The History of The Cleveland Nazis Michael Cikraji.2014-08-15 During Cleveland's Great Depression, in an age of turmoil and time of upheaval, grew the first seeds of American Nazism. Complete with swastika flags, Hitler Youth, armed fascists and alleged intricate Jewish/Communist conspiracies, Cleveland was caught in the tempest of the frightening rise of National Socialism. The city fostered an explicitly Nazi German-American Bund, a covert Silvershirt Legion detachment and prominent diplomatic agents from the Third Reich, furiously struggling to advance the cause of American fascism. These elements came crashing headlong into the stiff resistance of the press, Jewish groups, and most prominently the city's German-American community. Festooned with photos, and meticulously documented, this book examines the fundamental, timeless questions of American allegiance, the responsibilities of democratic governance, the security threats of Un-American activities, and the passions, motivations and dreams of American immigrants. In the most unlikely of places, here is a case-study true story of the fascinating, bewildering and terrifying rise of American Nazism.

Global Study on Homicide 2013 United Nations.2014-06-15 The Global Study on Homicide 2013 is based on comprehensive data from more than 200 countries/territories, and examines and analyses patterns and trends in homicide at the global, regional, national and sub-national levels. Such analysis is fundamental to understanding the various factors and dynamics that drive homicide, so that measures can be developed to reduce violent crime. The Study provides a typology of homicide, including homicide related to crime, coexistence-related homicide, and socio-political homicide. The nature of crime in several countries emerging from conflict, the role of various mechanisms in killing, and the response of the criminal justice system to homicide are also analyzed. A further chapter examines homicide at the sub-national level, and includes analysis at the city-level for selected global cities.

Secrets in the Cellar John Glatt.2009-03-03 Josef Fritzl was a 73-year-old retired engineer in Austria. He seemed to be living a normal life with his wife, Rosemarie, and their family—though one daughter, Elisabeth, had decades earlier been lost to a religious cult. Throughout the years, three of Elisabeth's children mysteriously appeared on the Fritzls' doorstep; Josef and Rosemarie raised them as their own. But only Josef knew the truth about Elisabeth's disappearance... For twenty-seven years, Josef had imprisoned and molested Elisabeth in his man-made basement dungeon, complete with sound-proof paneling and code-protected electric locks. There, she would eventually give birth to a total of seven of Josef's children. One died in infancy—and the other three were raised alongside Elisabeth, never to see the light of day. Then, in 2008, one of Elisabeth's children became seriously ill, and was taken to the hospital. It was the first time the nineteen-year-old girl had ever gone outside—and soon, the truth about her background, her family's captivity, and Josef's unspeakable crimes would come to light. John Glatt's *Secrets in the Cellar* is the true story of a crime that shocked the world.
