Personal History Katharine Graham,2018-03-29 As seen in the new movie *The Post*, directed by Steven Spielberg and starring Meryl Streep, here is the captivating, inside story of the woman who piloted the Washington Post during one of the most turbulent periods in the history of American media. In this bestselling and widely acclaimed memoir, Katharine Graham, the woman who piloted the Washington Post through the scandals of the Pentagon Papers and Watergate, tells her story - one that is extraordinary both for the events it encompasses and for the courage, candour and dignity of its telling. Here is the awkward child who grew up amid material wealth and emotional isolation; the young bride who watched her brilliant, charismatic husband - a confidant to John F. Kennedy and Lyndon Johnson - plunge into the mental illness that would culminate in his suicide. And here is the widow who shook off her grief and insecurity to take on a president and a pressman's union as she entered the profane boys' club of the newspaper business. As timely now as ever, *Personal History* is an exemplary record of our history and of the woman who played such a shaping role within them, discovering her own strength and sense of self as she confronted - and mastered - the personal and professional crises of her fascinating life.

Secrets of a Charmed Life Susan Meissner,2015-02-03 The author of *A Bridge Across the Ocean* and *The Last Year of the War* journeys from the present day to World War II England, as two sisters are separated by the chaos of wartime... Current day, Oxford, England. Young American scholar Kendra Van Zant, eager to pursue her vision of a perfect life, interviews Isabel McFarland just when the elderly woman is ready to give up secrets about the war that she has kept for decades...beginning with who she really is. What Kendra receives from Isabel is both a gift and a burden—one that will test her convictions and her heart. 1940s, England. As Hitler wages an unprecedented war against London's civilian population, hundreds of

thousands of children are evacuated to foster homes in the rural countryside. But even as fifteen-year-old Emmy Downtree and her much younger sister Julia find refuge in a charming Cotswold cottage, Emmy's burning ambition to return to the city and apprentice with a fashion designer pits her against Julia's profound need for her sister's presence. Acting at cross purposes just as the Luftwaffe rains down its terrible destruction, the sisters are cruelly separated, and their lives are transformed...

New-Church Messenger, 1910

Things Fall Apart Chinua Achebe, 1994-09-01 "A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world." —Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, Things Fall Apart provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

Sophie's World Jostein Gaarder, 2007-03-20 One day Sophie comes home from school to find two questions in her mail: Who are you? and Where does the world come from? Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

The Power of Habit Charles Duhigg, 2012-02-28 NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In *The Power of Habit*, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author "Sharp, provocative, and useful."—Jim

Collins “Few [books] become essential manuals for business and living. The Power of Habit is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good.”—Financial Times “A flat-out great read.”—David Allen, bestselling author of *Getting Things Done: The Art of Stress-Free Productivity* “You’ll never look at yourself, your organization, or your world quite the same way.”—Daniel H. Pink, bestselling author of *Drive* and *A Whole New Mind* “Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change.”—The New York Times Book Review

Galileo Galilei Hourly History, 2017-06-21 Galileo Galilei began his career as a mathematician. Yet as fate would have it, he became far more than a numbers whiz. Here was a true Renaissance man; one who was greatly educated and a genuine lover of the arts. He was a fan of poets and a fine lute player. When in 1609 Galileo created his first telescope and turned his attention to the skies, everything changed. His discoveries as they came, could not be denied. Because of his years of study in the arts and humanities, Galileo was well prepared to bring his ideas into the light of day. Inside you will read about... □ Living in the Italian Renaissance □ Student Becomes Master □ Opposition to the Church □ Controversial Theories □ The Trial of Galileo Galilei □ The End of All Things And much more! Discoveries often don't come easy and introducing them to a doubting world is even more challenging. It takes a certain kind of person to do that and Galileo was just the man for the job. It was his brilliance that supported the Copernican system of how the solar system was laid out. It was his original thinking which kept him fearless in the face of the greatest adversary there was--the Church. Come along to discover what made Galileo so great. And why his achievements can influence your life, too.

Ghachar Ghochar Vivek Shanbhag, 2017-02-07 ONE OF THE NEW YORK TIMES CRITICS' TOP BOOKS OF 2017 ONE OF VULTURE'S 100 BEST BOOKS OF THE 21ST CENTURY FINALIST FOR THE L.A. TIMES BOOK PRIZE IN FICTION “A modern classic.” —The New York Times Book Review A young man's close-knit family is nearly destitute when his uncle founds a successful spice company, changing their fortunes overnight. As they move from a cramped, ant-infested shack to a larger house on the other side of Bangalore, and try to adjust to a new way of life, the family dynamic begins to shift. Allegiances realign; marriages are arranged and begin to falter; and conflict brews ominously in the background. Things become “ghachar ghochar”—a nonsense phrase uttered by one meaning something tangled beyond repair, a knot that can't be untied. Elegantly written and punctuated by moments of unexpected warmth and humor, Ghachar Ghochar is a quietly enthralling, deeply unsettling novel about the shifting meanings—and consequences—of financial gain in contemporary India. “A classic tale of wealth and moral ruin.” —The New Yorker “Ghachar Ghochar introduces us to a master.” —The Paris Review Named a Best Book of the Year by the Guardian, Globe and Mail, and Publishers Weekly Shortlisted for the ALTA National Translation Award in Prose Longlisted for the International Dublin Literary Award

Children's Catalog of Two Thousand Books H.W. Wilson Company, 1916

Ex Libris Ross King, 2013-06-30 Responding to a cryptic summons to a remote country house, London bookseller Isaac Inchbold finds himself responsible for restoring a magnificent library pillaged during the English Civil War, and in the process slipping from the surface of 1660s London into an underworld of spies and smugglers, ciphers and forgeries. As he assembles the fragments of a complex historical mystery, Inchbold learns how Sir Ambrose Plessington, founder of the library, escaped from Bohemia on the eve of the Thirty Years War with plunder from the Imperial Library. Inchbold's hunt for one of these stolen volumes - a lost Hermetic text - soon casts him into an elaborate intrigue; his fortunes hang on the discovery of the missing manuscript but his search reveals that the elusive volume is not what it seems and that he has been made an unwitting player in a treacherous game.

Boys' Life, 1928-11 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

A Darker Shade of Magic V. E. Schwab, 2015-02-24 A Darker Shade of Magic, from #1 New York Times bestselling author V.E. Schwab Kell is one of the last Antari—magicians with a rare, coveted ability to travel between parallel Londons; Red, Grey, White, and, once upon a time, Black. Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dullest of Londons, the one without any magic left to see. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. She first robs him, then saves him from a deadly enemy, and finally forces Kell to spirit her to another world for a proper adventure. Now perilous magic is afoot, and treachery lurks at every turn. To save all of the worlds, they'll first need to stay alive. A Darker Shade of Magic has all the hallmarks of a classic work of fantasy. Schwab has given us a gem of a tale...This is a book to treasure.—Deborah Harkness, New York Times bestselling author of the All Souls trilogy Shades of Magic series 1. A Darker Shade of Magic 2. A Gathering of Shadows 3. A Conjuring of Light At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Oregon Country, 1914

Conversations with Friends Sally Rooney, 2017-07-11 NOW A HULU ORIGINAL SERIES • From the New York Times bestselling author of Normal People . . . “[A] cult-hit . . . [a] sharply realistic comedy of adultery and friendship.”—Entertainment Weekly SALLY ROONEY NAMED TO THE TIME 100 NEXT LIST • WINNER OF THE SUNDAY TIMES (UK) YOUNG WRITER OF THE YEAR AWARD • ONE OF BUZZFEED’S BEST BOOKS OF THE DECADE • ONE OF THE TEN BEST BOOKS OF THE YEAR: Vogue, Slate • ONE OF THE BEST BOOKS OF THE YEAR: Elle Frances is a coolheaded and darkly observant young woman, vaguely pursuing a career in writing while studying in Dublin. Her best

friend is the beautiful and endlessly self-possessed Bobbi. At a local poetry performance one night, they meet a well-known photographer, and as the girls are then gradually drawn into her world, Frances is reluctantly impressed by the older woman's sophisticated home and handsome husband, Nick. But however amusing Frances and Nick's flirtation seems at first, it begins to give way to a strange—and then painful—intimacy. Written with gemlike precision and marked by a sly sense of humor, *Conversations with Friends* is wonderfully alive to the pleasures and dangers of youth, and the messy edges of female friendship. SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD "Sharp, funny, thought-provoking . . . a really great portrait of two young women as they're figuring out how to be adults."—Celeste Ng, *Late Night with Seth Meyers* Podcast "The dialogue is superb, as are the insights about communicating in the age of electronic devices. Rooney has a magical ability to write scenes of such verisimilitude that even when little happens they're suspenseful."—Curtis Sittenfeld, *The Week* "Rooney has the gift of imbuing everyday life with a sense of high stakes . . . a novel of delicious frictions."—New York "A writer of rare confidence, with a lucid, exacting style . . . One wonderful aspect of Rooney's consistently wonderful novel is the fierce clarity with which she examines the self-delusion that so often festers alongside presumed self-knowledge. . . . But Rooney's natural power is as a psychological portraitist. She is acute and sophisticated about the workings of innocence; the protagonist of this novel about growing up has no idea just how much of it she has left to do."—Alexandra Schwartz, *The New Yorker* "This book. This book. I read it in one day. I hear I'm not alone."—Sarah Jessica Parker (Instagram)
