_____ When we're at our worst, nurses are at their best. Around the clock, highly skilled and compassionate men and women sacrifice and struggle for us and our loved ones. You have never heard their true stories. Not like this. From big-city and small-town hospitals. These are stories told from the heart. This book will make you laugh, make you cry, and make you understand the importance of the work they do. _____ Praise for *ER Nurses* 'James Patterson's account of the twilight world between life and death that nurses inhabit is one of the most moving things I have ever read.' Sebastian Junger 'The compassion, the work ethic, and the selflessness of nurses . . . are given the respect they deserve and captured beautifully.' Sanjay Gupta, MD

Call the Nurse Mary J. MacLeod,2013-04-04 Tired of the pace and noise of life near London and longing for a better place to raise their young children, Mary J. MacLeod and her husband encountered their dream while vacationing on a remote island in the Scottish Hebrides. Enthralled by its windswept beauty, they soon were the proud owners of a near-derelict croft house—a farmer's stone cottage—on “a small acre” of land. Mary assumed duties as the island's district nurse. *Call the Nurse* is her account of the enchanted years she and her family spent there, coming to know its folk as both patients and friends. In anecdotes that are by turns funny, sad, moving, and tragic, she recalls them all, the crofters and their laird, the boatmen and tradesmen, young lovers and forbidding churchmen. Against the old-fashioned island culture and the grandeur of mountain and sea unfold indelible stories: a young woman carried through snow for airlift to the hospital; a rescue by boat; the marriage of a gentle giant and the island beauty; a ghostly encounter; the shocking discovery of a woman in chains; the

flames of a heather fire at night; an unexploded bomb from World War II; and the joyful, tipsy celebration of a ceilidh. Gaelic fortitude meets a nurse's compassion in these wonderful true stories from rural Scotland.

The Nurses Alexandra Robbins, 2016-04-19 A New York Times bestseller. "A funny, intimate, and often jaw-dropping account of life behind the scenes."—People Nurses is the compelling story of the year in the life of four nurses, and the drama, unsung heroism, and unique sisterhood of nursing—one of the world's most important professions (nurses save lives every day), and one of the world's most dangerous, filled with violence, trauma, and PTSD. In following four nurses, Alexandra Robbins creates sympathetic characters while diving deep into their world of controlled chaos. It's a world of hazing—"nurses eat their young." Sex—not exactly like on TV, but surprising just the same. Drug abuse—disproportionately a problem among the best and the brightest, and a constant temptation. And bullying—by peers, by patients, by hospital bureaucrats, and especially by doctors, an epidemic described as lurking in the "shadowy, dark corners of our profession." The result is a page-turning, shocking look at our health-care system.

Sister Viv Grantlee Kieza, 2024-04-03 The inspiring story of the nursing hero who survived a wartime massacre and dedicated her life to saving others - from the critically acclaimed, bestselling author of *Flinders*, *The Remarkable Mrs Reibey*, *Hudson Fysh* and *Banjo Bangka Island, 1942*: Australian Army nurse Vivian Bullwinkel was just twenty-six when Japanese soldiers marched her and her fellow nurses into the shallow waters of a remote beach to be executed. Miraculously, Vivian would be the lone survivor - and she committed the rest of her long life to an exceptional peacetime career which she lived in tribute to her lost friends. The Lieutenant-Colonel would also be the first woman to be honoured with a statue at the Australian War Memorial for her extraordinary bravery and service - a country girl who become one of the highest ranking women in the Australian army, and who spent her life caring for others. Growing up in Broken Hill, New South Wales, Vivian started work at a local hospital and joined the Australian Army Nursing Service in World War II. When the Japanese attacked Singapore in 1942, she and sixty-four other nurses were ordered to evacuate, but soon their ship was bombed by enemy aircraft. Some of the women drowned, but Viv made it to Radji Beach on Bangka Island, off Sumatra, with twenty-one of her nursing colleagues. There Japanese soldiers forced the women to wade back into the sea, and as Vivian felt a bullet slam into her back, she fell face down into the water then waited to die as the soldiers bayoneted survivors. Somehow Vivian lived. For the next three and a half years Viv was a prisoner of war in a series of brutal Japanese camps where she helped other inmates survive the horror. When peace was restored, she went on to become a giant of Australian nursing - and was a key driver of Operation Babylift, the mass rescue of young orphans during the Vietnam War. For her extraordinary efforts, Vivian

was awarded numerous honours, but she never forgot her fallen colleagues, whose lives she paid tribute to with her service to nursing. From the bestselling, critically acclaimed author of *Flinders*, *The Remarkable Mrs Reibey*, *Banks and Hudson Fysh*, *Sister Viv* tells the astonishing story of the courage, sacrifice, service, and love of an Australian nursing hero who survived against the odds and dedicated her life to the care of others.

The War Nurse Tracey Enerson Wood, 2021-07-06 Any readers who enjoyed the mix of romance, intrigue, and medical accuracy of *Call the Midwife* will love *The War Nurse*.—New York Journal of Books [An] impeccably researched, well-drawn, based-on-a-true-story tale, written by a former RN...*The War Nurse* shines an important light on a woman whose story was, until now, lost to time.—Kristin Harmel, New York Times bestselling author of *The Book of Lost Names* Based on a true story, *The War Nurse* is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France. She asked dozens of young women to lay their lives on the line during the Great War. Can she protect them? Superintendent of Nurses Julia Stimson must recruit sixty-four nurses to relieve the battle-worn British, months before American troops are ready to be deployed. She knows that the young nurses serving near the front lines will face a challenging situation, but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen, France. The primitive conditions, a convoluted, ineffective system, and horrific battle wounds are enough to discourage the most hardened nurses, and Julia can do nothing but lead by example—even as the military doctors undermine her authority and make her question her very place in the hospital tent. When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other, overwhelming the hospital's limited resources, and threatening the health of her staff, Julia faces an unthinkable choice—to step outside the bounds of her profession and risk the career she has fought so hard for, or to watch the people she cares for most die in her arms. Fans of Martha Hall Kelly's *Lost Roses* and Marie Benedict's *Lady Clementine* will devour this mesmerizing celebration of some of the most overlooked heroes in history: the fierce, determined, and brave nurses who treated soldiers in World War I. Praise for *The War Nurse*: Through careful research, this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations. —Julia Kelly, international bestselling author of *The Last Garden in England* and *The Light Over London* A rich, gripping history of one woman's lifelong battle against systemic prejudice. —Stewart O'Nan, award-winning author of *The Good Wife* Once again, Tracey Enerson Wood, with her impeccable research and evocative prose, kept me glued to the page. Wood has a talent for bringing strong, yet lesser-known women from history, to life. —Linda Rosen, author of *The Disharmony of Silence* A riveting and surprisingly timely story of courage, sacrifice, and friendship forged at the front lines. —Kelly Mustian, author of *The Girls in the Stilt House* If you, like me, are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action, then *The War Nurse* is for you. —Diane Dewey, author of *Fixing the Fates* Fans of Patricia Harman will love Wood's treatment of medical expertise in a historical setting.

Sunflower Sisters Martha Hall Kelly, 2021-03-30 NEW YORK TIMES BESTSELLER • Martha Hall Kelly's million-copy bestseller *Lilac Girls* introduced readers to Caroline Ferriday. Now, in *Sunflower Sisters*, Kelly tells the story of Ferriday's ancestor Georgeanna Woolsey, a Union nurse during the Civil War whose calling leads her to cross paths with Jemma, a young enslaved girl who is sold off and conscripted into the army, and Anne-May Wilson, a Southern plantation mistress whose husband enlists. "An exquisite tapestry of women determined to defy the molds the world has for them."—Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* Georgeanna "Georgey" Woolsey isn't meant for the world of lavish parties and the demure attitudes of women of her stature. So when war ignites the nation, Georgey follows her passion for nursing during a time when doctors considered women on the battlefield a bother. In proving them wrong, she and her sister Eliza venture from New York to Washington, D.C., to Gettysburg and witness the unparalleled horrors of slavery as they become involved in the war effort. In the South, Jemma is enslaved on the Peeler Plantation in Maryland, where she lives with her mother and father. Her sister, Patience, is enslaved on the plantation next door, and both live in fear of LeBaron, an abusive overseer who tracks their every move. When Jemma is sold by the cruel plantation mistress Anne-May at the same time the Union army comes through, she sees a chance to finally escape—but only by abandoning the family she loves. Anne-May is left behind to run Peeler Plantation when her husband joins the Union army and her cherished brother enlists with the Confederates. In charge of the household, she uses the opportunity to follow her own ambitions and is drawn into a secret Southern network of spies, finally exposing herself to the fate she deserves. Inspired by true accounts, *Sunflower Sisters* provides a vivid, detailed look at the Civil War experience, from the barbaric and inhumane plantations, to a war-torn New York City, to the horrors of the battlefield. It's a sweeping story of women caught in a country on the brink of collapse, in a society grappling with nationalism and unthinkable racial cruelty, a story still so relevant today.

Ordinary Heroes Sally White, 2018-01-15 The major unsung humanitarian role of British civilians and charities in the Great War and the tremendous bravery and suffering of the volunteers.

Hero Alethea Kontis, 2013 An intoxicating blend of fairy tale magic, lively wit, and romance spice up this companion novel to *Enchanted*.

Florence Nightingale: The Crimean War Lynn McDonald, 2011-02-01 Florence Nightingale is famous as the "lady with the lamp" in the Crimean War, 1854—56. There is a massive amount of literature on this work, but, as editor Lynn McDonald shows, it is often erroneous, and films and press reporting on it have been even less accurate. The *Crimean War* reports on Nightingale's correspondence from the war hospitals and on the staggering amount of work she did post-war to ensure that the appalling death rate from disease (higher than that from bullets) did not recur. This volume contains much on Nightingale's efforts to achieve real reforms. Her well-known, and relatively "sanitized", evidence to the royal commission on

the war is compared with her confidential, much franker, and very thorough Notes on the Health of the British Army, where the full horrors of disease and neglect are laid out, with the names of those responsible.

E. R. Nurses James Patterson, Matthew Eversmann, 2021-10-11 James Patterson and Matt Eversmann, #1 bestselling coauthors of *Walk in My Combat Boots*, powerfully present the frontline heroes who work to save our lives every day: E.R. Nurses. The compassion, the work ethic, and the selflessness of nurses ... are given the respect they deserve and captured beautifully here. -Sanjay Gupta, MD, neurosurgeon and chief medical correspondent, CNN James Patterson's account of the twilight world between life and death that nurses inhabit is one of the most moving things I have ever read. -Sebastian Junger, author of *Freedom and The Perfect Storm* Around the clock, across the country, these highly skilled and compassionate men and women sacrifice and struggle for us and our families. You have never heard their true stories. Not like this. From big-city and small-town hospitals. From behind the scenes. From the heart. This book will make you laugh, make you cry, make you understand. When we're at our worst, E.R. nurses are at their best.

Yes Sister, No Sister Jennifer Craig, 2002 'What is your name?' she asks, staring at me. 'Jennifer Ross.' 'Jennifer Ross, Sister. Well, Nurse Ross, you are dressed in the uniform of a nurse from the Leeds General Infirmary. Such a uniform is not worn with a cardigan. Take it off at once.' 'Yes Sister.' I can feel my face turn red. A trainee nurse in the 1950s had a lot to bear. In Jennifer Craig's enchanting memoir, we meet these warm-hearted yet naive young girls as they get to grips with strict discipline, long hours, and bodily fluids. But we also see the camaraderie that develops in evening study sessions, sneaked trips to the cinema and mischievous escapades with the young trainee doctors. The harsh conditions prove too much for some girls, but the opportunity to help her patients in their time of need is too much of a pull for Jenny. As she commits to her vocation and knuckles down to her exams, she is determined that when she reaches the heights of Ward Sister herself she will not become the frightening matron that struck fear into her student heart/ Rich in period detail, and told with a good dose of Yorkshire humor, *Yes Sister, No Sister* is a life-affirming true story of a life long past.

Ordinary People, Extraordinary Lives Carolyn Hope Smeltzer, Frances Vlasses, 2003 Stories about nurses are scarce, but stories about nurses who have accomplished extraordinary feats are almost non-existent. This beautifully produced, full-color book breaks that trend with stories about nurses who, in their daily lives, have made outstanding contributions in extraordinary ways in their communities. From around the globe, authors have contributed over 100 stories and images of nurses guaranteed to make you laugh, cry and applaud as you learn of their accomplishments. Through narrative and photography, each story shows how the individual nurse applies her or his talents to improve the quality of life of others. These stories capture the diversity, intensity and heroism of nursing. Collectively, they form a fascinating mosaic describing the fullness of the nursing profession.

Guy's Hospital Gazette, 1902

Heroic Acts in Humble Shoes Irene Stemler,2009 Irene Stemler, RN, BSN, goes beyond the research and gives a voice to the millions of nurses who directly or indirectly make a difference in the lives of patients. Each story opens with a photograph of the nurse's shoes and offers a unique, passionate, personal, and sometimes controversial perspective on nursing in today's health care environment. A springboard for spirited discussion about the future of nursing. When nurses read these reflections of the daily battle to provide quality health care to ordinary people, they are encouraged to act, taking a leadership position in transforming their profession and nurses' role in health care delivery as a whole--

My Sister, the Serial Killer Oyinkan Braithwaite,2019-07-30 ONE OF TIME MAGAZINE'S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME • BOOKER PRIZE NOMINEE • “A taut and darkly funny contemporary noir that moves at lightning speed, it’s the wittiest and most fun murder party you’ve ever been invited to.” —MARIE CLAIRE Korede’s sister Ayoola is many things: the favorite child, the beautiful one, possibly sociopathic. And now Ayoola’s third boyfriend in a row is dead, stabbed through the heart with Ayoola’s knife. Korede’s practicality is the sisters’ saving grace. She knows the best solutions for cleaning blood (bleach, bleach, and more bleach), the best way to move a body (wrap it in sheets like a mummy), and she keeps Ayoola from posting pictures to Instagram when she should be mourning her “missing” boyfriend. Not that she gets any credit. Korede has long been in love with a kind, handsome doctor at the hospital where she works. She dreams of the day when he will realize that she’s exactly what he needs. But when he asks Korede for Ayoola’s phone number, she must reckon with what her sister has become and how far she’s willing to go to protect her.

Nurse, Come You Here! Mary J. MacLeod,2015-05-05 From the author of Call the Nurse, come new tales of a London nurse working to help and heal a community on a remote Scottish island. Lively, touching, engaging reading for fans of Call the Midwife and All Creatures Great and Small. Julia MacLeod shares unique and enchanting experiences as a nurse in rural Scotland. Her stories will ring true with every nurse—or anyone—who has ever cared for a family or a community, whether in Scotland or America. Call the Nurse is a delightful read.” —LeAnn Thieman, author Chicken Soup for the Nurse's Soul Mary J. Macleod and her husband left the London area for an idyllic place to raise their young children in the late sixties, and they found the island of Papavray in the Scottish Hebrides. There they bought a croft house on a small acre of land, and Mary J. (also known as Julia) became the district nurse. At the age of eighty, she first recounted her family's adventures in her debut, Call the Nurse, where she introduced readers to the austere beauties of the island and the hardy charm and warmth of the islanders. The anecdotes in this new volume take us to the end of her stay on Papavray, after which the MacLeod family left for California. Once again, we meet the crofters Archie, Mary, and Fergie, and other friends. There are stories of troubles, joy, and tragedy, of children lost and found, the cow that wandered into the kitchen, a distraught young mother who strides

into the icy surf with her infant child, the ghostly apparition that returns after death to reveal the will in a sewing box. There are accidents and broken bones, twisters that come in from the sea, and acts of simple courage and uncommon generosity. Here again, a nurse's compassion meets Gaelic fortitude in these true tales of a bygone era.
