Is this mysterious meeting just a vacation spot for the wealthy and well-connected, or is it something more? Does it operate as an off the record consensus building organization for the elite establishment? What major plans or political policies were given birth by the club? Do they really kickoff their gathering each year with a human sacrifice ritual? Is this the infamous Illuminati? Do they choose who our world leaders will be, including the next president of the United States? Is the Bilderberg Group a shadow government? Are they the Illuminati? Why has the mainstream media had a complete blackout regarding their meetings for decades? Who attends? And who pays for it? Is this "just another conference?" Or, are the "conspiracy theorists" right? What is the evidence? How were they first discovered? What are they doing? And should the public be concerned? The War on Conservatives Mark Dice,2023 Conservatives are under attack on numerous different fronts by a well-funded, highly organized Marxist movement. The war is being waged in the public schools and universities, in corporate America, the media, and in the streets. American symbols and holidays, Christianity and churches, and even the nuclear family itself is under siege. LGBTQ extremists are preying on children, while White people are being systematically demonized by Critical Race Theory--which is just antiwhiteism in disguise. And millions of illegal aliens have been allowed to invade our country. All while censorship on social media is being leveraged by cancel culture mobs to silence critics and those trying to fight back. Democrats are even inciting and endorsing violence against their opponents, using Antifa and Black Lives Matter foot soldiers, all while being cheered on by Hollywood celebrities. And there are even traitors in our midst. Cowardly conservatives and RINOs who have sold out our principles for profit and power. Media analyst Mark Dice takes you to the front lines in *The War on Conservatives*. --

Hollywood Propaganda: How TV, Movies, and Music Shape Our Culture Mark Dice,2020-10-03 Films and television shows aren't just entertainment. They are powerful vehicles that influence social and political trends, ultimately shaping the very fabric of our culture. Because of this potential, there are various agencies which work behind the scenes in Hollywood to harness these forces for their own aims or those of their clients. Few people outside the industry are aware that such agencies exist and are hired by advocacy groups to lobby studios, writers, and producers in order to get their ideas inserted into plots of popular works. These Hollywood lobbyists have been instrumental in successfully paving the path for same-sex marriage to become legal, destigmatizing abortion, encouraging mass immigration, and sounding the alarm about climate change; all under the cloak of mere "entertainment." More recently we've seen these same powers levied against President Trump, his supporters, and used to demonize "white privilege" as an invisible enemy that's supposedly around every corner. Even sports and late-night comedy shows are employed for political causes, violating the once unwritten cardinal rules of their industries. In this groundbreaking work, media analyst Mark Dice details the true power of entertainment and proves how it is being used to wage a psychological war against the world.

What are the real world effects of fake news stories that go viral? Did it affect the outcome of the 2016 presidential election?
