Sapphire Blue Kerstin Gier.2012-10-30 Gwen's life has been a rollercoaster since she discovered she was the Ruby, the final member of the secret time-traveling Circle of Twelve. In between searching through history for the other time-travelers and asking for a bit of their blood (gross!), she's been trying to figure out what all the mysteries and prophecies surrounding the Circle really mean. At least Gwen has plenty of help. Her best friend Lesley follows every lead diligently on the Internet. James the ghost teaches Gwen how to fit in at an eighteenth century party. And Xemerius, the gargoyle demon who has been following Gwen since he caught her kissing Gideon in a church, offers advice on everything. Oh, yes. And of course there is Gideon, the Diamond. One minute he's very warm indeed; the next he's freezing cold. Gwen's not sure what's going on there, but she's pretty much destined to find out.

Analecta Robert Wodrow.2019-08-07 This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

Greeting to Spring .1870

The Traumatic Imagination Eugene L. Arva.2011 This work examines novels from Caribbean, North American, and European literatures of the second half of the twentieth century, both Anglophone and in translation, with focus on the chronotopes of slavery, colonialism, the Holocaust, and war. Historical traumata have found their reconstruction in literary works written by either traumatized or vicariously traumatized authors, such as Jean Rhys, Alejo Carpentier, Maryse Conde??, Salman Rushdie, Gabriel Garc???a Ma???rquez, Bernard Malamud, Joseph Skibell, Gu???nter Grass, and Tim O'Brien. The traumatic imagination accounts for the relative prevalence of magical realist writing in postmodernist fiction. As a singular phenomenon of postmodern aporia, magical realist texts write the silence imposed by trauma, and convert it into history.--publisher.

Stages of Evil Robert Lima.2005-01-01 "The evil that men do" has been chronicled for thousands of years on the

European stage, and perhaps nowhere else is human fear of our own evil more detailed than in its personifications in theater. In *Stages of Evil*, Robert Lima explores the sociohistorical implications of Christian and pagan representations of evil and the theatrical creativity that occultism has engendered. By examining examples of alchemy, astronomy, demonology, exorcism, fairies, vampires, witchcraft, hauntings, and voodoo in prominent plays, *Stages of Evil* explores American and European perceptions of occultism from medieval times to the modern age.

Alderdene Norris Paul.1890

Mussolini's Italy Max Gallo.2019-10-10 Originally published in 1964, this book holds the story of Italian Fascism and its leader up to the light. Gallo explains how Fascism triumphed in Italy, what it did to and for that country, and what its heritage is for present-day Italy. The character of Mussolini is explored as it is interwoven with the history of the dictatorship he founded, and Gallo demonstrates beyond doubt the enthusiasm with which Italian industry, finance, and business supported Mussolini's self-styled, anti-capitalist movement.

Midnight Secretary, Vol. 3 Tomu Ohmi.2014-01-07 Kaya has been temporarily reassigned to another company, but she won't let that keep her from her lover, Kyohei. She's appointed herself as his special secretary, and she spends each night at his condo helping him work and quenching his thirst for her delicious blood. Love suits Kaya, but trouble looms now that she's caught the eye of her other boss! -- VIZ Media

Love in a Dry Season Shelby Foote.1992-06-02 Shelby Foote's magnificently orchestrated novel anticipates much of the subject matter of his monumental Civil War trilogy, rendering the clash between North and South with a violence all the more shocking for its intimacy. *Love in a Dry Season* describes an erotic and economic triangle, in which two wealthy and fantastically unhappy Mississippi families, the Barcrofts and the Carrutherses, are joined by an open-faced fortune hunter from the North, a man whose ruthlessness is matched only by his inability to understand the people he tries to exploit and his fatal incomprehension of the passions he so casually ignites. Combining a flawless sense of place with a Faulknerian command of the grotesque, Foote's novel turns a small cotton town into a sexual battleground as fatal as Vicksburg or Shiloh, and one where strategy is no match for instinct and tradition.

Mama Black Widow Iceberg Slim.2013-05-07 *Mama Black Widow* is the nickname of Otis Tilson, a comely and tragic black queen adrift with his brothers and sisters in the dark ghetto world of pimpdom and violent crime. His story is told in the gut-level language of the homosexual underworld--an unforgettable testament of life lived on the margins of a racist and predatory urban hell.

Trick Baby Iceberg Slim.2011-09-13 The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor, and race, bestselling author Iceberg Slim brings us the story of a hustler who doesn't just play the con game, he transforms it. This is the gritty truth, the life of a hustler in south side Chicago where the only characters are those

who con and those who get conned. Trick Baby tells the story of “White Folks,” a blue-eyed, light-haired, con artist whose pale skin allows him to pass in the streets as a white man. Folks is tormented early in life, rejected by other children and branded a “Trick Baby,” the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Iceberg Slim’s story is now depicted in a major motion picture distributed worldwide. Iceberg Slim: Portrait of a Pimp shows Slim’s transformation from pimp to the author of seven classic books.

That Winter Pamela Gillilan.1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Etymons of English Words John Thomson.1826

Twilight Stephenie Meyer.2007-07-18 Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a literary phenomenon and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. People do not want to just read Meyer's books; they want to climb inside them and live there. -- Time A literary phenomenon. -- The New York Times

Pimp Iceberg Slim.2011-05-10 “[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I’ve ever heard in my life.” —Dave Chappelle, from his Netflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim’s autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago’s street life during the 1940s, 50s, and 60s. In the

preface, Slim says it best, “In this book, I will take you, the reader, with me into the secret inner world of the pimp.” An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler’s tale that never seems to go out of style.

Infernal Legends Jacques-Albin-Simon Collin de Plancy.2017

CHRONICLE OF THE TWENTY-FOUR GENERALS OF THE ORDER OF FRIARS MINOR ARNALD OF SARRANT.2013-09-26 The history of the Order of Friars Minor during the first one and a half centuries of its existence is maybe the most studied period of the 800 years of Franciscan presence in the Church. The publication of the Sources for the lives of Saint Francis and Saint Clare of Assisi in all the main European languages has been of considerable help to spread the historical knowledge regarding Francis of Assisi and his movement and make it available to the average reader. Among these Sources, the *Chronica XXIV Ministrorum Generalium Ordinis fratrum Minorum* by Arnald of Sarrant merits particular attention. It tells the story of the Franciscan Order from the time of Saint Francis till the beginning of the Western Schism in 1378, and therefore contains valuable information regarding the initial period of Franciscan history. Unfortunately it is not easily available in translation because of its voluminous nature. In fact, it covers a total of 712 pages of the third volume of *Analecta Franciscana*, published by the Franciscan editors of Quaracchi in 1897. Our aim has been that of embarking on the arduous task of translating this voluminous work of history into English from the original Latin. This translation is the fruit of three years of work, and we are now happy to present it to the general public. Because of its voluminous nature we intend to divide it into 5 sections, four of which cover the 575 pages of text and one the appendixes. The whole 575 page Chronicle is here available in 4 sections covering respectively the following historical periods: (1) Saint Francis and the early Franciscan fraternity; (2) The Generals from brother Elias as vicar (1227) to Saint Bonaventure (1274); (3) The Generals from Jerome of Ascoli (1274) to Michael of Cesena (1328); (4) The Generals from Gerard Eudes (1329) to Leonard of Giffoni (1378). A last section will be the translation of the appendixes. The translation is enriched by footnotes and explanations on the various historical events narrated and on the personages of the Chronicle. Our aim has been simply that of providing a readable translation, without pretending to be scholars of mediaeval Latin. We hope that the service we are offering at such an enormous cost of time and personal effort will be of benefit both to students of Franciscan history as well as to those who are qualified to correct its inaccuracies, and who we gratefully thank for their eventual advice and corrections

The Rejection of Consequentialism Samuel Scheffler.1994-08-11 In contemporary philosophy, substantive moral theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and

still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the best possible overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

Russians Versus Fischer Dmitry Plisetsky,Sergey Voronkov.2005 This magnificent volume contains the extraordinary story of the prolonged battle between Bobby Fischer, the lone American genius who is perhaps the most famous chess player of all time, and the long-standing and all-dominating Soviet chess machine. For the first time readers will be able to view virtually all the secret documents on the Fischer problem, many of which have never previously been published. These include papers from the archives of the KGB, the Communist Party Central Committee, the USSR Sports Committee, and the Chess Federation. Together with this, there are reports and analysis of Fischer's personality and play, written at the demand of the Soviet authorities by the country's leading Grandmasters, legends such as Mikhail Tal, Tigran Petrosian, Vassily Smyslov, Paul Keres, Victor Korchnoi, and Efim Geller. Also contained in *Russians Versus Fischer* are annotations and the stories on all of the 158 chess encounters between Fischer and his Soviet adversaries, and a large number of rare photographs and drawings. This book is a significantly enlarged and updated version of the one first published in Russia in 1994.

Kodi Jared Cullum.2020-08-26 The gorgeous story of two friends separated by everything in the world—except love.

Readers and animal lovers of every age will want to relive this journey over and over again. Katya and her Meema are spending another normal summer at their cottage in Alaska, when a chance accident leaves Katya face-to-face with the biggest creature she's ever seen... an enormous kodiak bear, soon to become her closest friend. But when Katya suddenly returns home to Seattle, the two are torn apart, leaving Kodi to do whatever it takes to reunite with his fragile human friend. It's a wild adventure packed with breathtaking views, new companions, and danger around every turn.

New Song Plays to Old Tunes Mary Wollaston Wood.1924 A collection of play songs intended for girls aged ten to fifteen. With index arranged in ascending order to difficulty and list of Duo-Art Recordings for materials in this book.

The Chanson d'Antioche Carol Sweetenham.2016-03-23 The Old-French Chanson d'Antioche has long intrigued historians and literary scholars. Unusually among epic poems, it follows closely a well documented historical event - the First Crusade - and appears to include substantial and genuine historical content. At one time it was believed to be based on an account by an eye-witness, 'Richard the Pilgrim'. Carol Sweetenham and Susan Edgington have combined forces to investigate such claims, and their findings are set out in a comprehensive introduction which, firstly, examines the textual history of the poem from its possible oral beginnings through several re-workings to its present form, achieved early in the thirteenth century. A second chapter assesses the Chanson's value as a source for the crusade, and a third considers its status as a literary text. A complete prose translation follows, the first in English and based on the definitive edition. The Chanson is revealed as a lively narrative, with tales of chivalry, villainy, and even episodes of humour. There are extensive footnotes to the translation, and an appendix provides supplementary material from a different manuscript tradition. There is also a cast list of heroes and villains with biographical information for the 'real' ones and literary analogues for the fictional characters. The Chanson d'Antioche can now be read for enjoyment, and for a whole new perspective on crusading in the twelfth and thirteenth centuries.

Ode to Charles Fourier André Breton.1970

Black Lagoon, Vol. 12 Rei Hiroe.2022-08-16 Peace in Roanapur is fragile, balanced on a powder keg that could explode at any moment. When a mysterious crew of assassins shows up and starts taking out specific members of the city's underworld, the major players—the Triad, the Sicilians, and Hotel Moscow—have to get involved. The rogue hit squad also seems to have Dutch in its sights, and Rock and Revy begin an investigation. Tracking down the killers means lifting the lid on Dutch's background and perhaps exposing the true identity of the skipper of the Black Lagoon. -- VIZ Media

Storia Comparata Degli Usi Nuziali in Italia E Presso Gli Altri Popoli Indo-Europei Angelo De Gubernatis.2019-03-03 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been

housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Shadowspell Jenna Black.2011-01-04 On top of spending most of her time in a bunkerlike safe house and having her dates hijacked by a formidable Fae bodyguard, Faeriewalker Dana Hathaway is in for some more bad news: the Erlking and his pack of murderous minions known as the Wild Hunt have descended upon Avalon. With his homicidal appetite and immortal powers, the Erlking has long been the nightmare of the Fae realm. A fragile treaty with the Faerie Queen, sealed with a mysterious spell, is the one thing that keeps him from hunting unchecked in Avalon, the only place on Earth where humans and Fae live together. Which means Dana's in trouble, since it's common knowledge that the Faerie Queen wants her - and her rare Faeriewalker powers - dead. The smoldering, sexy Erlking's got his sights set on Dana, but does he only seek to kill her, or does he have something much darker in mind?

A Study of the Hong Kong Martial Arts Film .1980*

The Acharnians Aristophanes.2021-04-25 Acharnians is the earliest of the existent comedies of Aristophanes, produced in 425 BCE. It is a direct attack on the folly of war. The story deals with an Athenian farmer, Dikaiopolis, who surprisingly obtains a private peace treaty with the Spartans and enjoys the benefits of peace despite resistance from some of his fellow Athenians. This drama is celebrated for its absurd humor and its innovative appeal for an end to the Peloponnesian War.

Encyclopedia of French Film Directors Philippe Rège.2009-12-11 Cinema has been long associated with France, dating back to 1895, when Louis and Auguste Lumi_re screened their works, the first public viewing of films anywhere. Early silent pioneers Georges MZli_s, Alice Guy BlachZ and others followed in the footsteps of the Lumi_re brothers and the tradition of important filmmaking continued throughout the 20th century and beyond. In Encyclopedia of French Film Directors, Philippe Rège identifies every French director who has made at least one feature film since 1895. From undisputed masters to obscure one-timers, nearly 3,000 directors are cited here, including at least 200 filmmakers not mentioned in similar books published in France. Each director's entry contains a brief biographical summary, including dates and places of birth and death; information on the individual's education and professional training; and other pertinent details, such as real names (when the filmmaker uses a pseudonym). The entries also provide complete filmographies, including credits for feature films, shorts, documentaries, and television work. Some of the most important names in the history of film can be found in this encyclopedia, from masters of the Golden Age_Jean Renoir and RenZ Clair_to French New Wave artists such as Fran_ois

Truffaut and Jean-Luc Godard.
