Italy: Abruzzo Luciano Di Gregorio .2017-05-19 Bradt's Abruzzo remains the only full English-language guide to this beautiful and increasingly favoured part of Italy. This new edition has been thoroughly updated to cover all developments since the last edition, reflecting the region's growing popularity for holiday homes and as a busy conference destination at the heart of Italy, plus its appeal for wildlife and active tourism, including trekking, family holidays and horse-riding. Abruzzo offers the best of undiscovered Italy from pristine beaches to mountain glaciers, with some of Italy's most beautiful medieval villages clinging to the hillsides in between. This brand new edition of Bradt's Abruzzo provides all the practical and background information you'll need to explore this surprising region. What makes the Abruzzo region remarkable is that it is still about as unique and authentic an Italian experience as you can get in a country so devoured by international tourism.

Abruzzo offers one of the most beautiful coastlines in the country, only a short distance from the tallest mountain ranges in Italy outside the Alps (it is the second most popular skiing centre in Italy outside the Alps) and one of the best places for hiking and flora/fauna spotting. What's more, despite the economic downturn of recent times, the regional government continues to invest in a 'beautification' project for its major urban centres and in the development of its regional highlights such as mountains, wildlife parks and rural towns. It's notable that in the 2017 national competition for 'I Borghi Più Belli d'Italia' (The Most Beautiful Towns in Italy) programme, Abruzzo was recognised as having 23 of the country's most beautiful towns, trailing second only behind Umbria and with at least a handful more than Tuscany. Intriguingly, Madonna's family hails from the town of Pacentro, to which the singer donated US\$500,000 for restoration works after the 2009 earthquake in the region. Blue Flag beaches, mountain hiking and where to spot rare wildlife such as bears and wolves are all covered, as are untouched castles and frescoed churches and the region's plethora of Roman ruins. Italian cooking and the best places to eat are featured (Abruzzo is home to the majority of Italy's domestic pasta production), and there is extensive coverage of culture and language (Abruzzo is one of Italy's most linguistically diverse regions). Written with warmth and insight by a native Abruzzese, Bradt's Abruzzo contains all the information you need to discover this enchanting part of Italy.

**Cadogan Guides Umbria** Dana Facaros, Michael Pauls. 2006 There is no one better to uncover the secrets of Umbria, Italy's 'Green Heart', than Italian experts Dana Facaros and Michael Pauls. Having lived there for three years, they know just where to seek out the delights of this bewitching region, to the east of its better-known neighbour, Tuscany. Discover magnificent Assisi, the home of St Francis; take in Gubbio, a medieval gem to rival Siena; enjoy the extraordinary Renaissance treasures of Spoleto. After all that culture, they lead you to the dinner table to enjoy Umbrian specialities, from pasta with truffles to 'drunken' chicken, made using the famous white wines of Orvieto. All restaurants are personally researched, so you can be sure you will enjoy some of the best tastes the culinary world can offer, as the sun beats down on some secluded terrace. The guide is also packed full of information about festivals, markets and vineyards to give you a real taste of local life, alongside some of Italy's most remarkable sights.

*Italy: Friuli Venezia Giulia* Dana Facaros and Michael Pauls. 2019-07-09 This new title continues Bradt's coverage of lesser-known but increasingly popular Italian regions and is the only guide available to Friuli Venezia Giulia, a region which forms the major part of the hinterland of Venice (but does not - despite the name - include Venice itself), and which is a convenient and fascinating place to spend time on the beach, in the Alps or relaxing in the country. It is notable also for its wines and distinctive cuisine which, with touches of neighbouring Austria and Slovenia stirred in, are starting to attract attention around the world. Written by long-time travel authors and Italy specialists Dana Facaros and Michael Pauls, background and practical information are complemented by six easy-to-follow chapters, from Trieste to the coast, Gorizia and the Borderlands, Udine, Pordenone and Western Friuli, and The Mountains: Carnia and the Julian Alps. Set in Italy's northeastern corner, Friuli Venezia Giulia is one of the most ethnically and culturally diverse parts of the country - and also one of the least known. With Bradt's Friuli Venezia Giulia, explore this small but varied region in detail, from the Alps of the north to the coastal resorts, unspoiled wetlands and lagoons, and from medieval towns like Cividale to the strange desert

steppe called the Magredi and the lovely wine region of Il Collio. Discover the regional capital, caffeine-mad Trieste, where there are 67 different ways of ordering a cup of coffee, and Gorizia, one of the biggest battle fronts of World War I, which survives almost intact, with miles of trenches and fortifications open for exploration. Bradt's Friuli Venezia Giulia offers everything you need for a successful trip.
