

Sisters Heroic True Life Stories From The Nurses

Nicola Tyrer

Sisters Barbara Mortimer,2013-03-28 On 3 September 1939, the Prime Minister declared that Britain was at war with Nazi Germany. Thousands of young women, many of them barely out of school, were sent headlong into gruelling training regimes that would see them become wartime nurses. *Sisters* features over 150 previously unpublished stories from the archives of the Royal College of Nursing. The vivid, poignant and riveting stories capture these nurses' incredible bravery and touching friendships.

Sisters In Arms Nicola Tyrer,2008-09-18 The remarkable true story of the Queen Alexandra frontline nurses in the Second World War. The amazing experiences of the Queen Alexandra nurses in the Second World War form one of the greatest adventure stories of modern times, and - incredibly - remain largely untold. Thousands of middle-class girls, barely out of school, were plucked from sheltered backgrounds, subjected to training regimes unimaginably tough by today's standards, and sent forth to share the harsh conditions of the fighting services. They had to deal with the most appalling suffering, yet most found reserves of inner strength that carried them through episodes of unrelieved horror. Over 200 nurses died, torpedoed in hospital ships, bombed in field hospitals or murdered in Japanese prison camps. Dozens won medals for gallantry. From the beaches of Dunkirk, to Singapore and D-Day, they saw it all. Whether tending burned pilots from the Battle of Britain or improvising medical treatment in Japanese death camps, their dedication was second to none. This is their story.

ER Nurses James Patterson,2022-09 In this extraordinary work of non-fiction, we hear the unforgettable stories of everyday heroes who look after our families, our friends and ourselves in the most challenging circumstances imaginable.

_____ When we're at our worst, nurses are at their best. Around the clock, highly skilled and compassionate men and women sacrifice and struggle for us and our loved ones. You have never heard their true stories. Not like this. From big-city and small-town hospitals. These are stories told from the heart. This book will make you laugh, make you cry, and make you understand the importance of the work they do. _____ Praise for *ER Nurses* 'James Patterson's account of the twilight world between life and death that nurses inhabit is one of the most moving things I have ever read.' Sebastian Junger 'The compassion, the work ethic, and the selflessness of nurses . . . are given the respect they deserve and captured beautifully.' Sanjay Gupta, MD

Call the Nurse Mary J. MacLeod,2013-04-04 Tired of the pace and noise of life near London and longing for a better place to raise their young children, Mary J. MacLeod and her husband encountered their dream while vacationing on a remote island in the Scottish Hebrides. Enthralled by its windswept beauty, they soon were the proud owners of a near-derelect croft house—a farmer’s stone cottage—on “a small acre” of land. Mary assumed duties as the island’s district nurse. Call the Nurse is her account of the enchanted years she and her family spent there, coming to know its folk as both patients and friends. In anecdotes that are by turns funny, sad, moving, and tragic, she recalls them all, the crofters and their laird, the boatmen and tradesmen, young lovers and forbidding churchmen. Against the old-fashioned island culture and the grandeur of mountain and sea unfold indelible stories: a young woman carried through snow for airlift to the hospital; a rescue by boat; the marriage of a gentle giant and the island beauty; a ghostly encounter; the shocking discovery of a woman in chains; the flames of a heather fire at night; an unexploded bomb from World War II; and the joyful, tipsy celebration of a ceilidh. Gaelic fortitude meets a nurse’s compassion in these wonderful true stories from rural Scotland.

True Sisters Sandra Dallas,2012-04-24 Four women seeking the promise of salvation and prosperity in a new land.

The Nurses Alexandra Robbins,2016-04-19 A New York Times bestseller. “A funny, intimate, and often jaw-dropping account of life behind the scenes.”—People Nurses is the compelling story of the year in the life of four nurses, and the drama, unsung heroism, and unique sisterhood of nursing—one of the world’s most important professions (nurses save lives every day), and one of the world’s most dangerous, filled with violence, trauma, and PTSD. In following four nurses, Alexandra Robbins creates sympathetic characters while diving deep into their world of controlled chaos. It’s a world of hazing—“nurses eat their young.” Sex—not exactly like on TV, but surprising just the same. Drug abuse—disproportionately a problem among the best and the brightest, and a constant temptation. And bullying—by peers, by patients, by hospital bureaucrats, and especially by doctors, an epidemic described as lurking in the “shadowy, dark corners of our profession.” The result is a page-turning, shocking look at our health-care system.

Sister Viv Grantlee Kieza,2024-04-03 The inspiring story of the nursing hero who survived a wartime massacre and dedicated her life to saving others - from the critically acclaimed, bestselling author of Flinders, The Remarkable Mrs Reibey, Hudson Fysh and Banjo Bangka Island, 1942: Australian Army nurse Vivian Bullwinkel was just twenty-six when Japanese soldiers marched her and her fellow nurses into the shallow waters of a remote beach to be executed. Miraculously, Vivian

would be the lone survivor - and she committed the rest of her long life to an exceptional peacetime career which she lived in tribute to her lost friends. The Lieutenant-Colonel would also be the first woman to be honoured with a statue at the Australian War Memorial for her extraordinary bravery and service - a country girl who become one of the highest ranking women in the Australian army, and who spent her life caring for others. Growing up in Broken Hill, New South Wales, Vivian started work at a local hospital and joined the Australian Army Nursing Service in World War II. When the Japanese attacked Singapore in 1942, she and sixty-four other nurses were ordered to evacuate, but soon their ship was bombed by enemy aircraft. Some of the women drowned, but Viv made it to Radji Beach on Bangka Island, off Sumatra, with twenty-one of her nursing colleagues. There Japanese soldiers forced the women to wade back into the sea, and as Vivian felt a bullet slam into her back, she fell face down into the water then waited to die as the soldiers bayoneted survivors. Somehow Vivian lived. For the next three and a half years Viv was a prisoner of war in a series of brutal Japanese camps where she helped other inmates survive the horror. When peace was restored, she went on to become a giant of Australian nursing - and was a key driver of Operation Babylift, the mass rescue of young orphans during the Vietnam War. For her extraordinary efforts, Vivian was awarded numerous honours, but she never forgot her fallen colleagues, whose lives she paid tribute to with her service to nursing. From the bestselling, critically acclaimed author of *Flinders*, *The Remarkable Mrs Reibey*, *Banks and Hudson* Fysh, *Sister Viv* tells the astonishing story of the courage, sacrifice, service, and love of an Australian nursing hero who survived against the odds and dedicated her life to the care of others.

Sunflower Sisters Martha Hall Kelly, 2021-03-30 NEW YORK TIMES BESTSELLER • Martha Hall Kelly's million-copy bestseller *Lilac Girls* introduced readers to Caroline Ferriday. Now, in *Sunflower Sisters*, Kelly tells the story of Ferriday's ancestor Georgeanna Woolsey, a Union nurse during the Civil War whose calling leads her to cross paths with Jemma, a young enslaved girl who is sold off and conscripted into the army, and Anne-May Wilson, a Southern plantation mistress whose husband enlists. "An exquisite tapestry of women determined to defy the molds the world has for them."—Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* Georgeanna "Georgey" Woolsey isn't meant for the world of lavish parties and the demure attitudes of women of her stature. So when war ignites the nation, Georgey follows her passion for nursing during a time when doctors considered women on the battlefield a bother. In proving them wrong, she and her sister Eliza venture from New York to Washington, D.C., to Gettysburg and witness the unparalleled horrors of slavery as they become involved in the war effort. In the South, Jemma is enslaved on the Peeler Plantation in Maryland, where she lives with her mother and father. Her sister, Patience, is enslaved on the plantation next door, and both live in fear of LeBaron, an abusive overseer who tracks their every move. When Jemma is sold by the cruel plantation mistress Anne-May at the same time the Union army comes through, she sees a chance to finally escape—but only by abandoning the family she loves. Anne-May is left behind to run Peeler Plantation when her husband joins the Union army and her cherished brother

enlists with the Confederates. In charge of the household, she uses the opportunity to follow her own ambitions and is drawn into a secret Southern network of spies, finally exposing herself to the fate she deserves. Inspired by true accounts, *Sunflower Sisters* provides a vivid, detailed look at the Civil War experience, from the barbaric and inhumane plantations, to a war-torn New York City, to the horrors of the battlefield. It's a sweeping story of women caught in a country on the brink of collapse, in a society grappling with nationalism and unthinkable racial cruelty, a story still so relevant today.

Florence Nightingale: The Crimean War Lynn McDonald, 2011-02-01 Florence Nightingale is famous as the "lady with the lamp" in the Crimean War, 1854–56. There is a massive amount of literature on this work, but, as editor Lynn McDonald shows, it is often erroneous, and films and press reporting on it have been even less accurate. The Crimean War reports on Nightingale's correspondence from the war hospitals and on the staggering amount of work she did post-war to ensure that the appalling death rate from disease (higher than that from bullets) did not recur. This volume contains much on Nightingale's efforts to achieve real reforms. Her well-known, and relatively "sanitized", evidence to the royal commission on the war is compared with her confidential, much franker, and very thorough Notes on the Health of the British Army, where the full horrors of disease and neglect are laid out, with the names of those responsible.

Ordinary Heroes Sally White, 2018-01-15 The major unsung humanitarian role of British civilians and charities in the Great War and the tremendous bravery and suffering of the volunteers.

SISTER PETERS IN AMSTERDAM Betty Neels, Miyuki Yamaguchi, 2020-07-31 Adelaide, who works for a pediatric hospital in London, decides to do a yearlong exchange at an Amsterdam hospital. Surviving the Hindenburg Larry Verstraete, 2012-02-02 On May 6, 1937, the giant German airship the Hindenburg was destroyed by fire as it attempted to land at Lakehurst Naval Base in New Jersey. Of the 93 people on board, a remarkable 62 survived, including Werner Franz, the ship's 14-year-old cabin boy. In *Surviving the Hindenburg*, writer Larry Verstraete recounts young Werner's story of the airship's final voyage. Through Werner's memories young readers will explore the inner workings of the giant airship, marvel at the breathtaking vistas from its observation windows, and hold their breath during Werner's terrifying escape from the fiery devastation. My mind didn't start working again until I was on the ground, Werner said later. Then I started running. Captured in detailed, dramatic artwork, the story of the doomed airship comes alive for readers and history buffs of all ages. A Nurse's Story Louise Curtis, 2020-10-01 Moving, honest and inspiring - this is a nurse's true story of life in a busy A&E department during the Covid-19 crisis. Working in A&E is a challenging job but nurse Louise Curtis loves it. She was newly qualified as an advanced clinical practitioner, responsible for life or death decisions about the patients she saw, when the unthinkable happened and the country was hit by the Covid-19 pandemic. The stress on the NHS was huge and for the first time in her life, the job was going to take a toll on Louise herself. In *A Nurse's Story* she describes what happened next, as the trickle of Covid patients became a flood. And just as tragically, staff in A&E were faced with the effects of lockdown on society. They worried about their regulars, now missing, and saw an increase in domestic abuse victims and suicide attempts as loneliness hit people hard. By turns heartbreaking and heartwarming, this book shines a light on the compassion and dedication of hospital staff during such dark times. 'An important memoir that we all need to read right now.' - *Closer*

Ordinary People, Extraordinary Lives Carolyn Hope Smeltzer, Frances Vlasses, 2003 Stories about nurses are scarce, but stories about nurses who have accomplished extraordinary feats are almost non-existent. This beautifully produced, full-color book breaks that trend with stories about nurses who, in their daily lives, have made outstanding contributions in extraordinary ways in their communities. From around the globe, authors have contributed over 100 stories and images of nurses guaranteed to make you laugh, cry and applaud as you learn of their accomplishments. Through narrative and photography, each story shows how the individual nurse applies her or his talents to improve the quality of life of others. These stories capture the diversity, intensity and heroism of nursing. Collectively, they form a fascinating mosaic describing the fullness of the nursing profession.

Yes Sister, No Sister Jennifer Craig, 2002 'What is your name?' she asks, staring at me. 'Jennifer Ross.' 'Jennifer Ross, Sister. Well, Nurse Ross, you are dressed in the uniform of a nurse from the Leeds General Infirmary. Such a uniform is not worn with a cardigan. Take it off at once.' 'Yes Sister.' I can feel my face turn red. A trainee nurse in the 1950s had a lot to bear. In Jennifer Craig's enchanting memoir, we meet these warm-hearted yet naive young girls as they get to grips with strict discipline, long hours, and bodily fluids. But we also see the camaraderie that develops in evening study sessions, sneaked trips to the cinema and mischievous escapades with the young trainee doctors. The harsh conditions prove too much for some girls, but the opportunity to help her patients in their time of need is too much of a pull for Jenny. As she commits to her vocation and knuckles down to her exams, she is determined that when she reaches the heights of Ward Sister herself she will not become the frightening matron that struck fear into her student heart/ Rich in period detail, and told with a good dose of Yorkshire humor, *Yes Sister, No Sister* is a life-affirming true story of a life long past.

Guy's Hospital Gazette, 1902

Nurse, Come You Here! Mary J. MacLeod, 2015-05-05 From the author of *Call the Nurse*, come new tales of a London nurse working to help and heal a community on a remote Scottish island. Lively, touching, engaging reading for fans of *Call*

the Midwife and All Creatures Great and Small. Julia MacLeod shares unique and enchanting experiences as a nurse in rural Scotland. Her stories will ring true with every nurse—or anyone—who has ever cared for a family or a community, whether in Scotland or America. Call the Nurse is a delightful read.” —LeAnn Thieman, author Chicken Soup for the Nurse's Soul

Mary J. Macleod and her husband left the London area for an idyllic place to raise their young children in the late sixties, and they found the island of Papavray in the Scottish Hebrides. There they bought a croft house on a small acre of land, and Mary J. (also known as Julia) became the district nurse. At the age of eighty, she first recounted her family's adventures in her debut, Call the Nurse, where she introduced readers to the austere beauties of the island and the hardy charm and warmth of the islanders. The anecdotes in this new volume take us to the end of her stay on Papavray, after which the MacLeod family left for California. Once again, we meet the crofters Archie, Mary, and Fergie, and other friends. There are stories of troubles, joy, and tragedy, of children lost and found, the cow that wandered into the kitchen, a distraught young mother who strides into the icy surf with her infant child, the ghostly apparition that returns after death to reveal the will in a sewing box. There are accidents and broken bones, twisters that come in from the sea, and acts of simple courage and uncommon generosity. Here again, a nurse's compassion meets Gaelic fortitude in these true tales of a bygone era.

Heroic Acts in Humble Shoes Irene Stemler, 2009 Irene Stemler, RN, BSN, goes beyond the research and gives a voice to the millions of nurses who directly or indirectly make a difference in the lives of patients. Each story opens with a photograph of the nurse's shoes and offers a unique, passionate, personal, and sometimes controversial perspective on nursing in today's health care environment. A springboard for spirited discussion about the future of nursing. When nurses read these reflections of the daily battle to provide quality health care to ordinary people, they are encouraged to act, taking a leadership position in transforming their profession and nurses' role in health care delivery as a whole--
