Seeing Ourselves : Classic, Contemporary, and Cross-cultural Readings in Sociology Nijole Vaicaitis Benokraitis, John J. Macionis, Bruce Ravelli. 2006-03

Sociology John J. Macionis. 2012 This textbook provides a survey of sociology. As the scientific study of society, sociology is a social science which uses various methods of empirical investigation and critical analysis to develop a body of knowledge about human social activity. It focuses on the influence of our relationships around us and how they affect our behaviors and attitudes. The author approaches this subject with a desire to help students find and use sociology in everyday life.

Sociology, Books a la Carte Edition John J. Macionis. 2013-10-11

Sociology, Census Update, Books a la Carte Edition John J. Macionis. 2011-07-08 Seeing Sociology in Everyday Life John Macionis, like many college students, found his passion and life's work after taking an introductory sociology course. Sociology helped him make sense of the world around him. John shares his enthusiasm, excitement and teaching experience through a clear and engaging writing style that connects with students. This is the introductory sociology text that shows students how sociology is relevant in their daily lives. Sociology, 13/e, has an innovative new design, contemporary and relevant student applications, plus a wealth of supplemental material. This revision elevates Sociology's high standard of excellence, ensuring that it remains one of the foremost comprehensive introductory sociology resources for students and

instructors alike. Sociology, 13/Estrengthens the Macionis tradition of helping students see sociology in their everyday life! To learn more about the new edition, clickhereto watch a video. What is the Pearson Census Update Program? The Census Update edition incorporates 2010 Census data into a course—simply and easily. The components of the Census Update Program are as follows: Census Update Edition -Features fully updated data throughout the text—including all charts and graphs—to reflect the results of the 2010 Census. This edition also includes a reproduction of the 2010 Census Questionnaire for your students to explore in detail. 2010 Census Update Primer -A brief seven-chapter overview of the Census, including important information about the Constitutional mandate, research methods, who is affected by the Census, and how data is used. Social Problems John J. Macionis.2013 Frames social problems and solutions through politics. Macionis's book is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. It also helps students understand the attitudes and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics, and how the policies to solve these problems are developed, they can become involved in solving social problems through activism and political involvement. Teaching & Learning Experience Personalize Learning - The new MySocLab delivers proven results in helping students succeed, provides engaging

experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking - Chapter organization follows a logical framework that traces a problem from its origin to solution. Engage Students - International, national, and personal examples help students understand issues better. Explore Theory - Major sociological theories and how they explain each social problem are discussed. Understand Diversity - Features help students think globally about defining a solution to social problems. Support Instructors - The only Social Problems text with an annotated instructor's edition. Also, author-written test bank provides the best support for instructors. Note: MySocLab does not come automatically packaged with this text. To purchase MySocLab, please visit: www.mysoclab.com or you can purchase a ValuePack of the text + NEW MySocLab (at no additional cost): ValuePack ISBN-10: 0205949193 / ValuePack ISBN-13: 9780205949199.

Ten Questions Joel M. Charon.1997 This introductory text presents a unique approach to the examination of sociological principles. It draws you into the material--and encourages a deeper understanding of the discipline--by focusing on such overarching questions as How do sociologists study society? How is society possible? Why is there misery in the world? and Are human beings free? You'll learn about the philosophies of classical sociologists such as Marx, Weber, Durkheim, Mead, and Berger, and look at how the field of sociology has approached these questions over the past 150 years. You'll also consider the benefits and drawbacks of globalization, read about how individuals can affect society, and learn how the Tea Party political movement and the revolution in Egypt illustrate social conflict. As you explore sociology's compelling questions, you'll find that there are often no clear and ready answers.
