Sorceline Sylvia Douyé, 2022-05-17 Welcome to the Island of Vorn, where mythical creatures roam free and only the brightest students are invited to study them. In Book 1 of this riveting new middle grade graphic novel series, a gifted young cryptozoologist-in-training must learn to tame powerful beasts—including her own inner demons. For as long as she can remember, Sorceline has had a knack for the study of mythical creatures. Now a student at Professor Archibald Balzar's prestigious school of cryptozoology, she's eager to test her skills and earn a spot as one of Balzar's apprentices. But for all her knowledge of gorgons, vampires, and griffins, Sorceline is mystified by her fellow humans. While she excels in her studies, she quickly clashes with her classmates, revealing her fiery temper. When one of her rivals suddenly disappears, Sorceline must set aside her anger and join the quest to find her. But the mystery only deepens, leading Sorceline on a journey far darker and more personal than she expected . . .

A Winter's Promise Christelle Dabos, 2018-09-25 "A stunningly atmospheric fantasy that doubles as an exceptional character study . . . we can't wait to see where Dabos takes it next." —Entertainment Weekly ("The 10 Best YA Books of 2018") One of Publishers Weekly's Best YA Books of the Year A National Indie Bestseller Lose yourself in the fantastic world of the arks and in the company of unforgettable characters in this French runaway hit, Christelle Dabos' The Mirror Visitor quartet. Plain-spoken, headstrong Ophelia cares little about appearances. Her ability to read the past of objects is unmatched in all of Anima and, what's more, she possesses the ability to travel through mirrors, a skill passed down to her from previous generations. Her idyllic life is disrupted, however, when she is promised in marriage to Thorn, a taciturn and influential member of a distant clan. Ophelia must leave all she knows behind and follow her fiancé to Citaceleste, the capital of a cold, icy ark known as the Pole, where danger lurks around every corner and nobody can be trusted. There, in the presence of her inscrutable future husband, Ophelia slowly realizes that she is a pawn in a political game that will have far-reaching ramifications not only for her but for her entire world. The World of the Arks Long ago, following a cataclysm called the Rupture, the world was shattered into many floating celestial islands, now known as arks. Over each, the spirit of an omnipotent and immortal ancestor abides. The inhabitants of these arks each possess a unique power. Ophelia, with her ability to read the pasts of objects, must navigate this fantastic, disjointed, perilous world using her trademark tenacity and quiet strength.

Scarred Regrets Adelaide Forrest,2021-12-26 Broken men don't fall in love. We linger in the darkness, consumed by the sins that define us. Irina is the sole reason my heart beats. She's everything that matters in a world filled with evil that a woman so good and pure should never have to see. She'll add another scar to my collection - this one engraved on my heart. When she's taken by our enemy to use for his vengeance. Even knowing she can never be mine, I'll stop at nothing to see her safe. The Irina I rescue isn't the same feisty woman they stole. Her soul is broken. Her heart is hollow like mine, because of the things she's seen. She needs me in a way I've never known. And I will destroy the man who shattered what's mine. *Scarred Regrets* is a full-length standalone romance, but the series presents a better reading experience when following the suggested order. This series contains dark elements, including over-the-top antiheroes who do as they please. Read at your own discretion.

A Spoonful of Poison M. C. Beaton,2008-09-30 After a festive church event becomes the scene of two murders, Agatha

is charged with getting to the bottom of the crime.

Bloodied Hands Adelaide Forrest,2020-02-20 She's an innocent. Caught in the wrong place at the wrong time. My Angel is the one who got away-the only person in the world I love. When she is caught in an unsanctioned bank robbery in my territory, only my reputation protects her. She should have stayed away. Instead, she charges back into my life like a shining beacon in my otherwise bleak existence. She has no place in my world where hardened criminals toy with the lives of the innocent. A better man would let her go - again. There's no white picket fence in life with a Bellandi, and she deserves so much more. I pushed her away once, but now that she's back I won't let anything else come between us. Not even Ivory herself. Disclaimer: Bloodied Hands is a full-length standalone novel with crime syndicate members and dark content. The Bellandi Crime Syndicate Series includes several full-length standalones with HEA that can be read in any order, but would present a better reading experience following the suggested reading order.

Curtain Call Wilfred Lupano,2020-03-31 Originally published in 2013 in French under the title: Ma Râevâerence.

Gonzo Girl Cheryl Della Pietra,2015-07-28 The road to hell is paved with good intentions...and tequila, guns, and cocaine in this “rambunctiously entertaining” (Teddy Wayne) debut novel inspired by the author’s time as Hunter S. Thompson’s assistant. Alley Russo is a recent college grad desperately trying to make it in the grueling world of New York publishing, but like so many who have come before her, she has no connections and has settled for an unpaid magazine internship while slinging drinks on Bleecker Street just to make ends meet. That’s when she hears the infamous Walker Reade is looking for an assistant to replace the eight others who have recently quit. Hungry for a chance to get her manuscript onto the desk of an experienced editor, Alley jumps at the opportunity to help Reade finish his latest novel. After surviving an absurd three-day “trial period” involving a .44 magnum, purple-pyramid acid, violent verbal outbursts, brushes with fame and the law, a bevy of peacocks, and a whole lot of cocaine, Alley is invited to stay at the compound where Reade works. For months Alley attempts to coax the novel out of Walker page-by-page, all while battling his endless procrastination, vampiric schedule, Herculean substance abuse, mounting debt, and casual gunplay. But as the job begins to take a toll on her psyche, Alley realizes she’s alone in the Colorado Rockies at the mercy of a drug-addicted literary icon who may never produce another novel—and her fate may already be sealed. “A margarita-fueled, miniskirt-clad cautionary tale of lost literary innocence” (Vogue), *Gonzo Girl* is a loving fictional portrait of a larger-than-life literary icon.

Fuzz and Pluck Ted Stearn,1999 New York cartoonist/ animator Ted Stearn is currently working as a mainstay for MTV animation. His credits include Beavis and Butthead and Daria. His first book collection documents the hilarious adventures of a rather annoyed plucked chicken and a dull but lovable bear.Originally serialised in the popular alternative comics anthology Zero Zero, FUZZ AND PLUCK will surely spark interest in Stearn's vivid imagination and meticulous draughtmanship. A picaresque rom through a surreal world that continually thwarts our protagonists' attempt to live simply.

Across the Void S.K. Vaughn, 2019-07-02 A visceral space thriller—perfect for fans of *Arrival* and *The Martian*—following the sole survivor of a catastrophic accident in space that leaves her drifting in the void with only the voice of her estranged husband, a NASA scientist, to guide her back to Earth. Commander Maryam “May” Knox awakes from a medically induced coma alone, adrift in space on a rapidly failing ship, with little to no memory of who she is or why she’s there. Slowly, she pieces together that she’s the captain of the ship, *Hawking II*; that she was bound for Europa—one of Jupiter’s moons—on a research mission; and that she’s the only survivor of either an accident—or worse, a deliberate massacre—that has decimated her entire crew. With resources running low, and her physical strength severely compromised, May must rely on someone back home to help her. The problem is: everyone thinks she’s dead. Back on Earth, it’s been weeks since *Hawking II* has communicated with NASA, and Dr. Stephen Knox is on bereavement leave to deal with the apparent death of his estranged wife, whose decision to participate in the Europa mission strained their marriage past the point of no return. But when he

gets word that NASA has received a transmission from May, Stephen comes rushing to her aid. What he doesn't know is that not everyone wants May to make it back alive. Even more terrifying: she might not be alone on that ship. Featuring a twisting and suspenseful plot and compelling characters, *Across the Void* is a moving and evocative thriller that you won't be able to put down.

The Property Rutu Modan, 2021-04-22 *The Property* is a work that will inspire, fascinate, and delight readers and critics alike. Savvy and insightful, elegant and subtle, Rutu Modan's second full-length graphic novel is a triumph of storytelling and fine lines. After the death of her son, Regina Segal takes her granddaughter Mica to Warsaw, hoping to reclaim a family property lost during the Second World War. As they get to know modern Warsaw, Regina is forced to recall difficult things about her past, and Mica begins to wonder if maybe their reasons for coming aren't a little different than what her grandmother led her to believe. Modan offers up a world populated by prickly seniors, smart-alecky public servants, and stubborn women—a world whose realism is expressed alternately in the absurdity of people's behavior and in the complex consequences of their sacrifices. Modan's ever-present wit is articulated perfectly in her clear-line style, while a subtle, almost muted color palette complements the true-to-life nuances of her characterization. *Exit Wounds* made a huge splash for this signature combination of wit, style, and realism, and *The Property* will cement Modan's status as one of the foremost cartoonists working today. Translated from the Hebrew by Jessica Cohen.
