Mercy for Today Jonathan Parnell, 2020-01-07 You cannot make it without God's mercy. Do we just need God's grace in dark and shameful moments? Are prayers for mercy only for those times when we really mess up? Jonathan Parnell says we need God's mercy all the time. In fact, contrary to many church cultures, Parnell shows that asking God for mercy should be as regular as asking God for our daily bread. There's no doubt that David was in a terrible predicament when he first prayed the words of Psalm 51. It was a dark and shameful moment in the Bible, and one so dark and shameful it seldom feels relevant to us today. But David's most desperate prayer is really a prayer for all of us—and not just for our worst moments, but for our every moment. In these pages, you'll discover: how to pray a daily, memorable prayer derived from Psalm 51 how to practice daily repentance and soul care how to pursue God and experience his joy in the Christian life This is God's mercy, and it's Mercy for Today.

Celebration of Discipline Richard J. Foster, 1988-10-05 In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the classic Disciplines, or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to

make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and bring the abundance of God into our lives. He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and sets us free to enjoy the provision of God as a gift that can be shared with others. The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

A Diary of Private Prayer John Baillie, 2014-10-07 The classic collection of personal prayers updated in modern, accessible language.

God, Technology, and the Christian Life Tony Reinke, 2021-12-09 What Does God Think about Technology? From smartphones to self-driving cars to space travel, new technologies can inspire us. But the breakneck pace of change can also frighten us. So how do Christians walk by faith through the innovations of Silicon Valley? And how does God relate to our most powerful innovators? To build a biblical theology of technology, journalist and tech optimist Tony Reinke examines nine key texts from Scripture to show how the world's discoveries are divinely orchestrated. Ultimately, what we believe about God determines how we respond to human invention. With the help of several theologians and inventors throughout history, Reinke dispels twelve common myths in the church and offers fourteen ethical convictions to help Christians live by faith in the age of big tech. **Biblical, Informed Look at Technology:** Written by the author of *12 Ways Your Phone Is Changing You* and *Competing Spectacles: Treasuring Christ in the Media Age* Gathers Ideas from Industry Experts and Theologians: Interacts with Christian and non-Christian sources on technology and theology including John Calvin, Herman Bavinck, Wendell Berry, and Elon Musk **Educational:** Discusses the history and philosophy behind major technological innovations
