeminent club teams in Spain, Real Madrid and FC Barcelona, have reached the semifinals of the UEFA Champions League in 2011, 2012, and 2013. Even before the sport became a global phenomenon, soccer had established a strong connection with Spanish identity and culture. In Soccer in Spain: Politics, Literature, and Film, Timothy J. Ashton examines the sport's association with Spanish culture and society. In this volume, Ashton demonstrates how Spain's soccer clubs reflected the politics of the region they represented and continue to reflect them today. The author also explores the often-tenuous relationship between the intellectual classes and the soccer community in Spain. Although some of the country's most highly-praised literary figures had a passion for soccer—which was often reflected in their work—many intellectuals deemed the topic unsuitable for critical study. Ashton also discusses how soccer films faced a similar rebuff from Spanish intellectuals, though the popularity of these films has grown in recent years. As soccer continues to be one of the modern world's most significant representations of globalization, its importance as a cultural touchpoint cannot be ignored. For anyone wanting to learn more about the relationship between soccer, politics, and popular culture, this volume offers critical insights. Soccer in Spain is a valuable read for students and scholars of Spanish political history, literature, film, and sport.

The Sacred and Modernity in Urban Spain Antonio Cordoba, Daniel García-Donoso, 2016-11-17 This book explores how modernity, the urban, and the sacred overlap in fundamental ways in contemporary Spain. Urban spaces have traditionally been seen as the original sites of modernity, history, progress, and a Weberian systematic disenchantment of the

world, while the sacred has been linked to the natural, the rural, mythical past origins, and exemption from historical change. This collection problematizes such clear-cut distinctions as overlaps between the modern urban and the sacred in Spanish culture are explored throughout the volume. Placed in the periphery of Europe, Spain has had a complex relationship with the concept of modernity and commonly understood processes of modernization and secularization, thus offering a unique case-study of the interaction between the modern and the sacred in the city.

Messi Leonardo Faccio,2012-09-04 For soccer enthusiasts and sports fans in general, an in-depth look at the life of the beautiful game's greatest star, Argentine footballer Lionel Messi. Whether you call it soccer, football, fútbol, or the "beautiful game, it is the most popular sport in the world, and Argentine footballer Lionel Messi stands as one of its finest players—not only of his time, but of all time. Admired around the globe for his athleticism, skill, and fierce competitiveness, Messi has, at the age of 24, already shattered records at one of the most storied clubs in the world, FC Barcelona. Now, in this comprehensive biography, Messi fans can learn more about his life and career. Argentine journalist Leonardo Faccio describes how Messi, as a talented youth player in Buenos Aires, left his home for Spain in search of the medical help his family could not afford to treat his rare hormone deficiency. Small of stature, but possessing tremendous natural gifts, Messi developed into a star at Barcelona's famed Masia soccer school. In this book, Faccio has written not only a biography of an enigmatic celebrity, but a meditation on athletic genius, drawing on interviews with Messi himself, as well as with everyone from his family, teammates, childhood friends—even his favorite butcher. In-depth and intimate, soccer fans who enjoy watching Messi come alive on the field will delight as he comes alive on the page.

Tierra de campos David Trueba,2017-04-05 Vuelve David Trueba con una deslumbrante novela generacional sobre el amor, el desamor, la amistad, el paso del tiempo y las heridas abiertas que deja. Con el objetivo de enterrar a su padre en el pueblo donde nació, Daniel emprende un viaje en un vehículo muy particular, un coche fúnebre, conducido por un chófer ecuatoriano, pintoresco y charlatán, de la mejor estirpe cómica. ¿Quién es de verdad Dani Mosca? Quizá, como sostiene él mismo, es sólo un tipo que hace canciones, sobre todo canciones de amor. Pero es también el niño que creció en un barrio humilde; que encontró la amistad más profunda de esa manera accidental en que uno encuentra las grandes cosas de la vida; que viajó y disfrutó de su oficio en la música hasta que la tríada clásica de los excesos (sexo, drogas y rock and roll) desintegró el grupo que había formado con sus amigos del alma; y cuya vida se sostuvo en un equilibrio precario pero resistente entre el deseo y la realidad. Esta es una novela que a ratos se lee como una canción. Contiene la visión personal de un tiempo y unos lugares en los que Dani Mosca se construyó una identidad propia a fuerza de ideales y sueños, y también de algunos autoengaños y mentiras. Un viaje profundo e intenso, sensible y directo, donde se perciben las huellas y las cicatrices del paso del tiempo. David Trueba vuelve a desplegar, bajo una estructura poderosa y zigzagueante, hecha de hilos que se entrelazan, su prodigioso pulso narrativo para proyectar una mirada aguda y reflexiva sobre las paradojas y las

perplejidades que rodean nuestra existencia y adentrarse con lucidez en el laberinto de los afectos y los sentimientos. El resultado es un libro deslumbrante en cada una de cuyas páginas palpita la vida.

Rolling Fields David Trueba,2020-06-11 WINNER OF AN ENGLISH PEN AWARD 'Effortlessly readable and fizzing with energy, this novel is by turns quirky, funny and thoughtful' Mail on Sunday Dani Mosca is 40 and his father has just died. Fulfilling his father's last wishes, Dani embarks on a road trip back to his childhood village, a three-hour hearse journey from Madrid. Leaving behind the busy streets of the city for the deserted, archaic heart of Spain, Dani revisits the key junctions of his life: his conflicted relationship with a pragmatic and authoritarian father; the mystery of his birth; his school years in the repressed atmosphere of Catholic Spain; the origin of his band and its early successes; the emptiness left by a tragically lost friendship; his great loves. Laugh-out-loud funny, deeply moving and featuring an unforgettable cast of characters - from Ecuadorian drivers to Spanish Bowie lookalikes - Rolling Fields is a novel full of the grace and messiness of life: brave, exciting and completely irresistible. Translated from Spanish by Rahul Bery

El fracaso de la otredad y las narrativas de la frontera Bronislava Greskovicova-Chang,2021-11-12 ¿Cuál es el papel de la inmigración en la narrativa española? ¿Tiene potencial transformador en la literatura nacional? ¿Tiene la capacidad de generar empatía y aceptación de la diversidad de los sujetos migrantes? En el presente libro se indagan las cuestiones de la identidad y las implicaciones temáticas, estilísticas y lingüísticas de la narrativa relacionada con la inmigración marroquí en España, así como las implicaciones político-culturales que éstas aportan en el desarrollo de nuevos patrones narrativos a inicios del siglo XXI.

La jugada de todos los tiempos: fútbol, mito y literatura David García Cames,2018-07-18 El fútbol es mito, el fútbol puede ser literatura. Un deporte que apasiona y conmueve a millones de personas como ningún otro juego a lo largo de la historia no puede permanecer al margen de cuentos, poemas y novelas. El fútbol es un fenómeno que, en contra de lo que pueda parecer, en contra de los prejuicios acumulados, ha recibido una atención notable por parte de algunos de los mejores escritores en lengua española. De Cela a Delibes, de Bolaño a Villoro, pasando por los clásicos futboleros como Fontanarrosa o Soriano, este ensayo rastrea la evolución del fútbol en la literatura hispánica a través de los principales motivos que han servido para fijar y anotar el gol en la palabra.

Ganarse la vida David Trueba,2020-11-18 El rito de paso entre escribir para ti mismo y publicar es parecido a saltar entre dos azoteas de edificios distintos. Suele abrumar la responsabilidad. Una bellísima crónica de David Trueba a los veinticinco años de su primera novela. David Trueba evoca episodios de su infancia y adolescencia, a modo de retrato de la forja de un escritor, a los veinticinco años de la publicación de su debut *Abierto toda la noche*. Así, el lector tiene en sus manos la hermosa crónica de una educación emocional y profesional. La familia numerosa, el piso superpoblado, los días sin colegio, las primeras lecturas y películas, los primeros mitos, la catequesis fallida, la irrupción de la carne. Trueba captura una forma

de aprender a estar en el mundo al mismo tiempo que muestra el tránsito entre jugar a escribir y vivir de escribir.

Messi (edició en català) Leonardo Faccio,2011-12-10 Un perfil fascinant, en tres temps, del futbolista més famós del món. Per Leonardo Faccio. Lionel Messi ha batut tots els rècords del futbol i s'ha instal·lat al panteó reservat a les grans estrelles: Pelé, Di Stéfano, Cruyff i Maradona. Des que va aterrar a l'esfera futbolística l'any 2007, l'argentí Leo Messi s'ha convertit en el rei de la pilota, i ho ha guanyat tot excepte el mundial. Una estrella d'aquestes dimensions es mereix més que l'habitual hagiografia o un pamflet morbós. En la millor tradició del periodisme narratiu, el que neix amb Gay Talese, Tom Wolfe o Norman Mailer, Leonardo Faccio ha dibuixat un perfil fascinant en tres temps del futbolista més famós del món, que amb només vint-i-quatre anys ha batut tots els rècords. Un noi tímid, petit i d'aparença fràgil, que s'ha convertit en la joia més valuosa de l'espectacle més gran del món. Passin i llegeixin! Ressenyes: «Amb Messi en marxa, la canxa no és un camp de batalla, sinó una geografia d'unitats d'emoció.» Manuel Rivas «Algun dia els hi explicaré als meus nets que jo vaig entrenar al Leo.» Josep Guardiola «Messi segueix jugant per aconseguir la bicicleta.» Juan Villoro «Sóc a la historia. Jo vaig contractar Messi.» Carlos Reixach «És una carícia més que em va fer l'Argentina.» Joan Manuel Serrat

El río baja sucio David Trueba,2019

La huella de la desesperanza Javier Urrea Portillo,2019-10-23 Hay temas de los que es difícil hablar y aún escribir. La Huella de la Desesperanza aborda la realidad del suicidio y de aquellos que se quedan sufriendo y rodeados de interrogantes. Este es un libro que busca ayudar, y lo hace desde el respeto también a los silencios. La ciencia, el conocimiento, no pueden callar, pues su compromiso es la prevención. Toda vida es importante en esta sociedad. Vaya desde aquí nuestro recuerdo a quienes se bajaron de este tren en marcha, y a quienes siempre les esperarán.

Itinerarios narrativos de la inmigración actual en España Maja Zovko,2019-07-17 La inmigración hacia España a partir de la década de los noventa del siglo pasado ha trascendido al discurso literario con nuevos argumentos y voces. El presente volumen se propone exponer una investigación acerca de las principales tendencias en la narrativa actual sobre el fenómeno inmigratorio, así como un análisis de sus rasgos más específicos. El corpus estudiado incluye tanto la producción de autores españoles como la de nacidos en otros países pero afincados en España. Los diversos ejes temáticos que componen este libro abarcan las indagaciones sobre la influencia de los medios de comunicación en los textos que retratan la inmigración, la novelización de los viajes en patera, la imagen del inmigrante, sus experiencias y percepciones de la sociedad

de acogida. El universo recreado del que emprende el camino migratorio se perfila con referencias a su pluralidad cultural, lingüística, religiosa y gastronómica y con evocaciones de los mitos ancestrales, que, junto con los estereotipos reproducidos y las complejidades identitarias, son sometidos a reflexión. Paralelamente, este estudio aspira a identificar las estrategias narrativas y los símbolos empleados en estas publicaciones y a destacar los enfoques originales surgidos en los últimos años.
