**KJ Lindholm-Leary**

**Jean Charles Blanc** Jean Charles Blanc,Atiq Rahimi,2017-03 - A carefree photographic exploration of Afghanistan: a country that was soon to be torn apart by warfare - Haunting pictures of landscapes and people, now irrevocably changed Imagine Afghanistan prior to the terror. In 1963, Blanc set out for India by car, travelling with two friends. One of the many countries they crossed was Afghanistan: an exotic, unfamiliar land which they began to explore. Visiting villages, towns, theatres, bars and markets, Blanc portrayed people and landscapes in equal measure. His black-and-white photographs bear testimony to a world that has long ceased to exist. To someone from the Western world, the pictures seem curiously familiar yet disturbingly different from everything we generally think of in relation to Afghanistan. Blanc shows removed dream places, pristine landscapes, moving portraits and intimate moments. His photography is all the more potent in hindsight, as we know the country and its people he depicts had their hopes for the future cruelly dashed only a short while later.

*Why Study History?* John Fea,2024-03-26 What is the purpose of studying history? How do we reflect on contemporary life from a historical perspective, and can such reflection help us better understand ourselves, the world around us, and the God we worship and serve? Written by an accomplished historian, award-winning author, public evangelical spokesman, and respected teacher, this introductory textbook shows why Christians should study history, how faith is brought to bear on our understanding of the past, and how studying the past can help us more effectively love God and others. John Fea shows that deep historical thinking can relieve us of our narcissism; cultivate humility, hospitality, and love; and transform our lives more fully into the image of Jesus Christ. The first edition of this book has been used widely in Christian colleges across the country. The second edition provides an updated introduction to the study of history and the historian's vocation. The book has also been revised throughout and incorporates Fea's reflections on this topic from throughout the past 10 years.

**Godard On Godard** Jean-luc Godard,1986-03-22 Jean-Luc Godard, like many of his European contemporaries, came to filmmaking through film criticism. This collection of essays and interviews, ranging from his early efforts for La Gazette du

Cinéma to his later writings for Cahiers du Cinéma, reflects his dazzling intelligence, biting wit, maddening judgments, and complete unpredictability. In writing about Hitchcock, Welles, Bergman, Truffaut, Bresson, and Renoir, Godard is also writing about himself-his own experiments, obsessions, discoveries. This book offers evidence that he may be even more original as a thinker about film than as a director. Covering the period of 1950-1967, the years of *Breathless*, *A Woman Is a Woman*, *My Life to Live*, *Alphaville*, *La Chinoise*, and *Weekend*, this book of writings is an important document and a fascinating study of a vital stage in Godard's career. With commentary by Tom Milne and Richard Roud, and an extensive new foreword by Annette Michelson that reassesses Godard in light of his later films, here is an outrageous self-portrait by a director who, even now, continues to amaze and bedevil, and to chart new directions for cinema and for critical thought about its history.

**Photography** Tom Ang,TOM ANG PARTNERSHIP,2022-10-11 Learn how to take photos like the greats! Transform an interest in photography into an exciting hobby or possible professional endeavor with this fantastic photography book The pages of this photography guide book take you on a journey through the development of photography. Explore its history, how it became an art form and how to apply its techniques to your own photos to create stunning photographic works! *Photography: History. Art. Technique.* is the perfect photographic coffee table book for budding photographers who are fascinated by the history of photography and want to learn how to improve their skills. You'll discover: • All the basics of photography and tips for using a smartphone to create stunning photos. • An in-depth introduction to the history of photography. • A new, larger format that makes the content clearer and more accessible. The development of photography is possibly one of the most extraordinary feats of modern technology. *Photography: History. Art. Technique.* captures the most awe-inspiring photos and people that have pushed the boundaries of this medium, and the genres they've experimented with like landscapes, portraits, wildlife and art photography. The second half of this photography book delves into using the technical aspects of your camera like aperture, contrast, light, accessories and digital editing. Author Tom Ang further includes masterclasses that cover the key features of each photographic style, the photographers that influence them and how to apply these techniques in your own photography!

**Native** Kaitlin B. Curtice,2020-05-05 *Native* is about identity, soul-searching, and the never-ending journey of finding

ourselves and finding God. As both a citizen of the Potawatomi Nation and a Christian, Kaitlin Curtice offers a unique perspective on these topics. In this book, she shows how reconnecting with her Potawatomi identity both informs and challenges her faith. Curtice draws on her personal journey, poetry, imagery, and stories of the Potawatomi people to address themes at the forefront of today's discussions of faith and culture in a positive and constructive way. She encourages us to embrace our own origins and to share and listen to each other's stories so we can build a more inclusive and diverse future. Each of our stories matters for the church to be truly whole. As Curtice shares what it means to experience her faith through the lens of her Indigenous heritage, she reveals that a vibrant spirituality has its origins in identity, belonging, and a sense of place.

*The Wine Bible* Karen MacNeil, 2015-10-13 No one can describe a wine like Karen MacNeil. Comprehensive, entertaining, authoritative, and endlessly interesting, *The Wine Bible* is a lively course from an expert teacher, grounding the reader deeply in the fundamentals—vine-yards and varietals, climate and terroir, the nine attributes of a wine's greatness—while layering on tips, informative asides, anecdotes, definitions, photographs, maps, labels, and recommended bottles. Discover how to taste with focus and build a wine-tasting memory. The reason behind Champagne's bubbles. Italy, the place the ancient Greeks called the land of wine. An oak barrel's effect on flavor. Sherry, the world's most misunderstood and underappreciated wine. How to match wine with food—and mood. Plus everything else you need to know to buy, store, serve, and enjoy the world's most captivating beverage.

Readers' Guide to Periodical Literature, 1926

American Military History, Volume II, 2010 From the Publisher: This latest edition of an official U.S. Government military history classic provides an authoritative historical survey of the organization and accomplishments of the United States Army. This scholarly yet readable book is designed to inculcate an awareness of our nation's military past and to demonstrate that the study of military history is an essential ingredient in leadership development. It is also an essential addition to any personal military history library.

Set the Night on Fire Robby Krieger, 2021-10-12 In his tell-all, legendary Doors guitarist, Robby Krieger, one of Rolling Stone's 100 Greatest Guitarists of All Time, opens up about his band's meteoric career, his own darkest moments, and the most famous black eye in rock 'n' roll. Few bands are as shrouded in the murky haze of rock mythology as The Doors, and parsing fact from fiction has been a virtually impossible task. But now, after fifty years, The Doors' notoriously quiet guitarist is finally breaking his silence to set the record straight. Through a series of vignettes, Robby Krieger takes readers back to

where it all happened: the pawn shop where he bought his first guitar; the jail cell he was tossed into after a teenage drug bust; his parents' living room where his first songwriting sessions with Jim Morrison took place; the empty bars and backyard parties where The Doors played their first awkward gigs; the studios where their iconic songs were recorded; and the many concert venues that erupted into historic riots. *Set the Night on Fire* is packed with never-before-told stories from The Doors' most vital years, and offers a fresh perspective on the most infamous moments of the band's career. Krieger also goes into heartbreaking detail about his life's most difficult struggles, ranging from drug addiction to cancer, but he balances out the sorrow with humorous anecdotes about run-ins with unstable fans, famous musicians, and one really angry monk. *Set the Night on Fire* is at once an insightful time capsule of the '60s counterculture, a moving reflection on what it means to find oneself as a musician, and a touching tale of a life lived non-traditionally. It's not only a must-read for Doors fans, but an essential volume of American pop culture history.
