The CERT Guide to Insider Threats Dawn M. Cappelli, Andrew P. Moore, Randall F. Trzeciak. 2012-01-20 Since 2001, the CERT® Insider Threat Center at Carnegie Mellon University's Software Engineering Institute (SEI) has collected and analyzed information about more than seven hundred insider cyber crimes, ranging from national security espionage to theft of trade secrets. The CERT® Guide to Insider Threats describes CERT's findings in practical terms, offering specific guidance and countermeasures that can be immediately applied by executives, managers, security officers, and operational staff within any private, government, or military organization. The authors systematically address attacks by all types of malicious insiders, including current and former employees, contractors, business partners, outsourcers, and even cloud-computing vendors. They cover all major types of insider cyber crime: IT sabotage, intellectual property theft, and fraud. For each, they present a crime profile describing how the crime tends to evolve over time, as well as motivations, attack methods, organizational issues, and precursor warnings that could have helped the organization prevent the incident or detect it earlier. Beyond identifying crucial patterns of suspicious behavior, the authors present concrete defensive measures for protecting both systems and data. This book also conveys the big picture of the insider threat problem over time: the complex interactions and unintended consequences of existing policies, practices, technology, insider mindsets, and organizational culture. Most important, it offers actionable recommendations for the entire organization, from executive management and board members to IT, data owners, HR, and legal departments. With this book, you will find out how to Identify hidden signs of insider IT sabotage, theft of sensitive information, and fraud Recognize insider threats throughout the software development life cycle Use advanced threat controls to resist attacks by both technical and nontechnical insiders Increase the effectiveness of existing technical security tools by enhancing rules, configurations, and associated business processes Prepare for unusual insider attacks, including attacks linked to organized crime or the Internet underground By implementing this book's security practices, you will be incorporating protection mechanisms designed to resist the vast majority of malicious insider attacks.

Governance in South Asia Rumki Basu,M. Shamsur Rahman.2016-11-03 This book presents a nuanced analysis of governance in South Asia. It examines a range of themes including civil service reforms, women and development, environmental governance and public sector programmes, together with the impact of globalization on local issues and its influence on governance in the region. Through grass-roots studies, the volume also traces how the last 20 years have seen a social and economic resurgence in South Asia - transiting from stages of poverty, low growth rates, illiteracy and poor health to flourishing economies, improved savings, greater investments and stronger human development indicators. Drawing on extensive fieldwork, this book will be of great interest to scholars of politics and public administration, development studies, labour studies, and sociology and social anthropology. It will also be useful to practitioners in the field, NGOs and civil servants.

Diversity of Law in the United Arab Emirates Kristin Kamøy.2020-12-16 This book examines the law and its practice in the United Arab Emirates (UAE). The objective is to understand the logic of the legal system in the UAE through a rounded analysis of its laws in context. It thus presents an understanding of the system on its own terms beyond the accepted Western model. The book shows how the Emirati law differs from the conventional rule of law. The first section of the book deals with the imperial, international, and cultural background of the Emirati legal system and its influences on some of the elements of the legal system today. It maps the state's international legal obligations according to core human rights treaties showing how universal interpretations of rights may differ from Emirati interpretations of rights. This logic is further illustrated through an overview of the legal system, in federal, local, and free zones and how the UAE's diversity of legal sources from Islamic and colonial law provides legal adaptability. The second section of the book deals mainly with the contemporary system of the rule of law in the UAE but at times makes a detour to the British administration to show how imperial execution of power during the British administration created forerunners visible today. Finally, the debut of the UAE on the international scene contributed to an interest in human rights investigations, having manifestations in UAE law. The work will be a valuable resource for researchers and academics working in the areas of Comparative Constitutional Law, Legal Anthropology, Legal Pluralism, and Middle Eastern Studies.

Decisions and Orders of the National Labor Relations Board National Labor Relations Board.2012-02-29 Includes the decisions and orders of the Board, a table of cases, and a cross reference index from the advance sheet numbers to the volume page numbers.

Compendium of Drafts of Employment Contracts and Appointment Letters Saurabh Munjal,Som Nath Munjal.2020-07-02 About the Book This all-inclusive, well delved into book is a one stop solution pertaining to the drafting nightmares of the legal professionals, HR professionals and the students. The book has been so designed that it caters to their everyday requirements. With an aim to be a remedy to all the possible pitfalls while drafting the contracts, service rules, appointment letters etc., this book is extensive but to the point. The language is coherent and well suited to the content

of the book. Measures have been taken to carefully examine and include all the important points while drafting the samples for the reference of the readers. A large numbers of sample drafts included in the book make the day to day working of the professionals easy and hassle free. All in all, it is a go to book for professionals in search of a scrupulous yet relevantly put together book of draft appointment letters and service rules. The book stands true to its name- Key highlights Covering: - Samples of appointment letters along with guidelines for drafting. - Common formats of leave, TA, DA, LFC, Housing Loan and Furniture Loan application. - Guidelines for drafting Service manual. - Samples of Probation, Transfer, Resignation, Retirement, Exit Interview and Relieving Letter. - Different types of Memorandum & Chargesheet. Detailed coverage of the Industrial Employment (Standing Orders) Act, 1946. Meticulously integrated. Simple and crisp language. Sample draft for various letters/contracts. Eye for every minute detail. Covers common concerns in the industry. Highlights the common pitfalls while drafting the letters/contracts.

The Billionaire and the Devatha SIVANANDAN.2018-01-09 The book, The Billionaire and the Devatha, is a romantic fiction about Hari, who is tested by fate and forced to face all sorts of difficulties in life. Does he face his troubles boldly, and is he able to come out on top of them? The value of Indian culture and importance of maintaining good relationships have been projected throughout the story. Hari suffers through several difficult situations one after another, and readers may relate to his plight. However, it is important to remember that unconditional love and respect for Nature and the Almighty will definitely give us the support necessary to understand that our falls are neither fatal nor permanent. Hari is only an imaginary example of the lives of many living legends who have fought all their lives to attain great fame. This book is a very interesting read with plenty of surprise twists at unexpected moments.

Lloyd's Register OneOcean's Guide to Port Entry 1995-96 Albania-Kuwait Lloyd's Register Foundation.1995-01-01 First published in 1971, these Guides provide invaluable information on thousands of commercial ports and terminals across the globe. They are compiled and published annually by LR OneOcean, whose years of global maritime experience allows them to provide expert and innovative solutions that enhance efficiency, sustainability, and overall industry success. The Guides cover a significant geographical breadth, and the most recent volume includes information on over 12,500 ports, harbours and terminals worldwide. These are fully indexed and contain detailed port plans and mooring diagrams.

Hitler's Brudervolk Geraldien von Frijtag Drabbe Künzel.2015-07-03 This is the first academic book on Dutch colonial aspirations and initiatives during WWII. Between the summers of 1941 and 1944, some 5,500 Dutch men and women left their occupied homeland to find employment in the so-called German Occupied Eastern Territories: Belarus, the Baltic

countries and parts of Ukraine. This was the area designated for colonization by Germanic people. It was also the stage of the Holocaust by Bullets, a centrally coordinated policy of exploitation and oppression and a ruthless anti-partisan war. This book seeks to answer why the Dutch decided to go there, how their recruitment, transfer and stay were organized, and how they reacted to this scene of genocidal violence. It is a close-up study of racial monomania, of empire-building on the old continent and of collaboration in Nazi-occupied Europe.

Global Migration, Gender, and Health Professional Credentials Margaret Walton-Roberts.2022-03-01 Bringing together diverse approaches and case studies of international health worker migration, Global Migration, Gender, and Health Professional Credentials critically reimagines how we conceptualize the transfer of value embodied in internationally educated health professionals (IEHPs). This volume provides key insights into the economic and feminist concepts of global value transmission, the complexity of health worker migration, and the gendered and intersectional intricacies involved in the workplace integration of immigrant health care workers. The contributions to this edited collection uncover the multitude of actors who play a role in creating, transmitting, transforming, and utilizing the value embedded in international health migrants.

Adopting the Track of Phrase: An Emotional Symphony within **Noc Letter Of Employee Leaving The Company**

In a world used by monitors and the ceaseless chatter of instantaneous communication, the melodic beauty and emotional symphony developed by the published word usually diminish in to the back ground, eclipsed by the persistent sound and disturbances that permeate our lives. However, nestled within the pages of **Noc Letter Of Employee Leaving The Company** an enchanting fictional prize filled with organic feelings, lies an immersive symphony waiting to be embraced.

Constructed by an elegant composer of language, this interesting masterpiece conducts visitors on a mental journey, skillfully unraveling the hidden melodies and profound influence resonating within each carefully crafted phrase. Within the depths of this poignant assessment, we shall investigate the book's key harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
