Little Goose's Autumn Elli Woollard,2020-09-03 Little Goose's Autumn is a second stunning story from an exciting picture book pairing and the uplifting tale of a lively young goose finding her place in the world. As summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do - but what? The beavers are chopping wood, the squirrels are storing nuts in the ground and the bears are busy building a den. The plucky little goose tries to join in, but without great success. She realizes her wings weren't built for chopping wood, or burying food, or building a den, but they were built for something magnificent - they were built for flight . . . A beautiful, lyrical and hopeful story about finding your wings and your place in the world. Written by star picture book author, Elli Woollard with wonderful illustrations by rising talent, Briony May Smith, whose artwork brings an autumnal landscape of mountains and forests to life with truly breathtaking beauty.

All Around Bustletown: Summer Rotraut Susanne Berner,2020-03-19 Kids will enjoy hours of fun exploring these vibrantly detailed drawings that celebrate the joys of summer in a busy town. It's summer and that means flowers, picnics, thunderstorms, and bike rides. It's a busy time for construction workers, farmers, and house painters. Playgrounds are filled with kids and vacationers are boarding trains in droves. In the sky a pair of balloons drifts through every scene, while on the street people of all ages make their way to an outdoor birthday party. There's even a big storm that turns umbrellas inside out, sends hats flying, but ends in a lovely rainbow. As kids pore over these oversized spreads, they will delight in identifying the same characters on each page as they walk, play, jog, and roller skate--from homes to parks and office buildings to rail stations. In the tradition of Richard Scarry and Where's Waldo, this book encourages kids to return again and again to these charming spreads, following along with the characters and inventing their own stories. All kinds of summer activities come alive in these endearing drawings that provide endless entertainment and spark engaging conversations.

All Around Bustletown: Nighttime Rotraut Susanne Berner,2022-04-12 Bustletown's many fans will delight in this

nocturnal return trip, which finds the village's beloved people, animals, and streetscapes as fun and busy as ever. No matter what time of year, the inhabitants of Bustletown are busy working, walking, playing, eating, making music, exercising, and shopping. Now, even though it's nighttime, the fun hasn't stopped. Just as Berner's previous explorations of the town have brilliantly evoked the sights and colors of the seasons, here she bathes the town in shimmering darkness that throws evening activities into fascinating relief. Seven colorful and incredibly detailed spreads take readers inside a multi-generational house, a farm, a railway station, a community center, a marketplace, a department store, and a park with a lake. Readers will return again and again to these pages to discover everything that takes place in Bustletown during the late hours: a burglar tries to break into the dental office, the bookshop features "books for a good night," fireworks explode above the lake, and a slumber party is raging in the library. And as they search on each page for their favorite returning characters, they'll create their own stories about all the things you can do after the sun sets.

Frederick Leo Lionni,2017-01-17 Leo Lionni's Caldecott Honor-winning story about a little mouse who gathers something unusual for the long winter is turning fifty! Celebrate this beloved favorite, which now includes a special introduction from noted children's book historian Leonard Marcus. Winter is coming, and all the mice are gathering food . . . except for Frederick. But when the days grow short and the snow begins to fall, it's Frederick's stories that warm the hearts and spirits of his fellow field mice. Winner of a 1967 Caldecott Honor, Frederick has been cherished by generations of readers. "A splendid achievement." —School Library Journal, starred review "In Frederick, a mouse who is a poet from the tip of his nose to the end of his tail demonstrates that a seemingly purposeless life is indeed far from that—and that we need not live by bread alone!" —Eric Carle

The Story Orchestra: Four Seasons in One Day,2016-10-04 Discover what it would be like to travel through the four seasons in one day in this musical story based on the classical masterpiece The Four Seasons—push the button in each breathtaking scene to hear the vivid sound of an orchestra playing from Vivaldi's score. Follow a little girl called Isabelle and her dog, Pickle, as they take on the adventure of a lifetime. As a sign of the changing seasons, Isabelle carries a little apple

tree with her, and we see it bud, blossom, and lose its leaves. As you and your little one journey through the vibrant scenes illustrated by artist Jessica Courtney-Tickle, you will press the buttons to hear 10 excerpts from The Four Seasons violin concerti. At the back of the book, find a short biography of the composer, Antonio Vivaldi, with details about his composition of The Four Seasons. Next to this, you can replay the musical excerpts and, for each of them, read a discussion of the instruments, rhythms, and musical techniques that make them so powerful. A glossary defines musical terms. The Story Orchestra series brings classical music to life for children through gorgeously illustrated retellings of classic ballet stories paired with 10-second sound clips of orchestras playing from their musical scores. Manufacturer's note: please pull the white tab out of the back of the book before use. Sound buttons require a firm push in exact location to work, which may be hard for young children. All sound clips are 10 seconds long.

All Around Bustletown: Spring Rotraut Susanne Berner, 2020-02-18 Kids will spend hours poring over the oversized pages of this joyfully illustrated book that looks at a bustling town's activities in spring. It's springtime in this charming, busy town and there is a lot going on! A house gets a top-to-bottom spring cleaning and farm fields are being prepared for planting. People are shopping, commuting to work, constructing buildings, and meeting friends. If you look closer, you'll recognize the same characters appear on every page, each with their own story. There's Wilfred the jogger slipping on a banana peel and his friend Erica who comes to help him. Three cheerful nuns shop, chat, and share a snack at the cafe. A stork surveys all the activity from the sky while a mischievous fox scampers through the streets. In the tradition of Richard Scarry and Where's Waldo, this book encourages kids to return again and again to each spread, following along with the characters and inventing their own stories. They'll recognize parts of their own world, while also learning about the endless ways we live, work, and play in the spring.

Fox & Chick: The Quiet Boat Ride Sergio Ruzzier, 2019-03-05 In the second book of this lauded series, Fox and Chick are off on three new adventures involving a boat ride, a mysterious box, and an early morning trip to see the sunrise. Despite the antics ensuing from their opposite personalities, the contradictory duo always manages to find a happy center. This early chapter book in comic-book form is perfect for emerging readers, while the sweet and funny characters and captivating art hold appeal for picturebook audiences as well.

With Big Bear's help, Little One grows more and more confident, until winter comes once more and it's time to head home. [Hokusai's 36 Views of Mount Fuji](#) Patrick McDermott, 2010-12-21 Hokusai's 36 Views of Mount Fuji Fugaku

Sanjurokkei I've long been a fan of Hokusai, and love the 36 Views of Mount Fuji series, so I put this little book together for myself with images of the prints in the series that I have collected over the years from various public sources. It turned out so well, I thought others might find it useful, so I decided to make it available to others using the amazing technology available today. This book simply contains a small (about 4 x 6) full-color copy of each of the 46 prints (sic: 36 Views has 46 views in it) in the series 36 Views of Mount Fuji. I use the book as a reference and reminder. There is no commentary or discussion, just the pictures, with the name in English & Japanese (romaji & kanji). I've indexed each picture with keywords, so if I want to find one with a ferry boat, the ones with snow, the one with the little turtle, or the salt gatherers, I can find them in the index. If you are interested in Hokusai's work, you might find this book as useful as I have.
