**Wright for America** Robin Lamont, 2012-10-01 Pryor Wright's ultra-conservative radio show has millions of devout fans who are sure that the slurs and wild accusations fired at the liberal left prove him a true patriot. But when his venomous rantings catch Maren Garrity's twin brother in the crossfire, the struggling actress pursues her own style of justice and enlists a troupe of fellow unemployed actors to teach Wright just how powerful words can be.

*Mother to Mother* Sindiwe Magona, 2022-08-23 A searing novel, told in letter form, that explores the South African legacy of apartheid through the lens of a woman whose Black son has just murdered a white woman. *Mother to Mother* is a novel with depth, at once an emotional plea for compassion and understanding, and a sharp look at the impacts of colonialism and apartheid on South African families. Inspired by the true story of Fulbright scholar Amy Biehl's murder, the book takes the form of a letter to the victim's mother. The murderer's mother, Mandisa, speaks of a life marked by oppression and injustice. Through her writing, Mandisa reveals a colonized society that not only allowed but perpetuated violence against women and impoverished Black South Africans under the reign of apartheid. This book is not an apology for the murder but rather something more. It seeks to connect, through empathy and storytelling, one pained mother with another who is grief-stricken and in mourning. A beautifully written exploration of the society that bred such violence, *Mother to Mother* will resonate with readers interested in understanding and ending racial injustice, as well as the lasting colonial foundations of oppression.

**The Sound of Music Story** Tom Santopietro, 2015-02-17 On March 2, 1965, *The Sound of Music* was released in the United States and the love affair between moviegoers and the classic Rodgers and Hammerstein musical was on. Rarely has a film captured the love and imagination of the moviegoing public in the way that *The Sound of Music* did as it blended history, music, Austrian location filming, heartfelt emotion and the yodeling of Julie Andrews into a monster hit. Now, Tom Santopietro has written the ultimate *Sound of Music* fan book with all the inside dope from behind the scenes stories of the filming in Austria and Hollywood to new interviews with Johannes von Trapp and others. Santopietro looks back at the real life story of Maria von Trapp, goes on to chronicle the sensational success of the Broadway musical, and recounts the story of

the near cancellation of the film when the Cleopatra bankrupted 20th Century Fox. We all know that Julie Andrews and Christopher Plummer played Maria and Captain Von Trapp, but who else had been considered? Tom Santopietro knows and will tell all while providing a historian's critical analysis of the careers of director Robert Wise and screenwriter Ernest Lehman, a look at the critical controversy which greeted the movie, the film's relationship to the turbulent 1960s and the super stardom which engulfed Julie Andrews. Tom Santopietro's *The Story of 'The Sound of Music'* is book for everyone who cherishes this American classic.

Toni Tennille Toni Tennille,2016-04-01 Since bursting onto the scene in the mid '70s, the pop duo Captain and Tennille have long defined the sparkling, optimistic idea of everlasting love, both in their music and through their image as a happy and, seemingly, unbreakable couple. They were an irresistible pair to millions of fans all over the world, further underscored by the rousing “yes, we can!” gospel of their biggest hit, “Love Will Keep Us Together.” But underneath the image was an entirely different story that the fans never saw: a woman who fought a lonely struggle against the controlling and often bizarre behavior of her emotionally inaccessible husband. *Toni Tennille: A Memoir* is a visceral account of Toni Tennille’s life from her childhood in the segregated South to her thrilling rise to fame in the world of pop music to where she is now: no longer one-half of a famed couple, but a stronger woman for all she has experienced—both the good and the bad. Toni hopes that her story will help anyone who feels trapped in a toxic relationship realize that it is never too late to break away from it.
