Stick Figures Save the World Pam Arlund,2022-03-29 Drawing Simply to Share Jesus Well Have you ever tried to share your faith but struggled, not really knowing what to say? This book helps solve that problem. Practical and funny, Pam Arlund offers a refreshing change from standard methods in discipling. In *Stick Figures Save the World*, you will learn to draw Bible stories in a simple way to equip even the newest follower of Jesus to pass on what they have learned to another. This method works when drawn in the dirt of a remote village or on a napkin in a coffeehouse. Whether you are trying to reach your own children, the neighbors, or a person across the world, this book can show you how. The surprising two-fold outcome of this method is how exciting Scripture will become and how well prepared you will be to share Jesus with others. Stick figures aren't just for kids, they are for everyone who wants to make the most of the opportunities the Lord gives to authentically share His love with the world.

Jesus and the Dead Sea Scrolls John Bergsma,2019-09-10 A major new work on the Dead Sea Scrolls, the oldest sacred documents of Judaism, which reveals their surprising connections to early Christianity. “A luminous treatment of a fascinating subject! Highly recommended!”—Scott Hahn, author of *The Fourth Cup* From award-winning scholar John Bergsma comes an intriguing book that reveals new insights on the Essenes, a radical Jewish community predating Christianity, whose existence, beliefs, and practices are often overlooked in the annals of history. Bergsma reveals how this Jewish sect directly influenced the beliefs, sacraments, and practices of early Christianity and offers new information on how Christians lived their lives, worshipped, and eventually went on to influence the Roman Empire and Western civilization. Looking to Hebrew scripture and Jewish tradition, Bergsma helps to further explain how a simple Jewish peasant could go on to inspire a religion and a philosophy that still resonates 2,000 years later. In this enriching and exciting exploration, Bergsma demonstrates how the Dead Sea Scrolls—the world's greatest modern archaeological discovery—can shed light on the Church as a sacred society that offered hope, redemption, and salvation to its member. Ultimately, these mysterious writings are a time machine that can transport us back to the ancient world, deepen our appreciation of Scripture, and strengthen our understanding of the Christian faith. “An accessible introduction . . . This is a handy entry point for readers unfamiliar with Essenes or those interested in the Dead Sea Scrolls.”—Publishers Weekly
