Adrian Simcox Does NOT Have a Horse Marcy Campbell.2018-08-14 A classic in the making, this heartwarming story about empathy and imagination is one that families will treasure for years to come. Adrian Simcox tells anyone who will listen that he has a horse--the best and most beautiful horse anywhere. But Chloe does NOT believe him. Adrian Simcox lives in a tiny house. Where would he keep a horse? He has holes in his shoes. How would he pay for a horse? The more Adrian talks about his horse, the angrier Chloe gets. But when she calls him out at school and even complains about him to her mom, Chloe doesn't get the vindication she craves. She gets something far more important. Written with tenderness and poignancy and gorgeously illustrated, this book will show readers that kindness is always rewarding, understanding is sweeter than judgment, and friendship is the best gift one can give.

My Feelings and Me Holde Kreul.2018-04-03 Do you know your own feelings? Sometimes, we're happy, so we laugh and shout with glee. Other times, we're angry, and want to rage and roar. It is not easy to deal with our many contradictory emotions. To recognize our own feelings and deal with them responsibly is an important learning process for children, and a trial of limits. This vibrantly and expressively illustrated book invites children to talk about feelings. It takes readers through

a range of potential emotions without ever calling them good or bad, allowing children to recognize and examine their own emotional world.
