## Efrat Haddi

Liongold Bea Alden, 2007-05 LIONGOLD is the poignant memoir of a young girl's life in South Africa during the height of the apartheid regime -- a beautiful place, at an ugly time in its history. With in-the-moment prose that easily recalls a child's honesty and keen eye for the absurd, Bea Alden explores what happens in a country-South Africa-where the keeping of secrets is a national preoccupation. Her memoir of a childhood in South Africa and the casual violence that took place both on a domestic scale, with her unbalanced father, and on a national one has such a strong sense of place and so successfully plies the reader with sensory detail that I was surprised upon closing the manuscript to discover that I was not sitting in the kitchen in that Johannesburg suburb, watching long-time servant Letty go about her business. As these vignettes accumulate, Liongold paints a picture of a specific time and place. Alden bears witness, and in offering her clear-eyed memories, she also subtly explains how quickly and firmly injustice plants itself and comes to seem normal. A void divides the green and pleasant life of sunny white South Africa from the grimness of apartheid, Alden writes. Here she plumbs that void and reveals its magnitude.-Natalie Danford, author of *Inheritance* Best New American Voices In language rich with mood and atmosphere, delicately unfolding the intricate relationships of gender, class, ethnicity and race, Liongold tells the story of one family, their deep personal problems, and an entire way of life doomed, necessarily, to give way to immense change.-Susan Bernardin, co-author of *Trading Gazes*; Associate Professor of Native American and American Literature, State University of New York, Oneonta

**All the Lion's Gold** Jessy Carlisle, Oumar N'Ko, 2022-04 # 343 in the Bilingual Legends series. This book is in both English and Bambara (N'ko script). Of all the kings the world has ever known, none was ever so rich as Mansa Musa. But what else did the Lion of Mali do for his empire?

**Hitler's Blitzkrieg Enemies 1940** Nigel Thomas, 2014-02-20 The armies of Denmark, Norway, the Netherlands and Belgium bore the first crushing impact of Hitler's mighty Blitzkrieg war machine in Western Europe, in a campaign that astonished and terrified the world. The German Wehrmacht was millions strong, equipped with the latest guns, tanks and aircraft, and had the priceless advantage of having learned the realities of modern warfare in Poland the previous September. The defenders of Scandinavia and the Low Countries were raised from small populations, and were inadequately funded, trained, equipped and armed. Their modest numbers, inexperience, and largely indefensible borders condemned

them to rapid defeat. For this reason they have tended to be neglected by history - in many cases, unjustly. Vastly outnumbered - and, in the case of the neutral Low Countries, with their potential French and British allies reeling under simultaneous attacks - thousands of soldiers fought heroically in the hopeless defence of their homelands against the Nazi juggernaut.

**The Lion's Gold** R. E. Sulser, 2016-10-31 A mysterious ring holds the key to the greatest treasure of antiquity. For fifteen-year-old Minerva Brown, it's another miserable, sweltering summer in Rome, the eternal city, a place that in her mind is only eternally boring. Abandoned for a week while her archeologist parents excavate in the Italian countryside, she discovers a peculiar signet ring forgotten among her parents' artifact crates. When shadowy figures ransack the apartment in search of the ring, she must unravel a maze of baffling clues in a race through Rome to discover an ancient horde of treasure, all before it falls into sinister hands. A parallel story set two thousand years before follows Gaius Pomponius Strabo, a Roman teen who inherits the signet ring from his dying grandfather during the cataclysmic eruption of Vesuvius. Rescued by a barbarian captain, Gaius becomes an unwitting ally in a journey across the Mediterranean in search of the Isle of Blood, the mythical home of the lost treasure of Pompey the Great. In his adventures to the far reaches of the Roman Empire, Gaius unravels the mysteries of the signet ring and finds himself face-to-face with a family secret hidden for generations, one that could shake the foundations of the empire.

*Marbles, Mayhem and My Typewriter: The unfadable life of an ordinary man* Mano Sabnani, 2017-11-15 In a world where so many people believe that they cannot go far because they were not born gifted or with a silver spoon, Mano Sabnani's story provides profound inspiration - showing how an ordinary man can achieve extraordinary things by following a very simple and ethical set of principles. From greenhorn journalist to Editor of the Business Times, Managing Editor of the Straits Times, CEO/Editor-in-Chief of TODAY, and Managing Director at DBS, Mano enjoyed a front-row seat to the transformation of Singapore since independence and the painful trade-offs that had to be made as it achieved its phenomenal economic success. In this memoir, Mano relates the story of his life, career and family, from an idyllic boyhood in Joo Chiat through to National Service, university days, a shoestring trek through Asia and Europe, marriage and fatherhood, to his role as an "activist investor" speaking up on behalf of ordinary shareholders. Along the way, Mano offers unique stories and special insight into a myriad of topics: friendship, leadership, values, the existence of God, the role of man in nature - and life itself.
