[Bulletin of the Atomic Scientists](#) .1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world.

**World Report 2018** Human Rights Watch.2018-01-30 The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken in 2016 by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

*Ask a Manager* Alison Green.2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even

better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*Consular Notification and Access* .2003 This booklet contains instructions and guidance relating to the arrest and detention of foreign nationals, deaths of foreign nationals, the appointment of guardians for minors or incompetent adults who are foreign nationals, and related issues pertaining to the provision of consular services to foreign nationals in the United States. This booklet is designed to help ensure that foreign governments can extend appropriate consular services to their nationals in the United States and that the United States complies with its legal obligations to such governments. The instructions and guidance herein should be followed by all federal, state, and local government officials, whether law enforcement, judicial, or other, insofar as they pertain to foreign nationals subject to such officials' authority or to matters within such officials' competence.

Logical Reasoning Bradley Harris Dowden.1993 This book is designed to engage students' interest and promote their writing abilities while teaching them to think critically and creatively. Dowden takes an activist stance on critical thinking, asking students to create and revise arguments rather than simply recognizing and criticizing them. His book emphasizes inductive reasoning and the analysis of individual claims in the beginning, leaving deductive arguments for consideration later in the course.

*Secret Genocide* Daniel Pedersen.2015-01-08 It is almost 60 years since the Karen took up arms against the Burmese dictatorship to fight for an independent homeland, but theirs is a nationalist struggle that shows no sign of exhaustion. *Secret Genocide* is a scholarly book on the plight of the Karen of Burma. Author Daniel Pedersen writes about the secret genocide of the Karen people at the hands of the Burmese junta, who use murder, rape, forced labour and torture to quell their enemies. Decades after the Karen took up arms against Rangoon; there is no telling when - or if - their struggle for a secure homeland will be finally accomplished.

**About What Was Lost** Jessica Berger Gross.2006-12-26 In this intimate anthology, twenty writers explore the grief and sadness—and hope—that living through a miscarriage can bring. Featuring such notable writers as Pam Houston, Joyce Maynard, Caroline Leavitt, Susanna Sonnenberg, and Julianna Baggott, among many others, *About What Was Lost* is the only book that uses honest, eloquent, and deeply moving narrative to provide much-needed solace and support on the subject of pregnancy loss. Today, as many as one in four pregnancies ends in miscarriage. And yet, many women are surprised to find that instead of simply grieving the end of a pregnancy, they feel as if they are mourning the loss of a child. Taken aback by their sorrow, they seek solace in similar perspectives—only to find that a silence and lingering stigma surrounds the topic. Revealing a wide spectrum of experiences and perspectives, this powerful collection offers comfort and community for the millions of women (and their loved ones) who experience this all-too-common kind of loss every year.

Inclusion recognizes terminology existence, not legitimacy. Entries known to be obsolete are included because they may still appear in extant publications and correspondence.

Indiana Notary Public Guide Indiana Secretary of State. 2019-04-06 A notary is a public official responsible for independently verifying signatures and oaths. Depending on how a document is written, a notarization serves to affirm the identity of a signer and the fact that they personally executed their signature. A notarization, or notarial act, officially documents the identity of a party to a document or transaction and the occasion of the signing that others can rely upon, usually at face value. A notary's authentication is intended to be reliable, to avoid the inconvenience of having to locate a signer to have them personally verify their signature, as well as to document the execution of a document perhaps long after the lifetime of the signer and the notary. An oath is a sworn statement. In most cases a person will swear that a written statement, oral statement, or testimony they are about to give is true. A notary can document that the notary administered an oath to an individual.

Human Rights and Equal Opportunity Commission. 2007 This DVD was produced in 1997 and forms part of the 'Bringing them home' education resource for use in Australian classrooms. This resource is based on 'Bringing them home', the report of the 'National Inquiry into the Separation of Aboriginal and Torres Strait Islander children from Their Families', and on the history of forcible separation and other policies which have impacted on the lives of Indigenous Australians.

**Dowry Murder** Veena Talwar Oldenburg. 2002 Oldenburg argues that dowry murder is not about dowry per se nor is it rooted in an Indian culture or caste system that encourages violence against women. Rather, dowry murder can be traced directly to the influences of the British colonial era.

Status of Children Arising from Inter-country Surrogacy Arrangements Michael Wells-Greco. 2016 Through a comparative

review of eight legal systems, this book examines the legal aspects of parenthood and nationality following inter-country surrogacy arrangements and the influence of European and international human rights law on the determination of parentage, the establishment of nationality, and the prevention of statelessness, as well as identity rights, continuation of relationship rights, and, more broadly, child protection. The research considers whether national laws on parenthood and the establishment of nationality sufficiently protect the interests of the surrogate-born child, as well as the parties to a surrogacy arrangement in accordance with identifiable standards under European and international human rights law. Soft law and hard law recommendations are provided to protect the interests of these children. Thesis. \*\*\* Librarians: ebook available [Subject: International Law, European Law, Human Rights Law, Family Law, Children's Law, Comparative Law]

**Stories From My Grandparent** Susan Adcox. 2014-03-18 Share Your Love, Share Your Stories! Your grandchild is the cherished next chapter of your family's story.
