**Horse Speak: An Equine-Human Translation Guide** Sharon Wilsie,Gretchen Vogel,2016-11-29 *Horse Speak* is not a training method or technique—it is a practical system for “listening” and “talking” to horses in their language, instead of expecting them to comprehend ours. *Horse Speak* can be used by anyone who works with horses, whether riding instructor, colt starter, recreational rider, or avid competitor. It promises improved understanding of what a horse is telling you, and provides simple replies you can use to tell him that you “hear” him, you “get it,” and you have ideas you want to share with him, too. The result? Time with your horse will be full of what horse trainer and equine-assisted learning instructor Sharon Wilsie of Wilsie Way Horsemanship calls Conversations, and soon the all-too-common misunderstandings that occur between horse and human will evolve into civil discussions with positive and progressive results! Learn *Horse Speak* in 12 easy steps; understand equine communication via breath and body language; and discover the Four Gs of *Horse Speak*: Greeting, Going Somewhere, Grooming, and Gone. Practice regulating your intensity, and sample dozens of ready-made Conversations with your horse, as step-by-step templates and instructional color photographs walk you through the eye-opening process of

communicating on a whole new level.

**Think Like a Horse** Grant Gollhofer,2022-05-31 In Think Like a Horse, veteran “horse whisperer” and leadership expert Grant Gollhofer applies his hard-won horse sense to teach invaluable lessons anyone can use to live a fuller, more successful life. Grant Gollhofer is what some would call a “horse whisperer,” able to get a wild horse to calmly accept a saddle and a rider without the use of force. Through training thousands of horses, many traumatized or abused, Gollhofer was able to learn essential lessons about communication, boundaries, fairness, trust, and respect—lessons that apply not just to horses but to humans as well. It’s why celebrities, Fortune 500 executives, professional coaches, supreme court justices, and even ordinary families from around the world flock to his Wyoming ranch every year to take part in what one CEO called “the most transformational experience I have ever encountered.” Horse whispering may sound like magic, but as Grant explains in Think Like a Horse, it’s not really all that mysterious. The lessons he shares are as fundamental and ageless as the relationship between horses, the people who ride them, and the beauty of the West. In fact, it’s an approach that anyone can learn, and should learn, in order to better understand our common humanity, overcome trauma, foster more fulfilled relationships, and unlock untapped potential in virtually every aspect of our lives. All you have to do is think like a horse.
