The newsletter is only sent out on Mondays, Wednesdays, and Fridays, so it won't spam you too much. Wikibooks is an open collection of (mostly) textbooks. Subjects range from Computing to Languages to Science; you can see all

that Wikibooks has to offer in Books by Subject. Be sure to check out the Featured Books section, which highlights free books that the Wikibooks community at large believes to be "the best of what Wikibooks has to offer, and should inspire people to improve the quality of other books." Baen is an online platform for you to read your favorite eBooks with a section consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.
